Tours to the South via Pennsylvania Railroad.

Two very attractive early Autumn tours are offered by the Pennsylvania Railroad, leaving New York and Philadelphia September 29 and October 13.

After the experience of the past few years it is hardly necessary to say that these outings are planned with the utmost care. Suffice it to say that all arrangements are so adjusted as to afford the best possible means of visiting each place to the best advantage.

The tours each cover a period of ten days, and include the battlefield of Gettysburg, picturesque Blue Mountain, Luray Caverns, Basic City, the Natural Bridge, Grottoes of the Shenandoah, the cities of Richmond and Washington, and Mt. Vernon.

The round-trip rate, including all necessary expenses, is $59 from New York, $54 from Philadelphia, and proportionate rates from other points.

Each tour will be in charge of one of the company's Tourist Agents. He will be assisted by an experienced lady as Chaperon, whose especial charge will be ladies unaccompanied by male escort.

Special trains of parlor cars are provided for the exclusive use of each party, in which the entire round trip from New York is made.

For detailed itinerary apply to Ticket Agents or to Tourist Agent, 1196 Broadway, New York, Room 411, Broad Street Station, Philadelphia.

JOHANN GRUMBEIN.

In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y. says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequaled by any other. They are for sale here by all druggists.

Twins, One Black, the Other White.

Mrs. Belle Gilbert of Michigan City, Ind., recently became the mother of twin babies. There would be nothing unusual in this occurrence were it not for the fact that the wee tots are directly opposite in color, one being black and the other white. The father is colored while the mother is white, and the twins are the first additions to the family. The twins are bright and healthy, and hundreds of people have been attracted to the Gilbert home to see the babies, of whom the mother is very proud. This is the second time in the history of the medical profession that such births have been reported, and consequently the Michigan City twins are rarities.

CONGRESSMAN MORSE

Tells the Wonderful Curative Powers of Dr. Greene's Nervura.

Hon. Elijah A. Morse, Member of Congress from Mass., Used Dr. Greene's Nervura in His Family with Astonishing Benefit.

HON. ELIJAH A. MORSE, MEMBER OF CONGRESS FROM MASSACHUSETTS

Hon. Elijah A. Morse, of Canton, Mass., Member of Congress from Massachusetts, forwards his endorsement of the remarkable curative powers of Dr. Greene's Nervura blood and nerve remedy, together with a letter from his sister, Mrs. Albert F. Morse, who writes to the people concerning her wonderful cure by this grand restorer of health and strength.

Congressman Morse is a statesman of power and influence in Congress and his own state holds him in highest honor having elected him Representative in the Legislature, Member of the State Senate, and one of the Governor's Council. A business man of high order, he is known throughout the world as the manufacture of the Rising Sun Stove Polish, which is sold in every nation of the earth.

Congressman Morse says:

"My brother's wife received great benefit from the use of Dr. Greene's Nervura. She has been a long time ill and other medicines failed. She is greatly improved by the use of Nervura. She had insomnia and nervousness and can now sleep well. There is no question that Dr. Greene's Nervura is a valuable remedy and it is a down right benefit to nervous affections."

Mr. Morse's sister, Mrs. Albert F. Morse, of Canton, Mass., says:

"I had been in feeble health for 23 years and had employed all the usual means for cure without much benefit. I have had many hemorrhages of the lungs with severe neuralgia and insomnia.

"My friends had used and knew of the good results from Dr. Greene's Nervura and recommended its use to me. I have now used three bottles and received help from the very first. I have now become so much benefited that I can say that I am in the best health that I have enjoyed for three years. I sleep well and soundly and my food does not distress me at all.

"I can heartily recommend Dr. Greene's Nervura to any person on account of its good effects on myself and friends."

Surely no one who reads this positive proof of the marvelous powers of Dr. Greene's Nervura to make the sick well, the powerful endorsement of this grandest of medicines by one of Massachusetts' foremost statesmen, will hesitate another instant in seeking the sure road to health by using Dr. Greene's Nervura.

It is what the world of sufferers needs. It is the great cure for weakness, nervousness, tired-out bodies, shaky, unsteady and weakened nerves. It gives power and strength to nerves and body, with restored vigor and renewed vitality; makes rich, red blood, cures dyspepsia, indigestion, constipation, kidney and liver complaints. It banishes headache, sleeplessness, neuralgia and rheumatism. In fact it makes the sick well. Use it and prove for yourself its wonderful power to cure.

