

Beware Of the Knife.

Mr. Lincoln Nelson, of Marshfield, Mo., writes: "For six years I have been a sufferer from a scrofulous affection of the glands of my neck, and all efforts of physicians in Washington, D. C., Springfield, Ill., and St. Louis failed to reduce the enlargement. After six months' constant treatment here, my physician urged me to submit to a removal of the gland. At this critical moment a friend recommended S.S.S., and laying aside a deep-rooted prejudice against all patent medicines, I began its use. Before I had used one bottle the enlargement began to disappear, and now it is entirely gone, though I am not through with my second bottle yet. Had I only used your S.S.S. long ago, I would have escaped years of misery and saved over \$150."

This experience is like that of all who suffer with deep-seated blood troubles. The doctors can do no good, and even their resorts to the knife prove either fruitless or fatal. S.S.S. is the only real blood remedy; it gets at the root of the disease and forces it out permanently.

S.S.S. (guaranteed purely vegetable)

A Real Blood Remedy.

is a blood remedy for real blood troubles; it cures the most obstinate cases of Scrofula, Eczema, Cancer, Rheumatism, etc., which other so-called blood remedies fail to touch. S.S.S. gets at the root of the disease and forces it out permanently. Valuable books will be sent free to any address by the Swift Specific Co., Atlanta, Ga.

FREEBURG.

Dr. Rothrock represented Freeburg Lodge I. O. O. F. at the meeting of Grand Lodge at Williamsport. John Houtz and B. F. Arnold were also in attendance. These brethren gave a very interesting account to our Lodge at the meeting Saturday evening. Mr. Harter and Mr. Lohse and their wives of Brush Valley, Centre Co., were welcome visitors at the homes of S. G. Hilbish and W. C. Hilbish. Prof. D. S. Boyer will attend a meeting of the directors of Mt. Airy Lutheran Seminary at Germantown June 8. From there he will go to Lancaster to attend the 150th convention of the Evangelical Lutheran Ministerium of Pennsylvania which will be held in the Trinity Lutheran church June 10. Dr. U. L. Fry pastor. Rev. G. D. Drakumiller preached a very interesting and instructive English sermon Sunday evening to a large audience. He will move to Freeburg July 1st.

Miss Malinda Roush has gone to Steelton to spend several weeks with the family of Miles Wetzel. Mrs. S. B. Kantz is erecting a porch in front of her residence. Miss Kantz is managing the building and securing the material. David and Howard Arbogast are painting the house and barn of J. P. Arley. It is a decided improvement to the premises.

F. E. Hilbish is convalescent. He passed through a painful and protracted spell of rheumatism. The Lutheran and Reformed Sunday schools are practicing music, recitations and responsive reading from Pentecostal Gift for Children's Day entertainment. A. G. Bashour and wife visited Merchant Harley at this place Sunday. S. G. Hilbish had his house and kitchen roofed with slate. John Hummel put a new roof on the stable on his Freeburg property occupied by H. C. Roush.

C. H. Miller of Philadelphia visited his grandmother, Houtz, and other relatives. T. F. Hoover bored a well of 38 feet on the premises of Mrs. Susan Diehl.

KREAMER.

Wm. Gemberling, wife and daughter, Carrie, of Salem were the guests of J. F. Walter's Sunday before last. The Editor of the Post and wife were in our town Thursday evening on their wheels. Mrs. N. C. Gutelins was in your town on Friday. George Gordon, who has been working in Sunbury, returned home on Friday. Frank Thomas received and shipped a car-load of cattle last week. Frank Row and family of Selinsgrove visited his mother at this place Sunday. R. S. Heintzelman of Paxinos was home over Sunday. Mrs. Geo. Hoke and son of Danville are visiting her parents at this place. John Dudd and A. D. Kreamer were in Middleburg on their wheels on Saturday evening to see the ruins of the fire. Henry Groom and wife of Lewisburg visited friends at this place one day last week. Thompson Hilbish of Selinsgrove was in town Thursday. Mrs. Gellinger and daughters of Lewisburg were the guests of Levi Erdley's over Sunday.

ADAMSBURG.

Harry Lowder of Millintown spent a week with his friend, Ambrose Aund. Miss Grace Mattern and Arlington Kautz, who are attending the Freeburg Musical school, were at home over Sunday. Miss Bessie Mechtler is staying at Millintown at present. Bruce Crouse of Middleburg was in town over Sunday. Quite a number of our young people attended the festival at Troxelville on Saturday evening. Spencer Romig and Will Keller went to Sunbury on their wheels Saturday. Ammon Aund was in Millintown two days last week. Michael Hackenberg and small daughter accompanied by Lincoln Walter of near Middleburg visited the former's son, Palmer, on Saturday. Mrs. C. Wagner of McClure spent a few days at this place. Adam Smith and family moved to Berwick. In losing Mr. Smith we have lost a good citizen, an earnest worker in the church and a kind friend.

WEST BEAVER.

