Reigle and Fensterbush Sentenced.

Chas. Reigle and Daniel Fensterbush who were tried on Tuesday for malicious mischief in doing damage to the engine and saw mill near Marks' distillery, were found guilty. The court sentenced Reigle to pay one dollar fine and costs of prosecution. Fensterbush was sentenced to undergo imprisonment in the Middleburgh jail for 30 days, pay \$1 fine and costs of prosecution. Reigle had served seven weeks in jail and this was accepted as the equivalent of the extra penalty imposed on Fensterbush.

S. F. Deibert of Catawissa on Tuesday was renewing old acquaintances in Middleburgh.

Edwin Charles and his bride on Tuesday went to Port Trevorton to spend some time with friends.

The Howard Hornet printing plant has been moved to Eagle's Mere, where it will be used to print a local paper during the summer resort season.

The regular meeting of the Y. W. C. T. U. will be held at the home of Mrs. D. E. McLain Friday evening at 8 o'clock. All friends of Temperance are invited.

M. L. Miller has sold to the heirs of John M. Rine, late of McKees, a Quaker Granite Monument, which will be the handsomest piece of workmanship on that grave yard. It weighs 6900 lbs. and is intended as a family memorial.

John Frock of Middlecreek was a caller at this office Tuesday. He reports that good anthracite coal is being found in Mifflin county. He had with him some specimens of the genuine article that was found in boring a well. The vein that was struck is 7 feet in diameter.

Through a change in redistricting the charges of the West Susquehanna Classis of the Reformed church we regret to learn that Rev. S. S. Kohler of New Berlin will no longer be the pastor of this congregation here. Rev. Kohler has endeared himself to his people who are sorry to lose his services. The Post wishes the parson many blessings in his new division of labors.

PENNSYLVANIA RAILROAD SUMMER EXCURSION ROUTE BOOK.

The Most Complete Publication of its Kind.
On June 1 the Passenger Department of the Pennsylvania Railroad Company issued the 1897 edition of its Summer Excursion Route Book. This work is designed to provide the public with short descriptive notes of the principal summer resorts of Eastern America, with the routes for reaching them, and the rates of fare. There are over four hundred resorts in the book to which rates are quoted, and over fifteen hundred different routes or combinations of routes. It is compiled with the utmost care, and altogether is the most complete and comprehensive handbook of summer travel ever offered to the public.

The 219 pages are enclosed in a handsome and striking cover, in colors. Several maps, presenting the exact routes over which tickets are sold are bound in the book. It is also profusely illustrated with fine half-tone cuts of scenery along the lines of the Pennsylvania Railroad and elsewhere.

Any doubt as to where the Summer should be passed will be dispelled after a careful examination of the contents of the publication.

On and after June 1 it may be procured at any Pennsylvania Railroad ticket office at the nominal price of ten cents, or, upon application to the general office, Broad Station, by mail for twenty cents.

"I take great pleasure in the superior qualities of the Port Wine produced by Alfred Speer of New Jersey. After a prolonged trial I recommend it as a superior wine for the sick and debilitated."
It is kept in casks to a great age before bottling, and though higher in price is far superior and more reliable than other wines.

Dampness in Rooms.
If it is desired to ascertain whether a room is damp, the doors and windows should be closed hermetically and a kilogram of fresh lime placed therein. In 24 hours it should be weighed, and if it has absorbed more than ten grams of water (one per cent.), the room should be considered damp and unhealthy.

The Instinct of Oysters.
Oysters, after they have been brought away from the sea, know by instinct the exact hour when the tide is rising and approaching their beds, and so, of their own accord, open their shells to receive their food from the sea, as if they were still at home.

HOW TO FIND OUT.

Fill a bottle or common water glass with urine and let it stand twenty-four hours; a sediment of settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmor's Swamp Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and sealding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases; if you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention Post and send your full post-office address to Dr. Kilmor & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

An Important Question.

If your friends or neighbors are suffering from coughs, colds, sore throat, or any throat or lung disease (including consumption), ask them if they have ever used Otto's Cure. This famous German remedy is having a large sale here and is performing some wonderful cures of throat and lung diseases. W. H. Spanier, Middleburgh; W. Rothrock, M. D., Mt. Pleasant Mills, will give you a sample bottle free. No matter what other medicines have failed to go, try Otto's Cure. Large size 25 and 50 cents.
