The People Believe what they read about Hood's Sarsaparilla. They know it is a great medicine, and that it cures disease. That is why you should get Hood's and only Hood's. Hood's Pills cure all liver ills, relieve constipation and assist digestion. 25c.

At Dundore, Feb. 20, Barbara Shortzberger, wife of Jacob Shortzberger, aged 64 years, 5 months and 21 days.

HOW TO FIND OUT.

Fill a bottle of common water glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root is soon realized. It stands the highest of its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Post and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

The Keating Wheel.

The rapid growth of the popularity of the bicycle and the large industries which its manufacture has developed are almost phenomenal. To contemplate the marvelous development that has been recorded in cycle construction in the past few years makes this development seem too wonderful to be true, but we know it is, and judging from the experiences of the past, the future may have a great deal in store for us.

In speaking of the perfect wheel to-day we do not refer to department store bargain cycles, but to the peerless samples of mechanical ingenuity that are recognized as standard wheels, that have world-wide reputations and sales, and are known to embody every improvement. There is no wheel more fitting to be named as a single representative of this class than the Keating, made by the Keating Wheel Company, formerly of Holyoke, Mass., but now in larger and better quarters at Middletown, Conn. The enforced removal of this company in order to meet the demands of their increasing trade is but one proof of the remarkable popularity of the Keating wheel. This wheel is the result of eight years of experimenting, and the valuable lessons of that time have been utilized in the production of the '97 Keating, which stands without a peer in construction and popularity. This wheel has its individual frame, as the most popular cycle phrase, "See that curve," well proves; and it is also fitted with Keating double roller noiseless chain and an improved crank shaft. It is a beauty in finish and design and unrivaled in construction. *Finance and Commerce, Feb. 26, 1897.*

A Revelation to Weak Women.

Weak, nervous women who suffer from female complaints, irregularities, discharges, backache, etc., get no sympathy because they "look well." No one but the physician knows what they suffer, and no one but a great specialist in female diseases like Dr. Greene, 35 West 14th St., New York City, the most successful physician in curing these complaints, has the knowledge, skill and remedies which never fail to cure. Women should know that Dr. Greene can be consulted by mail free. Write the Doctor. You can thus get his opinion and advice in regard to your case free. Write now—it may result in your cure.

TROXELVILLE.

(Too late for last week.)

As you would like to have news from this vicinity, I will try to send you some, although news is scarce at present. J. O. Berge is the happy father of a little girl. A surprise party was held at George Norman's one day last week. About 40 persons were there. A brand new organ was placed there by Solomon Steininger. Three violinists were present. The music was kept up till 1 o'clock in the morning. J. E. Fetterolf started a singing class on Friday evening. It appears to be a grand success. About 40 members were present the first time. This place was well represented at court last week. G. E. Herman of Middleburgh was with his parents on Monday night. Mrs. Jesse Gearhart has been suffering with consumption for about eight weeks. Her recovery is doubtful. M. J. Courtney of near Middleburgh, who is canvassing for the "Post", was at this place last week. Success to Millard. Anybody wishing to buy an "Ohio Sulky Cultivator" or a "Steel Field Roller" call to G. E. Herman, Middleburgh. Last Sunday Rev. Landis gave us a good sermon on Ananias and Sapphira of true and false giving. Well now we have a republican administration again and I do hope that this country will be more prosperous for the next four years than it has been for the last four years. Success to McKinley.

The heirs of Hiram Herbster, have ordered of M. L. Miller, the Selinsgrove marble dealer, a large Quincy Granite Monument weighing 6900 lbs. It will be erected in Black Oak Ridge cemetery in West Beaver township near Crossgrove where 2000 people are buried and this will be the first granite monument to be placed in that cemetery. This speaks well for Mr. Miller's work.

MOTHER! There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it.

Mother's Friend so assists nature in the changeling place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but

MOTHER'S FRIEND

"My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to any one expecting to become a MOTHER," says a customer. HENDERSON DALE, Carmi, Illinois.

Only One Standard

You and we may differ as to money standards and out of our very differences good may come. But we won't differ as to the merits of one standard emulsion of cod liver oil.

SCOTT'S EMULSION has won and held its way for nearly 25 years in the world of medicine until to-day it is almost as much the standard in all cases of lung trouble, and every condition of wasting whether in child or adult as quinine is in malarial fevers.

Differ on the money question if you will, but when it comes to a question of health, perhaps of life and death, get the standard.

Curious Facts About March 4.

No fears need be felt, by this generation at least, that our Presidents cannot be inaugurated on the 4th of March as in the past times on account of that day happening to fall on Sunday, as such an occurrence will not take place until the year 2717. After that date for 168 years, week days will be on hand. After 2985 people must wait 84 years before the inauguration will be postponed because of a Sunday 4th of March. Not to be too long about it we may say that from 1889—our last Presidential Sabbath as it might be termed—such an event will occur but eleven times until 4621 and by that time most of us will, we hope, be out of our misery.