Jas. Peter of Lowell bought the one-half of the Lowell store. The new firm is now Peter & Houser. L. N. Jenkins moved from Lowell to Mrs. Aaron Moyer's on Saturday. J. J. Steely, F. C. Peter and L. N. Jenkins made a business trip to Adamsburg last week. Some of our young men are making preparations to attend the big show at Lewisburg on June 15. J. D. Uish of McClure expects to have new potatoes of his own raising in a week or two. If a boy does as much work on the roads as a man why shouldn't he have as much pay. Some think why he is only a boy. That is not right. The report is that West Beaver has an applicant for the Middleburg Postoffice, you can bet, the stuffs here to hold the position. Boys try and keep on this side of the dead line, if you can, if not, cross over. The different Sunday schools and also the G. A. R. are making preparations for memorial day, and a big turn out is expected to pay respect to our fallen Heroes, by strewing their graves with flowers. It's a day that should never be forgotten. We are expecting J. J. Steely to deliver an address in memory of the old soldiers at Baker's church on that day. Senator Hummel was seen passing through McClure last week. Ed call again, only stop a little longer. The person that shot at some of the monuments at the St. Paul's church is considered a gentleman and should not be afraid to tell it.

Baby Mine!

MOTHER'S FRIEND

Every mother feels an indescribable dread of the pain and danger attendant upon the most critical period of her life. Becoming a mother should be a source of joy to all, but the suffering and danger of the ordeal make its anticipation one of misery.

is the remedy which relieves women of the great pain and suffering incident to maternity; this hour which is dreaded as woman's severest trial is not only made painless, but all the danger is removed by its use. Those who use this remedy are no longer despondent or gloomy; nervousness nausea and other distressing conditions are avoided, the system is made ready for the coming event, and the serious accidents so common to the critical hour are obviated by the use of Mother's Friend. It is a blessing to woman.

THE "MAYWOOD" BICYCLE

THIS COMPLETE BICYCLE \$27 AND COUPON

PATENTS: Feb. 24, 1891; Oct. 3, 1893; Jan. 1, 1895; May 17, 1891; Jan. 1, 1895; Jan. 31, 1896; Others Pending

The "Maywood" is the strongest and simplest bicycle ever made. Adapted for all kinds of roads and riders. Made of material that is solid, tough and strong; simple in construction, easily taken apart and put together; has few parts; is of such wily construction that its parts will hold together in an accident; no hollow tubing to crush in at every contact; a frame that cannot be broken; so simple that its adjusting parts serve as its connecting parts; a one-piece crank instead of a dozen parts; always ready to give reliable and rapid transportation. FRAME—Improved double diamond, made of 1 1/2-inch cold rolled steel rods (toughest and strongest metal for its weight known), joined together with our improved steel fittings; a marvel of novelty, simplicity and durability, the greatest combination of ingenuity in bicycle mechanism known, to build a frame without brazed joints and tubing, as all know that tubular frames sometimes break and fracture at brazed joints, and tubes when they are buckled in, cannot be repaired. WHEELS—28-inch front and rear; warranted wood rims, piano wire nickel tangent spokes and brass nipples. HUBS—Large barrel pattern; made from the best quality cold-drawn seamless steel, with patent reinforced spoke flanges directly over ball bearings. TIRES—"Gazelle" or "Tiger" single tube, "North American" or "Boston" double tube, or some other first-class pneumatic tires, fully guaranteed. We will furnish, if ordered, "Arlington" hose pipe of Morgan & Wright quick repair tires for \$2.00 extra, net. BEARINGS—Ball bearings to every part, including wheels, crank axle, steering head and pedals. CRANK SHAFT BEARINGS—Arched with our patent ball cases, which are interlocked and support each other. CUPS AND CONES—Best quality selected steel, carefully tempered and hardened. CHAINS—Humber block pattern, high grade hardened centers, rear adjustment. CRANKS—Our celebrated one-piece crank, fully protected by patents; no cotter pins. SPROCKET S—Made from best quality refined steel, nicely finished and hardened; rear sprocket detachable, front sprocket securely keyed to crank axle. REAR-Shortest, 28 inches, longest, 36 inches. FRONT FORK—Indestructible; fork crown made of drop forged steel. HANDLE BAR—Reversible, readily changed to either raised or dropped pattern, best cork or composition cork handles, latest style of English tips and ferrules. SADDLE—Our own style "K" high grade, very easy riding; P. and P., Gilliam or some other first-class make. PEDALS—Combination rat-trap or rubber; full ball bearing, securely packed and crated, with all bright parts, including front fork, handle bar, hubs, seat post, cranks and spokes, nickel plated. Each bicycle complete with tool bag, pump, wrench and oiler. WEIGHT—According to tires, pedals, saddles, etc., 27 to 30 pounds. GUARANTEE—Each "Maywood" bicycle is fully guaranteed for one year.

I consider your "Maywood" wheel the strongest and safest bicycle made for hard riding and rough roads, such as we have in this country. They are also light running and easy to adjust. The one-piece crank is a wonderful piece of mechanical simplicity in bicycle construction, and with the improvements I understand they are to have this year, it will be the best wheel made.

SAMUEL S. SOMERVILLE,
To quickly introduce the "Maywood" Bicycle, we have decided to make a special coupon offer, giving every reader of this paper a chance to get a first-class wheel at the lowest price ever offered. On receipt of \$7.00 and coupon we will ship to anyone of the above bicycle, securely packed and crated. Money refunded, if not as represented, after arrival and examination. We will ship C. O. D., with privilege of examination, for \$28.00 and coupon, provided \$5.00 is sent with order as a guarantee of good faith and charges. A written binding warranty sent with each bicycle. This is a chance of a lifetime, and you cannot afford to let the opportunity pass. Address all orders to
