ALINE

The angel of death has visited our community and has taken away two victims, namely, Mose-Troup aged 73 years and Mrs. Jacob Trutt, of typhoid fever, aged 66 years. . . . The protracted meeting at the Grace's church closed last Sunday evening, but it is now in progress at the St. Thomas church where 9 are seeking God's love to know and several have already found the prize of greatest price. . . . Rufus Ramsey and family were the guests of Benjamin Broscious' on Sunday. . . . Miss Annie Martin had been ill with symptoms of typhus fever. We are glad to say she is again recovering. . . . Miss Ida Goodling who had been engaged by Mr. Rathfon, confectioner, during the holidays, has returned home.

Helpless Rheumatics!

Rheumatism is no respecter of persons—the healthy and vigorous are as liable to its attacks as the weak. The symptoms of the disease are almost unnoticed at first, so insidiously do they steal over the body; gradually the little pains and stiffness increase, until they develop greater inconvenience day by day. The knees, ankles, and other joints of the body ache constantly, swelling to several times their natural size; the patient finds himself unable to get around; is soon incapacitated for business, and later is confined to his bed, utterly helpless. It is a great mistake to expect relief from such condition by the application of liniments and other external remedies. The medical profession admit that the disease is in the blood, and it is but reasonable that only a blood remedy, one purely vegetable, and free from potash, can afford relief. S. S. S. (Swift's Specific) is an unfailing remedy for Rheumatism, and has cured the severest cases, where other remedies failed to reach the disease.

Mr. Frank T. Reynolds, of Dalton, Ga., was a sufferer from Rheumatism since his boyhood. He writes: "Ever since I was twelve years of age I have suffered intensely with Muscular Rheumatism, which, at one time, kept me in bed for eighteen months. I took all kinds of treatment, and visited many famous springs, but could get only temporary relief; the disease always returned, and at times was so painful that it was impossible for me to use my arms and legs. I tried almost everything that was suggested, and after eighteen years of suffering, S. S. S. was recommended, and I was happy to, at last, find a cure for this painful trouble. S. S. S. seemed to get at the disease promptly, and afforded immediate relief."

The experience of Mr. E. J. Gibson, of Madison, Ga., was similar to the above. He says: "I tried almost every rheumatic remedy I heard of, but grew worse instead of better. The sharp, aching pains, peculiar to Rheumatism took possession of my entire body, and the suffering I endured was intense. I was soon unfit for business, and became as helpless as a child. The potash prescriptions of the doctors almost ruined my digestion, and I found no relief in anything until S. S. S. (Swift's Specific) was recommended. Several bottles cured me completely, and for more than four years I have not had a symptom of Rheumatism." S. S. S. is unlike the many blood tonics on the market, for it cures the most obstinate cases, which they can not reach. It is a real blood remedy, and is the only one guaranteed Purely Vegetable.

It cures Cancer, Scrofula, Contagious Blood Poison, Eczema Rheumatism, Catarrh and other blood diseases, it matters not how deep-seated. Books on blood and skin diseases mailed free to any address. SWIFT SPECIFIC CO., Atlanta, Ga.

Your Vitality?

The essence of life is force. Every breath you breathe, every heart beat, every motion of your hand, takes force. The measure of force we call vitality. If this is lacking, there is loss of flesh, lack of resistive power, a tendency to catch disease easily, especially a tendency to Consumption. For low vitality nothing is better than Scott's Emulsion. It supplies force by furnishing the nourishing, strengthening elements of food in an easily digested form; enriches the blood, and builds up the system. When ordinary food is of no avail, Scott's Emulsion will supply the body with all the vital elements of life.

Two sizes, 50 cts. and \$1.00. All druggists. If you will ask for it we will send you a book telling you all about Scott's Emulsion. Free. SCOTT & BOWNE, New York.

—A Few Testimonials—

Hard of Hearing for 35 Years, Caused by Catarrh, and Cured by Dr. Salm.

Rev. J. D. Leister, Swales, Pa. Replying to your inquiry, as to testimonial with my signature, published by Dr. Salm, will say that I was under his treatment for ten months for my hearing. It was Catarrh of the middle ear, and like yourself, could hear better some days than others, hear better in noise. My hearing was very much improved by the treatment, and have no doubt, but that he can help you. Dr. Salm appears to be an honest man and he will tell you the truth, whether he can help you or not. If I were you, I would certainly consult him. I was longer afflicted than you. My hearing was bad in one ear for about 25 years, and in the other for about 34 or 35 years. Hoping that your hearing will be entirely restored I remain, Isaac Pierson, Bedford, Bedford Co., Pa.

Case of Caarrh cured by Dr. Salm.

For 7 years I have had a bad case of Catarrh, took cold continually and always had headache; a bad stomach, as well as too many accompanying troubles to mention. But now, after only a short treatment of Dr. Salm, I am almost a new man. Henry Treon, Sunbury, North'd Co., Pa., Sept. 9th, 1896.

After the Country Doctors had Given Him up as Incurable, Dr. Salm Cured Him.

I must truly say that Dr. Salm has treated me well and I have improved wonderfully under his skillful treatment, even after our country doctors had given me up as incurable. J. P. Widdemeyer, Paxtonville, Snyder Co., Pa., Aug. 24, 1896.

Cured of Stomach, Liver and Nerve Trouble by Dr. Salm.

For more than 7 years I have had a bad Stomach, Liver and Nerve trouble. Became so weak that I could not work any more. For six and one half years I have tried the best doctors in this County but got worse and worse, but now, after a short treatment with Dr. Salm, I am able to attend to my daily labors again, putting in a good day's work. Eat splendidly and have gained greatly in weight. Philip R. Enders, Dalmatia, North'd Co., Pa., Sept. 9, 1896.

Received Great Benefit.

I have received great benefit from the three months' treatment I have taken from Dr. Salm for which I feel very grateful. L. F. Porter, Butler, Butler Co., Pa., Aug. 1st, 1896.

Mr. Secretary:— You asked me why I did not come back last month. The medicine Dr. Salm gave me helped me so much, that I thought it was not necessary to return at present, but however, if I need any further treatment he is my Physician. He came me of scrofula about one year ago, snatched me you might say, from the grave. Mrs. A. E. Meyer, Linden Hall, Centre Co., Pa., July 14, 1896.
