HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty-four hours; a sediment or setting indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kline's Swamp Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases; if you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Post and send your full post-office address to Dr. Kline & Co., Blight-hamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Jury List.

List of grand jurors drawn for the Court of Oyer and Terminer and General Jail delivery and court of quarter sessions of the Peace of Snyder county held as June Term, commencing Monday, June 7, 1897.

"WEAR'S" The Difference?

Anybody can tell you it's pudding after they have eaten it. Just so with our \$12 Suits and others. Anybody can tell you after wearing which is made and finished best, but few can tell by just looking. Look at our \$12 Suits, and then look at others; perhaps you can't see the difference, but, like pudding, you'll find it out.
