ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

When the urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours, a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention the Middleburgh, Post and send your address to Dr. Kilmer & Co., Poughkeepsie, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

Allegheny River Navigation.

H. Burns Smith of New Kensington, Pa., sends us a copy of the Sunday Pittsburg Leader in which we find a full account of the progress made toward securing Navigation in the Allegheny River from Pittsburg to Oil City. This seems now an assured fact and when completed will be a great convenience to the manufacturers of that region.

Rheumatism, Oh the Pain!

The aches and pains of Rheumatism become a constant companion to all who are victims of this disabling disease. Much suffering could be avoided if the first warning pains of Rheumatism were heeded and the proper treatment at once taken. But the people generally are not acquainted with the cause of the disease, though thousands know its tortures. Those who use liniments and ointments cannot understand why they grow worse each winter, and find themselves gradually becoming unable to get around as they once could; yet they know that their trouble came on at first as little aches and pains, which hardly attracted their attention.

Everybody should know more about rheumatism; they should know that it is a peculiar condition of the blood upon which all the liniments in the world can have no effect whatever. The best blood remedy is needed—one which is able to go to the very seat of the disease, and force it out. Swift's Specific (S.S.S.) is the right remedy for Rheumatism, because it is the only blood remedy free from mercury, potash and other minerals which intensify the disease, causing stiffness of the joints and aching of the bones.

Swift's Specific being a real blood remedy never fails to cure Rheumatism. It reaches even the worst cases where the doctors have made cripples with their prescriptions of potash and mercury.

Mr. D. R. Johnson, an extensive lumber dealer of Blackshear, Ga., writes: "My wife was for years a sufferer from Rheumatism, and was treated constantly, but could obtain no relief. The pain was first felt in her left shoulder, and extended in all directions, increasing in severity. The doctors said the disease was liable to strike the heart at any time, in which event death would be inevitable.

"Every kind of treatment recommended for Rheumatism was given her, including many blood remedies, but none did her any good. She was growing worse all the while, and was reduced to a mere shadow of her former self.

"It was at this critical period that Swift's Specific was given her; the medicine seemed to reach the disease promptly, and she at once began to improve. One dozen bottles effected a complete cure, and she has had no touch of the disease since."

Every one afflicted with Rheumatism should take a remedy which can reach their trouble. S.S.S. will cure the most aggravated case of Rheumatism, Catarrh, Cancer, Contagious Blood Poison, Scrofula, Eczema, or any other blood disease. It is guaranteed

Growing Children

One-third of all the children die before they are five years old. Most of them die of some wasting disease. They grow very slowly; keep thin in flesh; are fretful; food does not do them much good. You can't say they have any disease, yet they never prosper. A slight cold, or some stomach and bowel trouble takes them away easily.

SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites is just the remedy for growing children. It makes hard flesh; sound flesh; not soft, flabby fat. It makes strong bones, healthy nerves. It changes poor children to children rich in prosperity.

Book about it free for the asking. No substitute for Scott's Emulsion will do for the children what we know Scott's Emulsion will do. Get the genuine. For sale by all druggists at 50c. and \$1.00. SCOTT & BOWNE, New York.
