Thursday, Sept. 21, 1896.

Told in a Nutshell.

The election is told in the following. Spell down the capital letters, and see who will be the next President:

- Pennsylvania, New Jersey, Connecticut, Rhode Island, New Hampshire, Iowa, Maryland, Illinois, Indiana, Michigan, Vermont, Massachusetts, Wisconsin, Kentucky, Ohio, Maine, California, Minnesota, New York.

Several other states could be added to the above but they are enough for all practical purposes and sufficient to give McKinley a fine margin in the electoral college. Who will say he will not get all of them.

A Gem From Speaker Reed.

Thos. B. Reed has said and written many pungent paragraphs but none better than the following in his introduction to "PROTECTION AND PROSPERITY."

Somehow or other, times like these are great educators. How very fine used to be the sneer about lifting one's self by the boot straps! How clear used also to seem the demonstration that taxes could create nothing! What a fine, large mouth the consumer had those days, and how puny and unworthy seemed the hands of the producer! Now the untold mouth has discovered who owns the hands. This book will show you that this has been the history of nations, a hundred times; nay, it has been the history of our own nation half a score of times in our short life. Like the Spanish Grandee in the Cemetery we were well and wanted to be better, took medicine, and here we are. It is worth while to undergo this death and resurrection again? We shall never do it if we lay fast hold on the facts of the universe. There may be a time come when nations will be no more, when the brotherhood of man may be established, when communication may be so rapid, when we shall be so equally advanced in civilization, that nobody will care where he lives or is buried; when

distance shall break no ties, and when the universal language is spoken by everybody without accent; in that time we may lose nationality and become citizens of the world. Then free trade may reign. But such a time will not happen within the hundred years which centre in that week when two English speaking nations were ready to clutch each other by the throat about a boundary thousands of miles away, and the German emperor was ready to fight the kingdom of his grandmother about some people in Africa whose ancestors left the fatherland so long ago that history is not quite sure that they did leave it. Nationality is a fact, brotherhood is a hope. Perhaps if we live up to our fact, that may be the best way to arrive at our hope.

The Record of remarkable cures effected enables us truthfully to say that Hood's Sarsaparilla is the only true blood purifier prominent in the public eye today. Get only Hood's. Hood's Pills are the best family cathartic and liver medicine. Harmless, reliable, sure.

Preserve the Fort.

The people of Snyder county should bestir themselves and acquire a little self-pride to preserve their historical relics. Strangers coming to the county help themselves liberally to pieces of wood taken from Hendricks' Fort near Kreamer. Here is a land mark over a century old. Are we going to sit here with our arms folded and allow our cherished remnants of antiquity to be gradually but surely carried away? Surely we are not so dull to the keener and laudable ambition to preserve archaic structures and all semblances of antiquated remains.

Snyder county needs a historical society. We are assured that after election a historical organization will be effected. Let it come. Let it preserve unsullied the records of the early settlers and everything that will in anyway inculcate in our minds the great need of collecting and preserving historical data.

SEWALL WORKS FOR GOLD ONLY.

Democratic Nominee for Vice President a Sound Money Man.

New York, Sept. 18—Eppinger & Russell, of this city, one of the largest crosscutting firms on the seaboard declare that they recently gave Arthur Sewall, the Democratic candidate for Vice President, a contract to carry four shiploads of timber from Maine to Long Island City, and that much to their surprise he demanded a clause in the contract providing for payment in gold. The contract in blank reads as follows:

The party of the second part agrees to pay to said party of the first part, or agent, for the transportation of said timber.....dollars and.....cents, United States gold, or its equivalent.

In referring to the matter Mr. Eppinger said: "I told Mr. Sewall we were going to pay him in South American silver, so I did not blame him for wanting United States gold or its equivalent. We always insert such a clause in dealing with South American customers. I don't blame him for not wanting South American money, do you? But," he added, "I don't want to get mixed up in this. He ain't going to be elected, and that's all I care about."

Second Annual Meeting Juniata Valley Veteran's Association.

Next Year's Encampment to be Held in This County.

HUNTINGDON, Sept. 9, 1896. Meeting called to order by the Pres., M. S. Lytle. W. S. Settle was appointed Sec'y. On motion, Dr. A. M. Smith of Adamsburg, was elected Pres. for the ensuing year; M. V. Barndollar of Everett, Bedford Co., was elected first Vice Pres.; Capt. D. Ross, Miller, of Tyrone, was elected second Vice Pres.; Ex-Sheriff Ner B. Middleworth of McClure, was elected Sec'y; Wm. M. Allison, of Millintown, was elected Treasurer.

The President and Secretary were empowered to select the executive committee for the ensuing year and also to fix the place for the next encampment, either at McClure or Adamsburg, Snyder Co. A vote of thanks was tendered to the retiring President for dinner furnished to Post 176, G. A. R., of Lewistown and their invited guests. A brief but interesting address was made by President M. S. Lytle, upon retiring; also a short address by Secretary Middleworth, in the absence of Dr. A. M. Smith, thanking the association for the honor conferred upon Snyder county in the choosing of the Pres. and Sec'y from that place and extending an invitation to all to be present next year, assuring the comrades that they would be treated in the usual "Royal Dutch Snyder Co. style," and that no stone would be left unturned to make the next annual encampment a success. Meeting adjourned at 1 o'clock to meet at the call of the Pres. Sec'y.

