I. Luck rec'd 7, Chas. Row and Willie Herman each 35—E Spelling Class, 5 pupils, started after New Year, 65 head marks of which Carrie Wagner received 33 and Sallie Row 12.

## HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty four hours. A sediment or settling indicates diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

## WHAT TO DO.

There is comfort in the knowledge often expressed that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, bad effects following use of liquor, use of beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp Root soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention post and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

## A Legal Notice.

The following strange legal notice appeared recently in a Western paper: "Whereas my wife, Hannah Jackson, better known to the public as 'Red-headed Han,' has left my bed board without just cause or occasion, this is to warn all persons not to trust the pesky critter any account. She will doubtless seek to marry again, and God help the man who gets her!"

## A Valuable Prescription.

Editor Morrison of Worthington, O., writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick headache, and as a general system restorer it has no equal." Mrs. Annie Shie, 2925 Cottage Grove Ave., Chicago, was all run down, could eat nor digest food, had a backache which never left her and felt old and weary, but six bottles of Electric Bitters restored her health and renewed her strength. Price 50 cents and \$1.00. Get a bottle at Graybill, Garman & Co.'s Store, Richfield, Pa., and all druggists.

## NEW AND POPULAR MARCH.

"Knights of Columbus" march step, by George H. Fischer. is an excellent piece for the pianoforte. It is written in six-eight time, and contains a melody that is attractive and pleasing to the ear. It is also the right swing for the two dance. Published by J. Fischer & Co., No. 7 Bible House, New York. Price, 50 cents.

## Mrs. Larson Resigns.

After seventeen years of service as the principal of the ladies' institute of Bucknell, Mrs. K. B. Larson, A. M., has sent in her resignation. Mrs. Larson leaves behind her a record of high scholarship and great executive ability. In 1867 Mrs. Larson, then Katherine B. Brown, was graduated at the Institute. After being instructor and acting principal, in 1882 she was elected principal. Mrs. Larson has the honor of being the first woman to receive an honorary degree from Bucknell University. In 1887 the University conferred upon her the degree, Master of Arts.

## The Ideal Peneca.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Peneca for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgas, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial Bottles Free at Graybill, Garman & Co.'s Store, Richfield, Pa., and all druggists.

## A NEW TRIUMPH.

The Dreaded Consumption Can Be Cured.

T. A. Slocum, the Great Chemist and Scientist, Will send to Sixty-Four, Three Free Bottles of His Newly Discovered Remedy to Cure Consumption and All Lung Troubles.

Nothing could be fairer, more philanthropic or carry more joy to the afflicted, than the generous offer of the honored and distinguished chemist, T. A. Slocum, M. C., of New York City. He has discovered a well-timed and absolute cure for consumption, and all bronchial, throat, lung and chest diseases, catarrhal affections, general weakness, loss of flesh and all conditions of wasting away, and to make his great efforts known, will send three free bottles of his newly discovered remedies to any afflicted reader of The Post.

Already his "new scientific system of medicine" has permanently cured thousands of apparently hopeless cases.

The doctor considers it not only his professional, but his religious duty—a duty which he owes to suffering humanity—to donate his invaluable cure.

He has provided the "dreaded consumption" to be a curable disease beyond a doubt, in any climate, and has on file in his American and European laboratories thousands of "heartfelt testimonials of gratitude" from those benefited and cured, in all parts of the world.

Catarrhal and pulmonary troubles lead to consumption, and consumption, uninterrupted, means speedy and certain death. Don't delay until it is too late. Simply write T. A. Slocum, 412 1/2 Pine Street, New York, giving express and postoffice address, and the free medicine will be promptly sent. Please tell the doctor you saw his offer in The Post.

## FREEBURG.

The Easter Cantata rendered by our combined choirs Sunday evening was a decided success. The parts were well chosen by performers whose voices were well adapted to the sentiments contained in the passages of Scripture concerning the resurrection. The beautiful soprano, the deep and sonorous bass, the changing alto, the organ, trombone, and other musical instrumental accompaniments, the prayer of Rev. Botsford and his reading of Scripture lessons, assisted by Mr. Miller of Selinsgrove, a student at Mt. Airy Lutheran Seminary, the large and appreciative audience who gave their undivided attention to the grand swell of music. All conspired to make the Easter Sabbath evening of 1897 a memorable event in the history of our congregation.

The visitors from Selinsgrove, Kreamer, Middleburgh, New Berlin, Kantz and other places, said it was a delightful and profitable occasion. The performers deserve the thanks of our people for their grand performance. Prof. Billhardt rendered valuable assistance. Geo. A. Botsford, Esq., has planted 7000 raspberry stalks and 9000 strawberry plants. M. L. Snyder furnished the plants. Our supervisors levied a three mill working road tax and one and a half mill cash tax. Our taxpayers expect them to use part of this fund in making at least some solid road bed. We do not approve of scraping ground into the road to be washed back again by the rain. G. W. Heltzapfle is putting on the roof of the new house he is erecting for Mrs. Joseph Diell. Prof. Shemoy was home from Milltown during Saturday and Sunday. The number of students in the Freeburg Academy is daily increasing. The groups of boarding students reminds us of by-gone days. The friends of Irvin H. Hendricks repaired to his house Friday evening, bringing him and his wife an extensive table as a contribution to their new house keeping outfit. Our Y. P. S. C. E. Sunday school and prayer meeting are well attended. D. S. Boyer, adm'r of the estate of B. Dunkelberger, dec'd, sold the brick mansion of the deceased to Catherine Dunkelberger for \$1100.

## A Physician's Tribute

To the Benefits Received From Dr. Miles' NEW HEART CURE.

HEART DISEASE is curable. It is not surprising that all cases are not cured, since no physician has made the heart a special study for a quarter of a century as Dr. Miles has done. The following tribute from a physician will be read with interest. "For six years prior to taking Dr. Miles' New Heart Cure my wife was a terrible sufferer from heart disease. She had a constant fluttering of the heart and severe palpitation and pain in the left side. She took three bottles of Dr. Miles' New Heart Cure and was completely restored to health, and has not taken a drop of medicine during the past two years. Under these circumstances I cannot do otherwise than recommend it to others."

Friendship, N. Y. W. H. Scott, M. D.

Dr. Miles' Remedies are sold by all druggists under a positive guarantee first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants.

Or is there a tendency to coughs, throat or bronchial troubles, weak lungs? Has a brother, sister, parent or near relative had consumption? Then your family chain is weak. Strengthen it. Take SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites. It makes rich blood, gives strength and vigor to weak lungs and run-down constitutions. With its aid the system throws off acute coughs and colds. It prevents the chain from breaking. Shall we send you a book about this, free?
