

Scrofula

Is a deep-seated blood disease which all the mineral mixtures in the world cannot cure. S.S.S. (guaranteed purely vegetable) is a real blood remedy for blood diseases and has no equal.

Mrs. Y. T. Buck, of Delaney, Ark., had Scrofula for twenty-five years and most of the time was under the care of the doctors who could not relieve her. A specialist said he could cure her, but he filled her with arsenic and potash which almost ruined her constitution. She then took nearly every so-called blood medicine and drank them by the wholesale, but they did not reach her trouble. Some one advised her to try S.S.S. and she very soon found that she had a real blood remedy at last. She says: "After taking one dozen bottles of S.S.S. I am perfectly well, my skin is clear and healthy and I would not be in my former condition for two thousand dollars. Instead of drying up the poison in my system, like the potash and arsenic, S.S.S. drove the disease out through the skin, and I was permanently rid of it."

A Real Blood Remedy.
S.S.S. never fails to cure Scrofula, Eczema, Rheumatism, Contagious Blood Poison, or any disorder of the blood. Do not rely upon a simple tonic to cure a deep-seated blood disease, but take a real blood remedy.

Death of Wm. Kerstetter.

Last Monday morning, May 3rd we were much bereaved by the death of our friend and school-mate William, son of Luke and Lizzie Kerstetter, of Knousetown. He was afflicted with Billious fever, was confined to bed for about four weeks, when the angel of death laid its cold and icy fingers upon him and claimed him as its victim, and removed him from this world of woe to world of bliss and everlasting happiness.

The Sunday school adopted appropriate resolutions of respect. X

THE DANGER

to which the Expectant Mother is exposed and the foreboding and dread with which she looks forward to the hour of woman's severest trial is appreciated by but few. All effort should be made to smooth these rugged places in life's pathway for her, ere she presses to her bosom her babe.

MOTHER'S FRIEND

allays Nervousness, and so assists Nature that the change goes forward in an easy manner, without such violent protest in the way of Nausea, Headache, Etc. Gloomy forebodings yield to cheerful and hopeful anticipations—she passes through the ordeal quickly and without pain—is left strong and vigorous and enabled to joyously perform the high and holy duties now devolved upon her. Safety to life of both is assured by the use of "Mother's Friend," and the time of recovery shortened.

"I know one lady, the mother of three children, who suffered greatly in the birth of each, who obtained a bottle of 'Mother's Friend' of me before her fourth confinement, and was relieved quickly and easily. All agree that their labor was shorter and less painful."

"WEAR'S" The Difference?

Anybody can tell you it's pudding after they have eaten it. Just so with our \$12 Suits and others. Anybody can tell you after wearing which is made and finished best, but few can tell by just looking. Look at our \$12 Suits, and then look at others; perhaps you can't see the difference, but, like pudding, you'll find it out.

Spring and Summer Suits, guaranteed to fit.
