That Reform Platform.

The Editor of the Post is offering a premium for the construction of the best platform for the members of the Legislature to run upon at the next Republican primary in this county. We just wish to say to Editor Wagenseiler, platforms are made to run on before election and not to stand upon when in office. We suggest that your premium consist of a piece of blue sky on the shady side of Jack's mountain.—*Selingsgrove Times.*

We realize that what the Editor of the Times says is true, but we expect competitors to devise plans to overcome these difficulties. We want a plan to compel the enforcement of the proposed platform.

Honest Legislators.

The Philadelphia Record of Saturday says:

"The Middleburgh (Snyder county) Post says that that county should have an honest man at the State capital in the next Legislature. There are many other counties in the State, including Philadelphia, experience the same need of honest delegations in the Legislature, though elsewhere the need is not quite as bluntly expressed as in Snyder county. After a while, however, when the jobbers of the late Legislature shall have begun to move for re-nomination and re-election, it will be necessary to speak out very plainly."

Moyer has received new music for the Third Annual Musical Assembly which will be held in the Open House, Dec. 20 to Jan. 1st. FRAMES OF 1897-8
The Personally-Conducted Tourist system of the Pennsylvania Railroad Company is the highest perfection yet attained in railway travel. It affords all the comforts and conveniences of modern railway equipment, and at the same time eliminates all anxiety and annoyance inseparably connected with individual travel.

For the season of '97 and '98 it has arranged for the following tours:—
California—Four tours, leaving New York, Philadelphia and Pittsburg January 8, January 27, February 16, and March 19. With the exception of the first party going and the last returning, all of these parties will travel by the "Golden Gate Special" between New York and California, stopping at interesting points en route.

Florida—Four tours to Jacksonville will leave New York and Philadelphia January 25, February 8 and 22, and March 8. The first three admit of a sojourn of two weeks in the "Flowery State." Tickets for the fourth tour will be

good to return by regular trains until May 1, 1898.

Tickets for the above tours will be sold from all principal stations on the Pennsylvania Railroad.
