

Beware Of the Knife.

Mr. Lincoln Nelson, of Marshfield, Mo., writes: "For six years I have been a sufferer from a scrofulous affection of the glands of my neck, and all efforts of physicians in Washington, D. C., Springfield, Ill., and St. Louis failed to reduce the enlargement. After six months' constant treatment here, my physician urged me to submit to a removal of the gland. At this critical moment a friend recommended S.S.S., and laying aside a deep-rooted prejudice against all patent medicines, I began its use. Before I had used one bottle the enlargement began to disappear, and now it is entirely gone, though I am not through with my second bottle yet. Had I only used your S.S.S. long ago, I would have escaped years of misery and saved over \$150."

This experience is like that of all who suffer with deep-seated blood troubles. The doctors can do no good, and even their resorts to the knife prove either fruitless or fatal. S.S.S. is the only real blood remedy; it gets at the root of the disease and forces it out permanently.

S.S.S. (guaranteed purely vegetable)

A Real Blood Remedy.

is a blood remedy for real blood troubles; it cures the most obstinate cases of Scrofula, Eczema, Cancer, Rheumatism, etc., which other so-called blood remedies fail to touch. S.S.S. gets at the root of the disease and forces it out permanently. Valuable books will be sent free to any address by the Swift Specific Co., Atlanta, Ga.

WEST BEAVER.

Robert Knepp lost a valuable cow the day he moved by dropping dead on the road. Dr. Swineford made an examination and pronounced the cause of her death heart failure, which was caused from her breathing department not acting properly. John Weiland moved to the farm vacated by Robert Knepp. Mrs. W. G. Smith's sale on last Friday was well attended considering the wet day. Horses brought from \$5 up to \$42. H. M. Ush of Lewistown was the auctioneer. Mrs. Jas. Erb and family of Lewistown attended the sale. Wm. Wagner is improving slowly from his broken knee cap, under the care of Dr. Wagner of Beaver Springs. I heard of a man who traded his wife for a pipe. I'll bet she was a woman who would not allow him to smoke in the house. The surprise party at L. B. Treaster's last Saturday evening was well attended and many presents were given. It was given for the benefit of their grand son, Eddie. Refreshments were served to the satisfaction of all present. C. Houser has disposed of the Lowell store to Mrs. C. A. Jenkins. The Ridge School term ends in eleven days from Monday and then the garden will be dug by the small boy in search of fish bait.

[Too late for last issue.]

The sale on last Thursday was well attended. Things sold low until in the afternoon, then it seemed as if every one had lots of money, cause McKinley. Samuel Baumgardner and family and Wm. Hook and family spent Sunday with Levi B. Treaster. The funeral of Dr. R. Rothbrock was well attended considering the day. The different orders he represented turned out to pay their respects to the remains of their comrade and brother. Mrs. H. Fisher of Grauville, Minlin Co., has been visiting at Henry Houser's for the past week. Henry Houser and wife spent Sunday with their son-in-law, Henry Baumgardner. J. J. Steely entertained on last Sunday several of his Lowell friends. For the occasion they had slaughtered old John, the rooster, and the dinner was appreciated by all present. Robert Knepp moved from D. B. Hassinger's to Paul Knepp's farm in Spring Twp. Amos Wagner and family have returned to McClure from Shamokin, where they had been staying for the past 7 months. W. H. Knepp, the Crossgrove blacksmith, now sits behind a blooded horse that has been known to go in 14.75 and not wet a hair. McClure, now stick to your man and see that he gets bail so he can see that all the poor have shelter and something to keep soul and body together.

FREEBURG.

B. F. Harley, one of our enterprising merchants, has a brand new market wagon built by Geo. B. Straub. It attracted attention when it first appeared on our streets with John Miller driving the noble black horse with new express harness on him. Representatives of the Lutheran congregations of Freeburg, Fremont, Grub's and Keiser's convened in the church at Freeburg on the 10th inst. and organized the Freeburg parish, consisting of the above named congregations. They agreed to call Rev. Drucker Miller of Mt. Airy Lutheran Seminary to preach trial sermons at Freeburg. Saturday the 20th inst. at 2 p. m. in German; Sunday, 21st inst. at Grub's, at 10 a. m.; at Fremont, 2 p. m., and at Freeburg at 7 p. m. English. Rev. Drucker Miller will be ordained at the meeting of Synod early in June at Norristown, Pa. Rev. Ochsensford, D. D., Pres. of Conference, presided over the meeting and gave instruction concerning the organization of the charge. The auditors of Washington township met the supervisors, overseers of the poor and collector in the office of Wm. Moyer, Esq., last Monday and audited their accounts. The finances of our township are in a favorable condition. John Houtz purchased a splendid upright piano. His sister, Mrs. Bratton, of Lewistown represents the maker of the piano. The hands working in the cigar establishment of John Houtz last Saturday afternoon after having received their pay, raised a contribution out of the money received and sent it to the famine sufferers of India. The Union Christian Endeavor Society at their meeting Sunday evening also contributed for the same purpose. This is practical christianity and will repay the donors a hundred fold. Representatives of the Selinsgrove Lodge of I. O. O. F. were present at the Freeburg Lodge last meeting and rendered valuable assistance at the initiation of a candidate and conferring degrees. The address given by Rev. Deible before the Lodge was highly appreciated. Judge Brown, John K. Moyer and Samuel C. Moyer represented Freeburg at the inauguration of President McKinley. Our supervisors and tax-payers are discussing the best way to improve our roads. This is a living question.

