The dreadful day—April First is here, the fitters are "on the move," and the fellows who have financial obligations to meet, are looking about for the cash to liquidate them. Subscribers of the Post who will change their postoffice address this spring should notify us of the fact, giving both the old and new address so as to insure prompt delivery of the paper. The bill to prohibit treating to intoxicating liquor was killed in the State Senate Wednesday by a vote of 23 yeas to 13 nays. The Senatorial patriots considered this bill un-American. Venus, that brilliant evening star which has been attracting so much attention, was most brilliant Sunday evening. It will gradually pass to the east and in April will become a morning star. The young members of the U. B. church have organized a young people's prayer meeting to meet in the U. B. church every Saturday evening. They invite the young people of the other churches to join them. What a faithful old soldier that fellow must have been who introduced a resolution at a G. A. R. Post meeting against a soldier applicant for postmastership. The honest old soldiers "squat on the proposition." G. L. Russel, cashier of Russel and Sons bank at Lewistown and S. R. Russel, cashier of the bank of the Guarantee Safe Trust and Deposit Company of Shamokin, were royally entertained by our popular bank cashier, J. N. Thompson, Jr. We learn that Mrs. Harry A. Bibighaus of Philadelphia, formerly Sallie Bibighaus of this borough, became entirely blind in one eye in a very short time. An operation by specialists availed nothing. Her many friends will regret to hear of her misfortune. T. H. Harter, editor of the Bellefonte Gazette was at our county seat last Friday night, the guest of J. M. Steininger. Tom. is full of stories and reports everything lovely at Bellefonte. He is an admirer of Dan. Hastings, an article that is scarce in Snyder county. Samuel Rumbaugh, who has successfully conducted the Kremer hotel for a great many years, last week retired from the business. He has moved to the lower end of town. Mr. Thomas is the new landlord, who no doubt will give his guests the very best attention. Beginning with last Thursday all outgoing and incoming mails will be weighed by the employes of the postal service in office and on trains. The weighing, which takes place every four years, will be completed in thirty days and on it is based the compensation paid to railroads for transporting the mails.

Read the Roll of Honor. Is your name there? If not, why not? William Martin of Jackson township was at the county seat on Monday. C. S. Graybill of Richfield one of the old reliable citizens of that district, was in town on Monday. David Heintzelman of Franklin township has moved to Monroe township and will farm for Peter Loag. H. F. Kremer, the boot and shoe maker of Sweet Hope and Miss Nettie Moyer were county seat visitors Monday. \$40 per month and expenses paid good men for taking orders. Steady work. Apply Protective Nurseries, Geneva, N. Y. P. T. Brosius of Aline, one of the county's successful pedagogues, was in Middleburgh Tuesday on his way to New Berlin. Samuel Bulick, one of Monroe township's good farmers called upon us Tuesday. He was a witness in the Hummel Estate suit. Come in early and get your Easter Hats. Come to see me even if you don't intend to buy. My goods are beautiful and prices way down. LIBBIE DUNKELBERGER. Rev. I. P. Zimmerman of Selinsgrove is calling upon our citizens exhibiting a choice line of Christian Literature. Give him a careful hearing. His literature should be in every home. Peter Long of Selinsgrove was called to the county seat on business last Saturday. Peter was a soldier during the late war and before that Snyder county politician ought to be purified. FARMY POULTRY—Buff Leghorn and B. P. Kock fowls for sale. Also eggs from pure bred. White Wyandotte, Buff Leghorn and B. P. Kock fowls, at .75 per lb or 1.50 per 30. Address, L. F. Go to Soles and you will make no mistake. Shaving soap, face cream, hair oil and egg-shampoo for sale. A. E. SOLES. The pupils of the Salem School and the teacher, J. F. Wagenseller, will render "The Turn of the Tide," a popular drama, in the school house on Thursday and Saturday evenings, April 8 and 10th. First night intended for patrons of the Salem School District and second night for the general public. Admission 10 cents. It is said that the Keating Wheel Co., Middletown, Conn., desire a good agent in Middleburgh. As the Keating is known the world over as one of the finest and easiest running wheels made, it would seem as though some of our business men might open correspondence with the Keating people to good advantage. The wheel is a ready seller. 3-18-44. It is stated by a New York exchange that a girl there kneads bread with her gloves on, but that is no news to us. We need bread with our boots on; we need bread with our pants on and if our friends who are so much in arrears don't pay us soon, we will need bread without anything on. In fact, to be well bred, is to provide us with the means to obtain bread. See? All wheelmen shall write at once to their Senator, Hon. Ed. M. Hummel, Selinsgrove, Pa. and Representative, Hon. Chas. W. Herman, Middleburgh, Pa. to favor Senate Good Roads Bill No. 9 but to do all they can against a tax upon bicycles. If we are ever to have better roads you must act now or wait two long years and continue riding and driving through mud after every rain. Sit right down and write the letter and help the cause along. W. D. BAKER.

On Monday and Tuesday of this week voluminous testimony was taken in the Equity case of John Hummel's estate. Thirty or forty persons including lawyers, witnesses and participants were present. "HEARTS FLUTTERING WITH DELUSIONS."—The following marriage licenses have been granted since our last publication: Lewis B. Dillman, Selinsgrove, Penn twp. Blanche Musselman, Bannerville, Wilbur Hummel, Bannerville, Elmina Phillips. Commissioners' Office. The commissioners met on Wednesday. They will deliver the assessors' books the latter part of the week. The assessors will begin work on Monday. Look Out for Him. We are told that an agent is working the picture scheme again in the county. He was in our town last Thursday night and stopped with Gabriel Beaver. He did not register, but paid his supper, lodging and breakfast in advance. He travelled toward Paxtonville Friday. Before he takes an order to enlarge a picture he requires 50 cents cash-in-advance. He promises to do his work for less than half what other firms require. We have been told of 3 different families that gave him orders for 10 pictures. Fifty cents in advance was required on each picture. It would not be right to call this fellow a fraud because he has promised to deliver the crayon portraits May 1st. Until May first he may be elsewhere, but we don't know where. Mrs. Howard Shambach near Paxtonville refused to give the fellow an order and advised the fellow to leave. The picture man gave receipts for all money paid him. He signed his name as "Looper". One receipt was dated Lock Haven, another Williamsport, while he told Gabriel Beaver that he was from Ridgway. We do not know what this fellow intends to do but other chaps who require 50 cents a picture in advance have never turned up and it is always safe never to pay in advance to a stranger. We have advised our readers against this 50 cents-in-advance picture business and if they will not take warning it is not our fault. Don't order any pictures or anything else unless you know the people or refuse to pay anything until delivered in a satisfactory manner. Reliable firms are willing to do this. Moved to Sunbury. C. C. Seebold, ex Treasurer of Snyder county, this week moved to Sunbury. Snyder county and especially Middleburgh loses a most enterprising citizen. He has faithfully served Snyder county as Treasurer for 3 years. For the past year he has conducted the Washington House and carried on the Sewing Machine and Piano business at this place, Sunbury and Shamokin. His business has grown so that he has decided to move to Sunbury to better look after his business. He has always shown himself to be one of the most enterprising citizens always lending a helping hand to every public movement. We part with Mr. Seebold with regret, but what is our loss is Sunbury's gain.
