REPUBLICAN TICKET.

STATE.

For Auditor General, LEVI G. McCALEY, of Chester.

For State Treasurer, JAMES S. BEACON, of Westminsterland.

COUNTY.

Associate Judge, H. C. Sampsel, Prothonotary, G. M. Shindel, Register and Recorder, J. H. Willis, District Attorney, J. M. Baker, Jury Comm., Jos. R. Hendricks.

Thursday, Oct. 21, 1897.

Our Candidates.

Next Tuesday a week is the time for the annual election. It is now almost a year since the people at the polls decided the great battle for the triumph of protection to home industries. Already the tide of business prosperity is rising and assures us of the soundness of the principles laid down by the Republican party. For the position of Auditor General, we place before the people the name of Levi G. McCaley of Westmoreland county. On the inside pages of this issue we publish portraits and sketches of these two gentlemen who will be found worthy gentlemen.

H. C. SAMPSEL.

In our county contest we place upon the ticket, our distinguished friend, Henry C. Sampsel, who of himself physically will add dignity to the bench that must meet our justice. We need however not rely entirely upon Mr. Sampsel as an ornament to the position he seeks, but as Mr. Sampsel is a clever gentleman and highly intelligent he can render valuable service in filling the numerous duties the incumbent of the Associate Judgeship is called upon to perform. Give your support to Mr. Sampsel.

G. M. SHINDEL.

For the position of Prothonotary we submit the name of George M. Shindel, the present Register and Recorder who is too well known to need any introduction at our hands. Persons who have had any business with the Register and Recorder's office during Mr. Shindel's term are fully aware that neat books and more correct papers are hard to have. He has been an obliging officer and no mistake will be made in electing Mr. Shindel as Prothonotary and Clerk of the Courts. Considerable animosity was engendered at the nomination by friends of other candidates, but this is no occasion for cutting any nominated candidate. Give your loyal support to the ticket and do not allow factional prejudice to interfere with party loyalty.

JOHN H. WILLIS.

For Register of Wills and Recorder of Deeds, we have upon the ticket the name of John H. Willis of Selinsgrove. Mr. Willis is an

intelligent, educated gentleman of good habits and polite demeanor. He is worthy of support and he actually needs the emoluments of the office for his maintenance and the support of his family. You will make no mistake in giving Mr. Willis a great big majority.

J. M. BAKER.

Our District Attorney is the Republican party's nominee for reelection. It has been the universal custom in Snyder county to give an officer two terms and as Attorney Baker has honestly and faithfully served in his position it is not more than right to give him another term.

JOS. R. HENDRICKS.

Last but not least in our considerations is the position of Jury Commissioner. Joseph R. Hendricks has been nominated by the Republican party and as such nominee he is entitled to a good round majority. He is in needy circumstances and the position, while not as remunerative as other offices, will still give him support that will greatly assist him. This in brief is the makeup of the ticket. Republicans will be called upon to vote on election day. Admitting the good qualifications of the democratic opponents, it must not be forgotten that the Republican candidates stand for Republican principles that have done so much to revive business and get the manufacturing industries on their feet again. You will make no mistake in putting your X in the circle and vote the straight Republican ticket.

Gave Back My Health.

There is no reason for being despondent and considering diseases of the blood incurable, simply because the treatment of physicians and many so-called blood remedies fail to effect a cure. Though it is naturally disheartening to the sufferer who faithfully takes the prescribed treatment of the physicians, often at the expense of hundreds of dollars, to find himself, no better as time goes by, still a cure will result from the right remedy, S.S.S., no matter what other treatment has failed. The reason that S.S.S. (Swift's Specific) has so successfully cured even the worst cases after other treatment had been tried in vain is that it is the only remedy which forces the poison from the blood and permanently eliminates it from the system, which is the only correct principle of curing the disease. Mercurial remedies bottle up the poison and tear down the system, while S.S.S. forces out the poison and builds up and adds strength and vigor to the entire system. It is nature's remedy, and contains no harmful ingredient.

Mr. Charles Glenn, of 1363 Dudley St., Cincinnati, is one of the many who constantly praise S.S.S. for giving him back his health. He says: "From childhood I was afflicted with a terrible blood disease, and have taken almost every blood remedy on the market, but my case was deep-seated, and one by one they failed. The large, red blotches increased in size and number, and soon covered my entire body. "My parents had me treated by a number of physicians, but the disease was too much for them, and after their temporary relief was over, I found myself growing steadily worse. Thus I grew into manhood, handicapped by a terrible disease, and having tried so many remedies without relief, when a friend urged me to take S.S.S. I had little faith in any medicine. I was happy to find, however, that I had at last gotten the right remedy, for one bottle of S.S.S. did me so much good that I soon had hopes of being cured. I continued the remedy, and was cured completely, the unsightly spots soon disappeared, leaving my skin perfectly clear. My general health was also built up, and I am robust and strong. I believe S.S.S. will cure the worst case of blood poison in the world." S.S.S. is a real blood remedy, and will cure the most obstinate cases of Cancer, Eczema, Catarrh, Scrofula, Rheumatism, Contagious Blood Poison, old sores, or any disease caused by impure blood. It is

Purely Vegetable and is the only blood remedy guaranteed to contain not a particle of mercury, potash, arsenic or other mineral. S.S.S. is sold by all druggists. Valuable books on blood and skin diseases will be mailed free by Swift Specific Company, Atlanta, Ga.

Public School Teachers of Snyder Co. 1897-1898.

Table listing teachers, addresses, and schools for Snyder County, 1897-1898. Columns include Teacher, Address, and School.

One of the children of A. E. Soles was sick last week. The disease was pronounced Scarlet Rash. The house was quarantined. This includes Hathaway Mertz and family. Mr. Soles does not go to the house hence his customers are not in danger of the contagion. The children are now all well but the quarantine will probably not be removed until ten days have elapsed.
