How Relief Came.

This is the sequel of a terrible calamity which affected many sections of the country some years ago. A host of victims suffered disease and death. The survivors have now a new reason to rejoice. many fatalities about seven years ago.

"I was troubled with shortness of breath, palpitation of the heart and a general debility. My back also pained me severely.

"I tried different doctors and carefully followed their directions, but no benefit was apparent. I used numerous remedies that were highly recommended but no satisfactory results were obtained.

"I began to give up all hope of receiving relief. My condition was deplorable.

"In reading a St. Louis newscaper I noticed an article extolling Dr. Williams' Pink Pills for Pale People.

"After making inquiries regarding them I concluded to give the pills a thorough trial.
"I used the first box and was wonderfully relieved.
