

**RHEUMATISM CURED.**

The Great Remedy, Dr. Greene's Nervura, Always Cures it.

Mrs. Mary Meehan, West Concord, N. H., writes: "I was sorely afflicted with rheumatism for more than six months, and it seemed to affect my whole system, pains and stiffness of muscles and joints to which was added the more acute pains of sciatica."

**MT. PLEASANT MILLS.**

The newly organized orchestra appears to be meeting with success. The St. John's Choir took part in the program at the musical convention at Freeburg on Saturday evening and the members feel well pleased at the manner in which they were treated by Freeburg's citizens. Rev. Ritter from Berzysburg preached an interesting sermon on Sunday in the German language in the Lutheran church. W. H. Britton of Freeburg spent Sunday in our town. D. S. Heintzelman, wife and daughter spent last week visiting relatives in Northumberland county. Candidates are too numerous to mention, but we are glad to see you all. Prof. L. Hummel, Gordon, Schuylkill county, will lecture one week in the Fremont school house, beginning Feb. 1st. Topics will be relative to Phrenology. T. G. Arbogast and wife attended the joint institute at Richfield Friday evening and Saturday. Constable Roush was to Smithville on Saturday on official business.

The People Believe what they read of Hood's Sarsaparilla. They know it is a medicine, and that it cures disease. That is why you should get Hood's and only Hood's. Hood's Pills cure all liver ills, relieve constipation and assist digestion, 25c.

**ALINE.**

F. Markley sold a valuable horse last week. A. J. Kabriter George Reichenbach made a fly-trip to the Freeburg musical convention on Saturday. The members of Perry township held district institute at the Aline school house on Wednesday evening where the order was far from what it should have been. It disgraced the community to such young people who do not meet meetings of such a kind or do not even respect services in the churches. They will their next meeting at Fremont where the order heretofore has been good. Miss Clara Ramsey, is employed at Philadelphia, is to spend a few weeks visiting parents. Meetings at the St. James church is still in a progression. Mrs. Riley Weaver is on the sick list at writing.

**KREAMER.**

Gordon was to Beavertown last week. Miles Wetzel and Annie, of Steelton, were attending the funeral of Henry last Saturday. W. A. Hummel Reuben Hummel made a trip to Adamsburg on Monday. John Walter was over at last week. John Hilbish of Tuckeyhoe and Peter and wife of Selingsgrove attended the funeral on Saturday. Mrs. Fields is confined to her bed with a severe attack of rheumatism.

**NEW BERLIN.**

The skating on the dam is excellent and the people in general are taking advantage of it. The Maize sisters, who were sick with typhoid fever, are better. Irvin Hummel and Sam. Benfer, two of Snyder county's able musicians, were playing at different places on Saturday evening. The revival in the Evangelical church is in progress and some good work is being done. A number of our citizens have filled their ice houses. It is reported that our genial hotel man, Sam. Kauffman, is going to the Keystone Hotel at Selingsgrove. We are sorry to lose Sam. Frank King was a Centreville visitor on Saturday. Seth Mitchell was out buying up hogs for Hains & Co. last week. F. A. Walter was home to visit his father at Middleburgh on Saturday. Some of our town boys have the habit of throwing snow balls at aged people when they walk the streets. Have a little more common sense boys.

**KREAMER.**

Lewis Magee and wife of Lewisburg visited James and Irma Magee last week. Henry Groover and wife, formerly Mrs. Rosa Reihl, and Samuel Reihl and sister of Lewisburg were visiting friends at this place over Sunday. Quite a number of our young people attended the musical concert at Freeburg. Jackson Miller of Paxinos and Miss Alice Row of Paxinos, formerly of this place, were married at the latter's home on Sunday by Reverend Selma. We wish them happiness.

**THREATENED CONSUMPTION.**

A Typical Case of Catarrh Cured by Dr. Hartman's Free Treatment.

