It seemed impossible to correct or even to check the disorders.

"I had become greatly weakened," said Mrs. Herr, in telling her story to a reporter, "and the awful cramps and the frequency and nature of the fainting spells alarmed me beyond belief and shattered my system. "I tried electric treatment; it failed, and I did not know where to turn for help.

"A friend told me how her mother had been greatly benefited by taking Dr. Williams' Pink Pills for Pale People.

"I had but little hope for success; but decided to give these pills a trial.

"I took two boxes and was much benefited. After taking six more boxes I was cured. Dr. Williams' Pink Pills for Pale People had done what all the previous treatment had failed to do.

SCENE IN A PORTUGAL WINERY,
In the meuntains, at the Quinto do Sexie, Portugal, a famous Port Wine district where the custom of treading the grapes for Port Wine is still in vogue. From ten to a dozen men or women for each gang in turn continue the treading, day and night, during the four or five weeks vintage. Some of the treading vats are large enough for three separate rows of en men each, who with their white breeches well tucked up, their ms on each other's shoulders, raise and tread their feet alternately, the song and shouts to keep the lazier ones up to the work, and a band with string instruments enlivens the hours.

Speer, of New Jersey, Uses Rollers instead of Feet It is from this district the vines were imported over forty years ago that now fill the vineyards of the Speer Wine Co., at Passaic,

At Passaicthe same kind of grapes are crushed between large rol-lers of rubber, revolved by steam. This is the only place in this country where the real genuine Port Wine is made from the Oporto grape—and they are grown right in Speek's Vineyards.

These vineyards extend over 1/3 of a mile along one of the Main

avenues of Passaic, and comprise fifty six acres. The soil being rich in iron makes the wine most valuable for Medical use.

SPEER'S WINES Are well known to be of the highest character, the oldest and most refined Wines in America, equal if not superior to any wines in the world. They consist of Port, Sherry, Burgundy, Claret, Sauterne Wines, and \* \* Climax Brandy. Mr. Speer has some Wine in his cellars that he made over thirty eight years ago. All of Speer's Wines and Brandy are very old, rich, well rounded, soft and delicate. Every family should have a bottle or two of each variety of Speer's Wines and Brandy always in the home, for sickness or family use,
