THE SUNDAY SCHOOL

LESSON VII, FOURTH QUARTER, INTER-NATIONAL SERIES, NOV. 14.

Toxt of the Lesson, Acts xxviii, 17-31-Me ory Verses, 30, 31 - Golden Text, Born. 1, 16 - Commentary by the Rev. D. M.

17. "After three days Paul called the chief of the Jews together." The expression "three days" is so suggestive of resurrection that one cannot fail to think of it who has anything of the spirit of Paul. who had as one of his heart utterances "That I may know Him and the power of His resurrection" (Phil. iii, 10). At his conversion he was three days without sight, and then Ananias came to him, sens of God. Probably be gave himself to prayer hese three days in Rome that he might be fully in the Lord's hands as His messenger to accomplish His pleasure, and now the principal Jews of the city have come to-

gether to hear what he has to say.

18. "There was no cause of death in me." Yet here he is in Rome a prisoner by the will of God. So there was no cause in Christ why He should be hated (John xv, 25) or crucified, yet by the will of God. He suffered the just for the unjust. To be willing to endure hardship for the good of others is Christlike, for He loved us and gave Himself for us, leaving His home in glory for over 83 years and suffering all the humiliation consequent upon His being the sinner's substitute, that we who accept Him might not only be saved, but share

His glory.

19. "Not that I had aught to accuse my nation of." Although it was through his own people that he was now a prisoner, yet he would not accuse them, but rather see the hand of God in it all and continue to love and pray for his poor, blinded peo-ple. See his heart for them in Rom. ix, 3, and x, 1, "I could wish that myself were accursed from Christ for my breth-"Brethren, my heart's desire and prayer to God for Israel is that they might be saved." And it was his custom always as here in Rome to seek the Jews first.

"For the hope of Israel I am bound with this chain." By comparing chapters mxili, 6; xxiv, 15; xxvi, 6, 7, it is evident that the hope which Paul meant was assoclated with resurrection, the resurrection of Christ and then of His people. The resurrection spoken of in Dan. xii, 1-3, and in Hos. vi, 2, and elsewhere-very fully in Ezek. xxxvii, where it is said that they shall be one nation in their own land under one king, never to be divided or souttered

21, 22. "As concerning this sect we know that everywhere it is speken against." They had heard nothing evil of Paul, but they had heard the followers of this Jesus Christ spoken against. Simeon said to His mother that He would be for a sign spoken against (Luke ii, 34), and it is written, "All that will live godly in Christ Josus shall suffer persecution" (II Tim. iii, 12). The carnal mind is enmity against God, and the wisdom of this world knows

23. "He expounded and testified the kingdom of God, persuading them concerning Jesus, both out of the law of Moses and out of the prophets from morning till evening." Having appointed him a day, they came to him to his lodging, and thus he talked to them. The beginning, mid-dle and end of his talk was Jesus and His resurrection, looking to the kingdom yet to be established with Israel as a righteous nation at the center, Jesus, the Son of David, as their King, and all nations blessed through them, their King acknowledged by all as King of kings and Lord

24, "And some believed the things which were spoken and some believed So it has been and will always be in this age. Paul never expected that all would believe him, but he labored that he might by all means save some (Rom. xi, 14; I Cor. ix, 92). Our Lord taught us that some seed will fall by the wayside, some on stony soil, some among thorns and some on good ground; that the tares will grow with the wheat until the barvest and that the kingdom will come at harvest

25-37. "And when they agreed not among themselves they departed after that Paul had spoken one word." That one word was a quotation from Isa. vi, 9, 10, and is also found in Math. xiii, 14, 15; John xii, 40; Rom. xi, 8. Isalah having seen His glory and having heard the question, "Whom shall I send and who will go for us?" replied, "Here am I, send me." Then he was told that the people to whom he was sent would not all receive his message. Jeremiah and Ezekiel were also told the same thing (the record is in Jer. 1, and in Ezek, ii and iii). It is the one business of the Lord's messenger to deliver the Lord's message faithfully, diminishing not a word, and trust the Lord to see to the results. See Hag. 1, 13; Jer. xxiii, 28; xxvi. 2. We are not to think out the message any more than the prophets did or our Lord Jesus Christ Himself. Both He and they spake only the words commanded them by God (John xii, 49; Jer. i, 6, 7; Ex. iv, 12), and we must not think to do

