"Saved From the Horrors of Nervous Prostration" by Dr. Miles' Nerve.

A COUGH does not always indicate consumption. Mr. W. H. Palmer, of Waterloo, Iowa, writes: "I was taken with a nervous stricture of the bronchial tubes, which developed into nervous prostration. I was so weak I could not sit up. I got no sleep for days except when under the influence of opiates. For four months I suffered agonies and prayed that I might die and be at rest. One physician said I had consumption, for I had a cough that gave me no rest. But a good old physician whose medicine had failed, advised me to use Dr. Miles' Restorative Nerve and I thank God that it has brightened my days, lengthened my life and saved me from the horrors of nervous prostration." Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants. DR. MILES MEDICAL CO., Elkhart, Ind.

Throat Coughs

Is there a tickling in the throat? Do you cough a great deal, especially when lying down? Are you hoarse at times? Does nearly every cold you take settle in your throat? These "throat coughs" are very deceptive. Don't neglect them. Troches, or cough syrups won't touch the spot. You must take remedies that will enrich the blood, tone up the nerves; and heal the inflamed membranes.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites contains such remedies. It has wonderful nourishing and healing power. The cause of the cough is removed; the whole system is given new life and vigor; and the danger from threatening lung trouble is swept away.

Book about it free. For sale by all druggists at 50c. and \$1.00.
