

A Woman's Work.

For thirteen years this woman suffered from a helpless infirmity which baffled skillful medical treatment. She was restored to health in a remarkable manner, and is now helpful to other sufferers.

Thirteen years Mrs. George L. Rogers, West Main Street, Canton, N. Y., suffered from the indescribable tortures of inflammatory rheumatism. Many persons who have been afflicted with this disease know what such sufferings are.

Those who have never felt the pangs of rheumatism have not the remotest idea of what years this was an obstinate disease. In recent years, however, there has been a remedy which successfully cured it. The many cures effected by Dr. Williams' Pink Pills for Pale People attest to that fact. One of the striking examples is Mrs. Rogers' experience.

Speaking of it to a reporter she said: "Thirteen years ago I was attacked with inflammatory rheumatism and a complication of diseases. I cannot begin to describe my sufferings at that time. You can judge, somewhat of what I suffered, when you look at these hands. They were distorted, twisted and swollen. My foot, too, is so much out of shape that the big toe lays across the others, the little toe touching the little toe. Notwithstanding I am sixty-five years of age, I have a pleasant home and other comforts, life to me was far from enjoyable, for other things pale into insignificance when compared with good health."

"I tried different doctors and many proprietary remedies, but no permanent benefit was obtained. Last March I was induced to try Dr. Williams' Pink Pills for Pale People. Before I had finished the first box I began to feel that they were doing me good. I continued using them and steadily grew better. I have used thirteen boxes of the pills and to-day feel better than for the past fifteen years. My appetite is good; I feel bright, cheerful and have a desire to live and enjoy society. I have been a member of the Methodist church for many years, but for six years was unable to attend. Now I am able to attend the church services regularly and certainly appreciate that privilege. I consider Dr. Williams' Pink Pills for Pale People a wonderful medicine and am confident no other remedy could have effected the wonderful cure they have in my case. I am glad to state this, hoping that some sufferer may profit by it and obtain relief. It was nature's own remedy that accomplished this cure caused by impure blood, for Dr. Williams' Pink Pills for Pale People are composed of vegetable remedies that exert a powerful influence in purifying and enriching the blood. Many diseases long supposed by the medical profession to be incurable have succumbed to the potent influence of these pills. This universal remedy is sold by all druggists."

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by all Druggists.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Speer's Port Grape Wine

Nine Years Old, Burgundy Eight Years Old, and Claret 16 Years Old. Extensive Wine Cellars.

Storing, Ageing and Racking Wine.

A wine made one year and sold the next is not a proper wine for invalids; to get rid of its coarse and injurious elements requires years for it to lay in wood casks, and by frequent drawing off from its gross sediment, or the coarse parts it becomes rich and mellow and valuable for invalids. It is sudorific, diuretic and blood making from the iron in the soil of the Speer vineyards in Northern N. J. The principal varieties are the Port, Burgundy, Sherry and Claret and the Climax brandy. All these wines when stored for years and drawn off from time to time in fresh fumigated casks become vastly superior products and necessarily are more expensive. This is why Speer's wines and Brandy are more costly and so far superior to the California wines. They are absolutely pure; unexcelled by any in the world. Speer's wines are ordered by wealthy and refined families in Europe where they are prescribed by physicians and are esteemed for their superiority, velvety roundness, full body and refined flavor. The efficacy of these wines is wonderful. It has been a study and a pride during Mr. Speer's life to produce a wine of the highest grade of perfection—not so much to make money as to excel in getting a wine of the richest character. He has spared no labor nor expense in bringing his vineyards and wines up to the above high standard of excellence. The Climax ★ ★ ★ Brandy twenty years old is equal to the finest French brands. To be had of Druggists and Grocers who sell high class wines.

Unfortunate. "I'm afraid I have lost a patient," said the young physician who realizes the value of making an impression.

"Didn't you know what remedy to prescribe?"

"Perfectly. That part of it was simple enough. But I couldn't think of the Lath for 'mustard plaster.'"—Washington Star.

Couldn't Read It. "I've heard it said he was a mind reader," said her dearest friend.

"It's not true," she replied, bitterly. "How do you know?"

"Aye, There's the Rub." "Pooh! I know a story that's just as good as that!" exclaimed the bore.

"Undoubtedly," they replied; "if you could only tell it as well."—Chicago Post.