Snyder's Claims Were Paramount,

Mr. A. D. Miller Addresses a Letter to the Republican Voters.

The following letter has been addressed by Mr. A. D. Miller to the Republican voters of Union county:

To the Republicans of Union County: The Senatorial conference for the 27th district met at Lewisburg on Monday, Sept. 14th, and nominated Hon. E. M. Hummel, of Snyder Co., on the second ballot for State Senator. To a close political observer this result was no surprise. To myself it leaves no personal disappointment. While the qualifications of all candidates were not disputed, the conference had only the claims of the respective counties for consideration and the claims of Snyder Co. were considered paramount to those of Union and Northumberland.

The action of our candidate and conferees when the conference was in deadlock four years ago was a serious handicap upon the claims of Union County as the late conference. The claims of Union County for a second term four years ago could hardly be questioned, but when the deadlock was broken by the nomination of Mr. Hakenburg, our candidate and conferees did not endorse the nominee by making his nomination unanimous, and at the election, Nov. 8th, '92, Harrison was given a majority of 731 while Hakenburg only received a majority of 557, leaving Union County without a claim on Northumberland. As Northumberland County established the one term precedent by refusing Union County a second term in '92, the rule of rotation favored Snyder County and resulted in the nomination of Mr. Hummel, whose nomination was made unanimous and heartily endorsed by the candidates and conferees of Union and Northumberland counties and whose election is assured by a large majority.

One happy result attained by the nomination of Mr. Hummel will be the strong claims of Union County for the nomination in 1900, and the hearty endorsement and strong support I shall give to Mr. Hummel will place no handicaps on our candidate in 1900 whoever he may be.

As a candidate for Senator at our Republican primaries in February I pledged myself if nominated and elected to support all legislation pertaining to the equalization of taxes, to support the Department of Agriculture, to support our educational institutions and to defend our pure food laws. I am glad to say that our candidate, Mr. Hummel, will support all this legislation thereby fulfilling my personal obligations to my constituents. Mr. Hummel is a farmer's son, having spent his early life upon the farm, and firmly believes in a fair and honest equalization of taxes. He believes in a rigid enforcement of the pure food laws and is opposed to the manufacture and sale of oleo and mule grease. In Mr. Hummel the farmers will have a stalwart champion and their interests will be fully protected during his term in the Senate.

The candidate is a patriotic American citizen and believes not only in protection of American industries but protection of American labor. He is a young Republican and he has never wavered in his loyalty to the platform and principles of the Republican party. I shall advocate his cause personally during the campaign, and earnestly ask all our Republicans of Union County to give him their hearty support, and trust we shall give not only Mr. Hummel, but our whole ticket 1500 majority.

I again express to my many friends and the Republicans of Union County my heartfelt and sincere thanks for their expression of confidence and loyal support of our primary and since my nomination as their choice for Senator. I have discharged the trust reposed in me without any consideration of personal ambition. The issues of the campaign demand higher motives. I shall work as a private in the Republican party as hard for Mr. Hummel as I would have for my own success. My interest in politics consists only in my ardent and heartfelt desire for the triumph of Republican principles and the return of that material prosperity to the State and nation which a victory for Republican principles will most surely bring about. I believe in Republican protection, in Republican ability to manage the nation's finances, in Republican Americanism, in Republican integrity and in Republican uprightness of purpose, and I propose to labor for Republican success with such ability as I may possess until all our honest hopes of happiness and prosperity are attained for all the people.

Sincerely, A. D. MILLER. Lewisburg, Sept. 16, 1896.

AN OPEN LETTER.

WHAT MRS. I. E. BRESSIE SAYS TO AMERICAN WOMEN.

Speaks of Her Melancholy Condition After the Birth of Her Child.

"I feel as if I was doing an injustice to my suffering sisters if I did not tell what Lydia E. Pinkham's Vegetable Compound has done for me, and its worth to the world. From the birth of my child until he was four years old, I was in poor health, but feeling convinced that half of the ailments of women were imagined or else cultivated, I fought against my bad feelings, until I was obliged to give up. My disease baffled the best doctors. I was nervous, hysterical; my head ached with such a terrible burning sensation on the top, and felt as if a band was drawn tightly above my brow; inflammation of the stomach, no appetite, nausea at the sight of food, indigestion, constipation, bladder and kidney troubles, palpitation of the heart, attacks of melancholia would occur without any provocation whatever, numbness of the limbs, threatening paralysis, and loss of memory to such an extent that I feared aberration of the mind. A friend advised Lydia E. Pinkham's Vegetable Compound, and spoke in glowing terms of what it had done for her. I began its use and gained rapidly. Now I am a living advertisement of its merits. I had not used it a year when I was the envy of the whole town, for my rosy, dimpled, girlish looks and perfect health. I recommend it to all women. I find a great advantage in being able to say, 'It is by a woman's hands this great boon is given to women. All honor to the name of Lydia E. Pinkham; wide success to the Vegetable Compound. Yours in Health, Mrs. I. E. BRESSIE, Herculaneum, Jefferson Co., Mo.'"
