## Historic Spot Unmarked.

To the Editor of The Hbg. Patriot.  
 While playing Sunbury last week I had the pleasure of visiting Fort Augusta and was very much surprised to see the lack of patriotism that has been shown by the state of Pennsylvania in not having even a flag to designate the spot where some of our patriots fought and fell. I think it is a shame, as did a dozen others who were there with me. Nothing remains but the old magazine and well that were built at the time the fort was.  
 The fort itself was built in 1756 by Colonel Clapham, who was killed in 1763. It had eight cannon and two swivel of which one cannon still remains, the other having been sunk in the river. The fort at one time was the headquarters of the military department of the upper Susquehanna and during the massacre at Wyoming in 1778 the fort was crowded with the destitute and distressed.  
 I merely write this to you hoping that you will give it space in your valuable and patriotic paper so that it may meet the eyes of our legislature and that by so doing they may take the necessary steps to mark it as it deserves. Yours respectfully,  
 H. P. DIXON,

OF KINGSTON, N. Y.  
 Cured of Spasms by Dr. Miles' Nerve.

**THE** many cases of spasms, St. Vitus dance and epilepsy that Dr. Miles' Restorative Nerve has cured, would alone give this great remedy wide reputation. Mrs. Walter A. Steward, 773 Broadway, Kingston, N. Y., says March 3, 1890: "In 1890, while on a visit to friends our little girl was taken with spasms. We hastened home to our family physician. He did all he could but failed. We called several physicians but the spasms continued, her tongue became partially paralyzed and the doctors said she would never talk again. Night and day we watched the poor little sufferer and tried every remedy we saw advertised for such cases but got no relief. We began giving Dr. Miles' Nerve, and after taking four bottles she was running about as well and happy as ever."  
 Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and Nerves sent free to all applicants.

## Your Vitality?

The essence of life is force. Every breath you breathe, every heart beat, every motion of your hand, takes force. The measure of force we call vitality. If this is lacking, there is loss of flesh, lack of resistive power, a tendency to catch disease easily, especially a tendency to Consumption. For low vitality nothing is better than Scott's Emulsion. It supplies force by furnishing the nourishing, strengthening elements of food in an easily digested form; enriches the blood, and builds up the system. When ordinary food is of no avail, Scott's Emulsion will supply the body with all the vital elements of life.

Two sizes, 50 cts. and \$1.00. All druggists.  
 If you will ask for it we will send you a book telling you all about Scott's Emulsion. Free.
