SELINGSGROVE.

The Commencement passed off very well, the weather was all could be desired, the exercises were all excellent, the music by the orchestra was highly appreciated by all. This orchestra is composed of students in the institution. There were a great many visitors from a distance, there were very few homes in the town in which were not some guests taking in the commencement. Many expressed surprise at the rapid stride Susquehanna University had made in the last few years. Miss Dora Bratton of McClure was the guest of Miss Annie Miller during commencement. Jas. K. Davis Jr. has returned from state college where he is taking a course in Electrical Engineering. The Borough teaching last. Miss Anna C. Fisher-ville is the welcome guest at Frank Good's. Dauntless Hook and Ladder Co. held a festival on Friday and Saturday evenings, they did very well, the people always support the "Fire Laddies". L. T. Sharpless, wife and daughter of Bloomsburg were entertained by Dr. B. F. Wagenseller during commencement week. Miss Myra Moyer of Bloomsburg is a welcome guest of the Misses Kistner. Mrs. Bayard of Ridgway is visiting her parents, Rev. and Mrs. Chilcote at the M. E. parsonage. The Reformed S. School held Children's day exercises on Sunday evening, the exercises were well rendered and enjoyable. Trinity Lutheran choir has accepted an invitation to sing at the Lutheran Reunion on Island Park on Aug. 4th. Dr. W. O. Perkins of Boston is in town and has commenced giving private lessons on voice culture. All who can possibly do so should embrace this opportunity, as such opportunities do not often come so close to hand, as this does, by such a distinguished musician as Dr. Perkins. Rev. C. R. Bottsford and family leaves this week for his field of labor at Northumberland. Rev. H. P. Miller will leave for his field of labor this week. He goes to Brooklyn. Rev. Dr. Ochsford is taking in the commencement of Muhlenberg college. Harry Y. Fryling of Renova spent Sunday with his brother-in-law, Z. T. Hettrick.

Accident at Zion's Church.

On Tuesday morning, at half-past eight, a serious accident occurred at Zion's church. It is in process of construction and the men were putting on the rafters. A number of them had been put up, when the rafters, through some means, lost their balance, fell, knocking several of the men down with it. The rafters fell on Abner Hackenberg striking him in the region of the stomach and bruised him considerably, Daniel Fuhrman's leg was broken and others were slightly injured. All will recover.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by all druggists.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude, not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by all druggists.

Proper Talk.
"You talk such nonsense," so he said, "With just a shade of condescension."
"Your pardon, sir," 'twas merely meant "To come within your comprehension."
—Chicago Record.

Styles of Fiction.
"Yes," said the man with the heavy gold watch chain, "he didn't get along in life."
"To what do you attribute the difference in your careers?"
"He wasted his time building castles in the air, while I went ahead and planned maps of boom towns."—Washington Star.

His Family Tree.
"You've been talking about your family tree, have you not?" she asked.
"Family tree!" repeated the humorist in a puzzled tone. "Oh, dear, no. Where did you get that idea?"
"Why, I heard you say something about 'chestnut'!" she explained.—Chicago Post.
