

Eczema All Her Life.

Mr. E. D. Jenkins, of Lithonia, Ga., says that his daughter, Ida, inherited a severe case of Eczema, which the usual mercury and potash remedies failed to relieve. Year by year she was treated with various medicines, external applications and internal remedies, without result. Her sufferings were intense, and her condition grew steadily worse. All the so-called blood remedies did not seem to reach the disease at all until S. S. S. was given, when an improvement was at once noticed. The medicine was continued with favorable results, and now she is cured sound and well, her skin is perfectly clear and pure and she has been saved from what threatened to blight her life forever.

S. S. S. (guaranteed purely vegetable) cures Eczema, Scrofula, Cancer, Rheumatism, or any other blood trouble. It is a real blood remedy and always cures even after all else fails.

A Real Blood Remedy.

Take a blood remedy for a blood disease; a tonic won't cure it.

WEST BEAVER.

Wm. Bartholamew of Sunbury, spent a few days here last week trout fishing. The drum corps and calisthumpians of McClure treated Henry Kahley and bride to some choice music on last Saturday evening. Plenty of cider appeared, but the bride and groom did not. Geo. Benfer acted as Chief Marshall. Geo. Fisher drew the big lamp that was changed of at Lowell last Saturday evening. J. J. Stealy is buying up potatoes for the Mississippi Valley Sufferers, 12c. per bushel is being paid. Lawyer McLaughlin of Lewistown was seen on our streets one day last week. John I. Erb and Calvin Knepp are adding improvements to their homes by having their barns and outbuildings treated to a coat of white wash. The drum corps at McClure, enlivens the town with martial music to the evenings by our friend John Snyder blowing the big drum, for all that is in it. The farmers are complaining now, as being too dry some places to finish plowing for their corn crop. If nothing prevents, the peach crop, at this end will be large. Knepp and Co. had three or four teams on the road last week hauling staves to Adamsburg. Considering the low price of potatoes, West Beaver expects to put more in the ground, this season than any season since the township was organized. A few cases of Measles are reported here, but none are serious.

SELINGROVE.

Norton Glover of Northumberland was seen on our streets last week. Rev. Frank Buyers of near Millville is the guest of his parent. The warm weather made the leaves and blossoms come out. Geo. Davis was at Wallingford over Sunday visiting D. W. Crouse. Rev. Breidenbaugh of Gettysburg is being entertained by his son-in-law, Prof. Jacob Yutzky. The Primary school rendered the Cantata of Cinderella in the Town Hall on Saturday evening to a large audience. The little folks played their parts well. The teachers deserve great credit. By request it was repeated on Monday evening. Dr. Geo. Buyers of Phila., formerly a resident of this place and a brother of Capt. Nelson Buyers, was buried on Tuesday afternoon immediately after the 3 o'clock train arrived. Quite a number of the citizens of town are improving their properties. Dr. W. Vallery-champ of New Berlin was seen on our streets on Friday.

Focht Bridge Bill Passed.

The Focht bridge bill passed finally on a special order with only one dissenting vote Wednesday. The measure authorizes county commissioners to rebuild bridges on sites owned by corporations over streams or rivers forming the boundary line between two counties, where the same have been destroyed by ice, flood or otherwise at any time which have been or may be abandoned by the owners and rebuilt on another site, and which were previously used exclusively for vehicles and foot purposes and providing for the cost of their construction.

BEAVERTOWN.

On Wednesday forenoon quite an excitement was occasioned by a runaway team belonging to Jacob Nerhood and A. A. Romig dashing into local freight east just as it was on the point of leaving Beavertown station. The team was somewhat spirited and while holding them in as they approached the R. R. crossing which at the time was closed by the train the lines broke and the horse belonging to Mr. Romig dashed right in between two cars and striking against the bumpers of the cars, was quite seriously injured but will recover. The men seeing the danger jumped from the vehicle before it struck and no one was injured. Elmer Bouch who is working at Troy, N. Y. spent a few days with his parents at this place. Edward Benner and wife spent Easter with their daughter at Lewistown. Sanford Carpenter, a student of Susquehanna University spent Easter Sunday with his parents. Mr. Vanhorn and his two sons of Richfield called on Mr. Winey last week.

MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary. Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

MOTHER'S FRIEND

so relaxes the system and assists Nature, that the necessary change takes place without Nausea, Headache, Nervous or Gloomy Foreboding of danger, and the trying hour is robbed of its pain and suffering, as so many happy mothers have experienced. Nothing but "Mother's Friend" does this. Don't be deceived or persuaded to use anything else.

"Mother's Friend" is the greatest remedy ever put on the market, and all our customers praise it highly. - W. H. King & Co., Whitewright, Tex.