Dr. Greene's Nervura blood and nerve remedy is not like the preparations put up by irresponsible and unprofessional people, but is the prescription and discovery of a widely known physician, Dr. Greene, of 35 W. 14th St., New York City, the most successful specialist in curing nervous and chronic diseases. It is plainly evident therefore why it always cures—because it is perfectly adapted for just these complaints. Another thing which can be said of no other medicine, and which practically assures a cure by Dr. Greene's Nervura, Dr. Greene, its discoverer, can be consulted free, personally or by letter.

WEST BEAVER.

The picnic at the Ridge on last Saturday was well attended, considering the weather. A large delegation represented Mifflin county. We all felt disappointed that Prof. Bowersox's address was cut short on account of the rain. His subject was the simple word, "No"....Mr. and Mrs. Shilling spent Sunday with some of their Snyder county friends. They now reside in Big Valley, Mifflin county....In the event of Bryan's election, the republicans will at least have the advantage of paying their lost bets in 51 cent dollars....The iron bridge at Fisher's dam is completed and looks like a good job....Some of our farmers have not sowed any grain yet. The fields of others look nice and green....Don't forget the bean soup at McClure on next Saturday for that is the last gathering in the shape of a picnic this season in West Beaver. Able speakers are billed to be on hand....Whiskey, fast driving and reckless young men are found at almost every gathering. Such was the case on last Saturday by a party from Lewistown. Their county treasurer should always know to whom he hires a good team.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Graybill, Garman & Co.'s Store, Richfield, Pa., and all druggists. Regular size 50c. and $1.00.

Death of Mrs. John Deitrich.

The estimable wife of Jno. Deitrich of Franklin township breathed her last on Thursday of last week. Her maiden name was Wittenmyer, being a first cousin of Samuel Wittenmyer of this borough. Fifty years ago she was married to her husband who survives her and now mourns her loss. She has lived a long and spotless life having reached the ripe old age of 82 years, 9 months and 16 days. Rev. D. E. McLain officiated.

Death of Regie Miller.

After an illness of one week the wife of Dr. E. M. Miller of Beavertown and daughter of A. H. Swartz of Troxelville, died on Friday morning at 6 o'clock. In the death of Mrs. Miller the doctor has lost a devoted wife, the town and vicinity a good neighbor, the church a christian lady, one that had few enemies but a host of friends. The funeral was held in the Troxelville Lutheran church of which she had been an active member. The funeral was one of the largest ever held in that church; the large audience room was packed with people and did not hold near all the people. Rev. Kautz of Adamsburg and Rev. Hilbish of McClure officiated. She died at the age of 21 years, 11 months and 23 days. She leaves a husband and one child to mourn her loss. May this again teach a lesson to every one that in the midst of life there is death. We extend our sympathy to the Doctor and friends.

Mass Meeting at Beavertown.

Republicans from all parts of the county flocked to Beavertown last Friday evening. The Republican club from this place was present as were also clubs from Adamsburg, McClure, Troxelville and other places. The speakers were J. A. Lumbard Editor of the *Tribune*, Hon. C. W. His Lip Gone.

M. M. Nicholson, who lives at the corner of Curran and Anderson Sts., Atlanta, Ga., had a cancer for years. It first appeared on his lip and resembled a fever blister, but spread rapidly and soon began to destroy the flesh. His father and uncle had died from Cancer, and he sought the best medical aid in different cities, but it seemed impossible to check the disease. Several operations were performed but the cancer always returned. This continued for years until the partition in his nose and his entire upper lip were eaten away. All treatment having proved futile, he looked upon death as the only relief.

"Some one recommended S.S.S." he says, "and a few bottles afforded some relief; thus encouraged I continued it, and it was not long before the progress of the disease seemed checked. I persevered in its use, and remarkable as it may seem, I am completely cured, and feel like I have new life. S.S.S. is the most remarkable remedy in the world, and everyone will agree that the cure was a wonderful one."

A Real Blood Remedy.

Cancer is in the blood and it is folly to expect an operation to cure it. S.S.S. (*guaranteed purely vegetable*) is a real remedy for every disease of the blood. Books mailed free; address Swift Specific Co., Atlanta, Ga.
