

Beware Of Mercury!

Mr. Henry Roth, of 1848 South 9th Street, St. Louis, was given the usual mercurial treatment for contagious blood poison. He was twice pronounced cured, but the disease returned each time, he was seized with rheumatic pains, and red lumps and sores covered his body.

"I was in a horrible fix" he says, "and the more treatment I received, the worse I seemed to get. A New York specialist said he could cure me, but his treatment did me no good whatever. I was stiff and full of pains, my left arm was useless so that I was unable to do even the lightest work. This was my condition when I began to take S. S. S., and a few bottles convinced me that I was being benefited. I continued the medicine, and one dozen bottles cured me sound and well. My system was under the effects of mercury, and I would soon have been a complete wreck but for S. S. S."

S. S. S., (guaranteed purely vegetable) is the only cure for real blood diseases. The mercurial treatment of the doctors always does more harm than good. Beware of mercury! Books on the disease and its treatment mailed free to any address by Swift Specific Co., Atlanta, Ga.

GETTING READY

Every expectant mother has a trying ordeal to face. If she does not

get ready for it, there is no telling what may happen. Child-birth is full of uncertainties if Nature is not given proper assistance.

Mother's Friend

is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents "morning sickness," relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects.

Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain.

\$1 dollar per bottle at all drug stores, or sent by mail on receipt of price. Free Books, containing valuable information for women, will be sent to any address upon application to

BEAVERTOWN.

The Evangelical people of this vicinity are making preparation to erect a new church. W. E. Walker opened a term of summer school last Monday. Benj. Zerbe made a trip to Sunbury last week. J. R. Haines, who had been on the sick list, is improving. In our last letter we stated that Mrs. Ellen Watt was visiting relatives here. It should have been Mrs. Ellen Shaw. The stove mill which has been in operation south of town for the last year or more has been moved to Middle-creek.

WEST BEAVER.

The heavy rains we had last week prevented some of our farmers from finishing planting corn and sowing oats. Gundrum, Swineford and Peters moved Harry Wagner's stove mill to the Joe Wader tract last week. H. Houser is making preparations to move his new house at McClure shortly. J. I. Howell expects to make Reedsville his home the balance of his days, if they are not too many. Uncle Sam thought he was getting too rich by carrying so much mail matter from Banner-ville so he gave orders to stop the business and his orders were obeyed promptly. R. H. Lance of Millburg erected a fine monument at the St. John's church for Jno. O. Goss, deceased. It is a fine piece of work for which Lance has the name of doing. Born to Mr. and Mrs. Howard Treaster—a girl. James Steely was contracted to paint W. B. at so much a square inch, and started in at Daniel Hassinger's house. Edward Romig, after tramping through Buffalo Valley for the past weeks, arrived home at Mrs. Ayrton Moyer's, where he had been staying for the past few years at the expense of the township. He reports having had a good talk with Ex-Judge Bucher. Ulysses Herbster and wife spent Sunday with some of their Lowell friends. The Cross-grove post office was transferred from C. Houser's to R. I. Wagner's store on last Friday night.