A farmer's wife has been troubled from childhood with catarrh. Until within the last few years, she has not been treated for it. But it has become so much aggravated that she consults her physician. He treats her and she perseveres faithfully, without avail, for months. Then she tries a physician in the city. Although his charges are exorbitant, her husband gladly pays them; but she gets no better. The farmer in despair, sees his wife growing paler and weaker every day. A cough sets in, and consumption is near.

At last they read about Pe-ru-na. The husband writes to Dr. Hartman and receives an encouraging and sympathetic answer. They continue the correspondence all the while she takes Pe-ru-na, receiving new advice and assistance in every letter. Her symptoms leave her one by one. Her color returns. Her cough ceases. At last she is well. In her gladness of heart she writes to Dr. Hartman, anxious to have her cure told to others that they also may be saved.

**Condensed Testimony.**

Chas. B. Hood, Broker and Manufacturer's Agent Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a cough remedy. J. D. Brown, Prop. James Hotel, Ft. Wayne, Ind., testifies that he was cured of a Cough of two years standing, caused by La Grippe, by Dr. King's New Discovery. B. F. Merrill, Baldwinville, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any other doctor, because it always cures. Mrs. Henning, 222 E. 25th St., Chicago, always keeps it at hand and has no fear of Croup, because it instantly relieves. **G.A.R. COMMANDER**

Jas. S. Dean, Gen. Grant Post, Roundout, N. Y. CURED OF DYSPEPSIA. Commander Dean writes: "As Chief U. S. Mail Agent of the U. S. D. R. H., good health is indispensable. I found myself however all run down with Dyspepsia, I doctored, and doctored, but I grew worse. I suffered misery night and day, for fully two years. My case was pronounced incurable. I chanced to meet Dr. Kennedy about that time, and told him of my condition and he said, try a bottle of

**DR. DAVID KENNEDY'S FAVORITE REMEDY**

take it morning, noon and night, and it will cure you. I took the medicine as directed, but had no confidence in a cure, as my case had been tried by so many. After using it a week I began to feel better, and in a short while after that I was entirely cured. That terrible distress, everything I ate, breaking up sour in my throat had all gone and I have not had a moment's discomfort since. To-day there is a healthier man and my appetite is grand."

**WEST BEAVER.**

The principal visitors at this end are candidates looking up their friends. W. Y. McLaughlin was called to Lewistown last week to attend the funeral of his niece, Mrs. Glazier (nee Hull). After a long illness Mrs. Wm. Steely, mother of J. J. Steely, was relieved of her sufferings by death on last Saturday evening. The old gentleman is confined to his bed from the effects of a hard fall he received some time ago. He, being an old man, his recovery is doubtful. George Snyder of McClure and Miss Alice Herbster are reported to be among the missing and their whereabouts not known. Mrs. Snyder grieves a good deal more over the loss of her money that was taken, than she does over the husband. Our constable, Geo. Benfer, has been busy at this end for the past few days in bringing criminals into the courts of justice. Ex-Commissioner, Thomas Herbster, was around last week settling up with the men he had employed at the county bridge at Fisher's dam. Warrie McG. spent a day with his friend James Weader last week and reports a good time. The report is that Frank Peter is a candidate for the Crossgrove post-office. Charles Smith of Banererville was the first man to take advantage of the snow fifteen minutes after it commenced falling on Sunday by giving his family a sled ride. T. F. Swineford was called to Adamsburg on business last Saturday evening. The medicine peddler, "Beck", was through here a few weeks ago, and prophesied with the folks, that there would be an election at this end and a married man of McClure would be one of the party. Strange how queer it is. The voters, of West Beaver have decided to select the best men to fill the different offices at the coming primary election.

**HOW TO FIND OUT.**

Fill a bottle of common water glass with urine and let it stand twenty four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

**WHAT TO DO.**

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp Root, the great kidney remedy, fills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Post and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