otherwise.
28, 29. To the Jew first was his way always; then, when rejected by them, turn to the gentiles, sure that somehow the Lord shall see of the travail of His soul and shall be satisfied. Since He shall not fail nor be discouraged (Isa. xlii, 4), there is no room for any servant of His ever to be discouraged. We must remember His word to Moses and to Joshua to put off their shoes, which, if I understand it, signified that the work was the Lord's and not theirs.

80. "And Paul dwelt two whole years in his own hired house and received all that came in unto him." During that time he probably wrote the epistles to the Ephe-sians, the Philippians, the Colossians and some others. When people came to him, he would be ever ready to welcome them and talk with them of Him of whom his beart was so full.

31. "Preaching the kingdom of God and teaching those things which concern the Lord Jesus Christ with all confidence, no man forbidding him." Thus this book of the Acts begins and ends with the king-dom, for we read in chapter i, 3, that during the 40 days between the resurrection and ascension our Lord, when He appeared from time to time, spoke of the things per-taining to the kingdom of God. The time will come when the kingdoms of this world shall have become the kingdom of our Lord and of His Christ, when all kings shall full down before Him and all nations serve Him (Rev. xt, 15; Ps. lxxii, 11). What can we do to hasten it? First let Him save us freely by His grace, then let Him as our Lord use us as He will and where He will to make Him known to othsrs, that they, too, may receive Him and help complete His body and hasten the lime of His return to bring the kingdom and restore all things of which the prophets have spoken.

DEPOSITARY: UNITED STATES NAVIGA-TIONAL BANK, NEW YORK.

The lode shows an enormous outcop of ore, the assays from which show \$1000 per ton, and in free milling. Arrangements are being made to put a siamp mill on this property, and when completed this mine will be a rich producer for many years.

For 15 years a resident of the upper Yukon, his experience enabled him to promptly acquire the choices gold properties, to p compatible most available ground for a flown site, and to possess himself of those interests which are most largely and vuickly profitable in new mining fie is. His foresight has made him a com-rolling factor in the mineral and tudus trial development of the upper Yukon. With a business grown be and the capacity of one man to handle, Mr. Lacue has organized this company to assist in developing his valuable mineral and other properties.

If there miles from Dawson, Thus Giving the Company a Practical Monopoly of the Lumber Business.

4—A large saw mill built by Mr Ladue at Dawson City, which at the time of his departure was carping an average of \$1,30° a day netectional to pay a 3 per cent divident on the capital stock of the company.

5—Eighty choice businers lots each 25 feet front in the center of the city of Dawson. Some of will be erected which can be rented easily at a great profit.

6—A Canadian charter of great value, which

Mr. Ladue Turns Over to this Company Properties He Describes as

1—Gold placer claims aggregating 1,000 feet in length, located in the heart of the Gold Bottom Mining District of the Klondike. Development has proved the pay strak to be four feet thick, and to carry \$12 per cubic foot in coarse nugget gold. Estimating from the work \$10 ready done, TEN EN With PROPER MACHINERY SHOULD EXTRACT \$40,000 pER WEEK from the property, and its total yield should be \$10,00 os. Mr. Kirkpatrick, resident superintendent, has been active all summer in acquiring other placer property for Mr. mer in acquiring other placer property for Mr Ladue, covering a mil-of the richest. Kloudike grauets, and which this company has right to take over.

2—A quartz lode feested on the ridge cast of the Eold Rotton Creek, to which every geo-logical and topographical condition points as THE MOTHER LODE FROM while He millions of the company, and for new State agent, 12) South Fifth St., Phila.

HOTTOM PLACERS HAVE BOOF DERIVED The lode shows an enormous outers.