JUDGES' DECISION SUPREME.

Important Judges' Decision that Dr. Greene's Nervura is the Most Wonderful Remedy in the World to Cure.

This is Also the Verdict of the Entire World. The All-Powerful Curative, Health-Giving Properties of Dr. Greene's Nervura Established Beyond Doubt. The Greatest Discovery of Modern Science. The Remedy Which Makes Health and Strength Possible to All. The Great Spring Medicine that the People Want and Insist on Using.

Judge J. H. Hastings.

Judge Edwin C. White.

Judge J. P. Fisher.

The decision of the court is the highest and best of evidence. When eminent Judges hand down a decision, it is only after the most thorough researches and investigation. Three distinguished Judges have recently brought in a decision which affects the whole people of the entire country, affects everybody everywhere, in fact, for it is given in the interests of the health of the community.
 The eminent Judge J. H. Hastings, Waitsfield, Vt., says:
 "I have heard Dr. Greene's Nervura blood and nerve remedy most highly recommended by my friends and neighbors who have used it, and know of several decided cases where people have been in a very feeble state of health and had failed to get relief from the usual sources. A lady who lived in my family has often spoken of the wonderful good which Dr. Greene's Nervura blood and nerve remedy has done her mother, who was cured of nervous prostration by its use. One of my near neighbors who used the Nervura and derived benefit from its use advised me to use it in my own family. They are all enthusiastic in its praise, and I join in the same."

The learned Judge Edwin C. White, Hyde Park, Vt., renders decision in the following enthusiastic words which will give renewed hope to the weak, sick and suffering:
 "I have used Dr. Greene's Nervura blood and nerve remedy in my family and am pleased to say, with good results. My wife had been troubled with indigestion, which produced nervousness which might have been serious and at times troubled her greatly. We had tried many things for her relief, but without success. I saw the wonderful cures claimed for Dr. Greene's Nervura and resolved to give it a trial, and it gives me pleasure to say I am glad I did. My wife now sleeps well and is greatly benefited from indigestion, having had only one slight return (where they had been daily) since taking the Nervura. I give permission to print this unqualified testimonial."
 The distinguished Judge, J. M. Fisher, Cabot, Vt., gives in his decision the highest evidence that Dr. Greene's Nervura blood and nerve remedy is the best medicine a person can use to restore health and strength. He says:

"Last winter my wife was very sick, taken down with the grip very severely. We employed the usual methods of physicians and she improved some, but was left very feeble, so that she could hardly get around the house. She continued along this way, until a friend advised us to use Dr. Greene's Nervura blood and nerve remedy. We used two bottles of this medicine, and I am rejoiced to say that she is much improved. I think it is the best remedy we have been made acquainted with, and have no hesitancy in recommending it to others."
 Dr. Greene's Cathartic Pills are the sure cure for biliousness, sour stomach and constipation. Small, sugar coated, easy to take, certain and pleasant to act.
 Remember that Dr. Greene, 35 West 14th St., New York City, who is the most successful physician in curing diseases, can be consulted free, personally or by letter. There is nothing to pay for consultation, examination or advice, and this fact together with the low prices of his wonderful health-giving medicines, place a sure cure in reach of all.

GLOBE MILLS.

I am sorry to say that our Sunday school has lost some of its best workers in the family of Geo. Bolig, who moved to Winfield. On Friday night a birthday surprise party was given in honor of Autes Ulrich who is 73 years old. The Globe Mills Orchestra furnished the music. Howard Roush, who lives in the mill house, is going to move on Allen Smith's farm and Mr. Smith is on the Yoder's farm. Our blacksmith Sam Stuck who was confined to the house for the last few months is better. Mrs. A. C. Fields and son George of Mt. Carmel are visiting at S. H. Yoder's family.

FOR CHRISTIAN ENDEAVORERS.

An Offer to Pay the Fare of Delegates to the San Francisco Convention.
 Thousands of Christian Endeavor workers who would like to attend the Sixteenth International Convention which will be held in San Francisco in July of this year are deterred from thinking seriously of doing so on account of the expense of the long journey. This has been called to the attention of "The Philadelphia Press," and the publishers of that journal have decided to furnish free any number of railroad tickets from Philadelphia to San Francisco and return to representatives of Christian Endeavor Societies who will render a trifling service to "The Press." The offer involves the possible expenditure by "The Press" of thousands of dollars and opens the way for all Christian Endeavorers to enjoy the experience of a lifetime—a journey across the continent under the most favorable auspices. Write to "The Press" for details of the offer.
