

A \$35.00 BICYCLE AT LAST.

Ever since the introduction of the bicycle, predictions have been free-made that it was only a question of time when a high-grade wheel could be purchased at a low price consistent with the actual cost of manufacture. It is a well known fact that the original manufacturers of bicycles have become enormously rich from the large profits in the business, and have been able to maintain high prices by constant advertising. High-salaried racers paid to ride on their wheels; expensive bicycle shows; souvenirs given away; and numerous other expedients are resorted to keep the name of the wheel before the public, all of which the user pays for, and gets no better wheel than one under a less-known name could be bought for at half the price.

In another column is shown a cut and full description of the "Maywood"—a first-class, high-grade wheel in every respect, at the low price of \$35.00. If one will read the specifications carefully he will be fully convinced that this particular wheel has many points of superiority over any other on the market, and as the manufacturers are a responsible, well-known firm, and guarantee the wheel in every particular, we can unhesitatingly recommend the "Maywood."

HIGH RED BLOOD is the foundation of good health. That is why God's Sarsaparilla, the One True Blood Purifier, gives HEALTH.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City, Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says she saved her life. Mr. Thos. Eggers, of Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Graybill, Garman & Co.'s, Richfield, Pa., and all druggists. Regular size 50c. and \$1.00.

MIDDLE CREEK.

The farmers are busy preparing ground for fall seeding. A few have sown already. A great many people attended the farmers' picnic last Saturday. A very large crowd was present. Henry Maurer of Lewistown was at home over today. E. F. Goss and wife visited the former's brother in Millin County on Saturday. R. Hartman and family were visiting Union court-rooms for the last days. Don't forget the Middle Creek picnic Saturday, Sept. 12th. The Melville Band will furnish music. Refreshments of all kinds will be on ground. All are invited.

Went to His Mother in Germany.
J. Jacob Esensen, who is in the employ of the Chicago Lumber Co., Des Moines, Iowa, says: "I have sent some medicine back to my mother in the old country, that I know from personal use to be the best medicine in the world for rheumatism, having used it in my family several years. It is called Chamberlain's Pain Balm. It always does work." 50 cent bottles for sale at all Druggists.

WEST BEAVER.

parties from this end, who were to attend Williams Grove picnic report having had a good time.iskey and beer plenty on the ground for sale. No doubt the beverage was highly appreciated. On Sunday Henry Baumgardner was invited to his bed from the effects of a fall from a pear tree last Friday evening after his return from the picnic. Some of our farmers have raised their potatoes and sold at a big yield, and for sale at free prices. As a side show to Bryan hippodrome on its eastern side, Mr. Bland is not proving to be so attractive. John O. Goss, lumberman, after suffering one week, died Sunday night at eleven o'clock. The gold in our end stand about 16 to 1. Dutchman says how high is dat.

Wonderful are the cures accomplished by Sarsaparilla and yet it is only because Sarsaparilla, the one true blood purifier, pure, rich, healthy, life-giving blood.

Alluring Exercise.

The famous board walk and beach at Burry Park are like no others in the world, and possess advantages and attractions wholly their own. People who never walk at take their two-mile constitutionally length of the board and back again, twice a day,

without finching, being so entertained by the shifting scenes and amusing incidents of the way that the walk is one of the delightful divisions of the day instead of an irksome and fatiguing exercise. Ambitious pedestrians can even continue their walk to the southern limit of Ocean Grove, to which the board walk runs without a break.—From "Summer Days at Asbury Park," in Demorest's Magazine for September.

In a recent letter to the manufacturer Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y. says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequalled by any other. They are for sale here by all druggists.

Cancer Of the Breast.

Mr. A. H. Crausby, of 158 Kerr St., Memphis, Tenn., says that his wife paid no attention to a small lump which appeared in her breast, but it soon developed into a cancer of the worst type, and notwithstanding the treatment of the best physicians, it continued to spread and grow rapidly, eating two holes in her breast. The doctors soon pronounced her incurable. A celebrated New York specialist then treated her, but she continued to grow worse and when informed that both her aunt and grandmother had died from cancer he gave the case up as hopeless. Someone then recommended S.S.S. and though little hope remained, she began it, and an improvement was noticed. The cancer commenced to heal and when she had taken several bottles it disappeared entirely, and although several years have elapsed, not a sign of the disease has ever returned.