6—A Canadian charter of great value, which permits a company to engage in every variety of mining and industrial enterprise, to build and operate railways, steamboats, &c. This charter gives greater powers than any now obtainable and frees the company from many difficulties to be confronted by other foreign companies seeking to operate on the Klondike

THE SUM OF \$1,000,600 IN CASH will be set aside for the development of the placer and quartz claims and for the general operations of the company under its charte

Application for shares should be accompanied y check for one-half of the amount of the bares subscribed, drawn to the order of Mr. E. Botsford, Treasurer

It should be borne in mind that this Company acquires from Mr. Ladue properties estimated capable of carning large dividents on its stock from its placer and humber interests alone, and that these returns will be very greatly increased from the output of its quartz mining and other contemplated enterprises under Mr. Ladue's vigorous management.

We want a responsible party to represent the Company in this locality. Highest referrequired. Address Thomas H. Whitney, State Agent, 129 South 5th st, Phila.

Elder Wm. Tennison

the Great Benefits Derived From Dr. Miles' Heart Cure.

EART DISEASE of long standing is not easily cured, but it is CURABLE. Elder Wm. Tennison writes: "I was afflicted for thirty-five years with heart disease, in fact, troubled with it nearly all my

life; I think it hereditary as my father was afflicted with it. I have suffered great distress, my heart palpitated to

such an extent as to

shake my whole body.

odistressing was it I could only with greatest difficulty compose myself to sleep. About two years ago I began taking Dr. Miles' Heart Cure. The first bottle gave me no perceptible benefit, but after taking the third I began to feel much relief and I continued for some months. I have good rea-

son to believe the cure is permanent.

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on Heart and nerves sent free to all applicants.
DR. MILES MEDICAL CO., Elkhart, Ind.

CAT'S QUEER FAMILY.

Chicago Feline Is Bringing Up Five Little Mongral Pupples.

"Mouser" is an ordinary tiger-marked cat. Her maternal troubles have rendered her somewhat peaked in the points. Her bones threaten to pierce the yellowish skin at various portions of her anatomy. Small wonder. 'Mouser" is furnishing sustenance to five healthy, well-developed dogs, seven weeks old. The little fellows, have, apparently, capacious stomachs and she is not a whit niggardly is the supply of food.

"Mouser" is the bouse cut at Dent's dog hospital, 1246 Michigan avenue, Chicago. She has had a numerous

QUEER CHICAGO FAMILY. ("Mouser" and the Pupples She Has Adopted.)

progeny-ten families, in all. Having no regard for the truly maternal instinct, she starved each and all of them to death. Only July 1 George T. Jennings, a real estate broker, sent his fine successful lawyer?" cocker spaniel to the dog hospital. She had five puppies, but they were of mongrel breed and he would have none of them. He told the "faculty" to do as they pleased with them, but to return the mother. It was determined to drown the little fellows and arrangements were made for their summary disposal by the water way. While the "faculty" were debating "Mouser" became the mother of a prodigious fam-

Knowing she had not a spark of motherly love, according to previous experience, it was determined to reverse the contemplated proceeding-kill the kittens and let the dogs have their day. "Mouser" was therefore robbed of her lineal descendants and the five little dogs were formally introduced to the feline household. Contrary to all the laws of nature, "Mouser" at once took a fancy to the acknowledged enemy of her species and has nursed them as faithfully as would have their natural mother. The watchful care which she exercises over them is marvelous.

While they are at play she keeps an eye on the group and should one of them stray away beyond bounds in the this some day. sunny little yard where she "keeps house" she at once chases the truant and rounds him iffto the fold. No dog dares to venture near them. There are many canines under treatment about the place. Those who have been there long enough have had an experience with her paws which they are not forgetting. While "Mouser" was posing for a picture for the Chicago Times-Herald a stray dog dropped in and became too familiar with her foster progeny. He promptly received a slap on the jaw which sent him away howl ing. She purred and the little black and white lot waddled up to her, while she stood guard and spat at the intruding terrier. "Mouser" monopolizes interest around the dog hospital. Royal blood has given place to kitty and her mongrel crew.

His Special Qualification. "How sweetly he writes of boy-life in the country. The memory of his early days must be very dear to him." "Yes, you see, he never worked on a farm."—Chicago Journal.
