There have been fourteen deaths in the Fifth Regiment Penna. Vols. It was mustered in at Mt. Airy, N. C. When a whole town is thrown into mourning by the loss of one of its citizens, you can make up your mind that the deceased was either a very important person or that he was a very small one.

Snyder County pays into the Treasury \$4,787.81 as individual taxation and she gets from the state Treasury, \$33,555.82, which includes appropriation for public schools judges salaries, etc. Look at the date after your name on the label of your paper. That is the date to which your paper has been paid. If it needs attention, give us a little ready cash to pay our bills for paper, ink, employees, and rent. The Juniata County Court approved the finding of the grand jury at their late term granting a county bridge to be built jointly by Juniata and Snyder Counties over West Mahantongo Creek, near Richfield. Chairman Henry Brown of Freeburg and Secretary Reigle of Adamsburgh of the Republican Standing Committee were Middleburgh visitors last week. They have completed the arrangements for the Republican rally Oct. 3rd at this place. A smooth, easy shave, genteel haircut, or other tonsorial work, is always obtained at Soles' Barber Shop, in Wittenmyer's building, opposite Post office. Go to Soles to buy new razors or exchange for old ones. Razors honed and guaranteed to give satisfaction. A. E. SOLES. And now the newspapers are assisting these sons of rich men, sons of politicians and other non-entities to shift their crimes on Secretary Alger. Thus will they escape. Yes, let us ease our conscience and place all of our wicked deeds upon the shoulder of the devil. The internal revenue department decided that the holders of an unstamped check may stamp it and cancel the stamp, that the check need not be sent back to the maker to be stamped. This is common sense. The object of cancellation is to prevent re-use of the stamp. L. Wm. H. Gemberling and Mrs. Perry L. Romig of Selingsgrove and Mrs. Flein Seesholtz of Sunbury attended the funeral of N. A. Bowers' infant. Mr. Gemberling is still suffering from injuries received in an accident at Schure's mill in May. He fears the injuries will be permanent. Mrs. G. W. Wagenseller visited her sister, Mrs. H. H. Harter, at Northumberland on Monday. She returned with her nephews, Wilmer and Bryce Harter. What a disaster it would be after the administration has conducted the most successful war the world has ever seen, to elect a Congress not in sympathy with it politically! And what an undeserved rebuke it would be for the people to express anything else than the most unqualified confidence in the President and his Cabinet. The Pennsylvania Railroad will in a few weeks commence the erection of a new line of railway from Primrose, Schuylkill county, to Williamsport, Dauphin county, it is reported. This will give the line a connection with its great western line to Pottsville. The new road will pass by West Falls along Broad Mountain into the Lykens valley. The fences in front of David Wetzel's and Miss Amanda Wittenmyer's residences in Franklin have been removed. This is an innovation to the time-honored custom, but it adds so much to the appearance of a property that many others will probably follow suit. John F. Stetler has removed his fence. The Steinger Brothers will do the same and will erect walls and more fully terrace their lawns. A funny man at Hutchison sent some of the boys of the Twenty-first regiment a lot of trash. This was the Hutchison's man's idea of a joke. Now the boys are getting it back on him. A soldier can send a letter, the postage to be paid by the receiver. Each day now the funny fellow receives a gist of letters thanking him for the box and promising that all the boys will write again next day, and he has to put up all the postage.

Almost Four Score. Frederick Walter, one of the Old Landmarks of Snyder County Passes to His Rest. A Long Career and Numerous Descendants. For the past eight months Frederick Walter, one of the oldest citizens of this borough has been ill and while the many friends knew he could not last much longer, yet the coming of the silent angel on Saturday evening at 7:30 marked the close of a long and successful career. He was a quiet, peaceful, law-abiding citizen, loved and respected by the entire community who now join the friends and relatives in bowing to the Divine will of a creator who doeth all things well. Frederick Walter was born in Penn township Union (now Snyder) County, Pa., Mar. 15, 1820, and died Sept. 24, 1898, aged 78 years, 6 months and 9 days. He was baptized in 1820 by Rev. T. L. Fritz, sponsors, Frederick Rau and wife, Elizabeth. He is the son of John Charles (Johann Carl) Walter and his wife, Christina Rau, who after the death of John Charles Walter married a Mr. Schoch of New Berlin. The deceased had a pair of twin brothers, Charles of New Berlin and Jacob of Edwardsburg, Mich. Another brother and a sister have moved elsewhere outside of the knowledge of the deceased. Frederick Walter was married March 2, 1845, by Rev. Adolf B. Casper to Harriet Shannon, a daughter of Jacob and Rebecca (Oehlinger) Shannon. He with others had been detailed to gather together a lot of guns to burn them. They did so and while sitting around the fire, the load of a gun that had not been discharged, went off and fatally wounded him. 3. Mary Malinda, born Oct. 18, 1849, married J. S. Boob of Millinburg, July 22, 1869. They reside in Millinburg and have a daughter, Virgie. 4. Elmira Minerva, born Oct. 19, 1852, married Sept. 5, 1871, to Calvin Stetler, a barber and insurance agent of Middleburgh. They have three children, Mame, Minerva and Frederick. 5. Thursday afternoon Mr. Artley, a huckster from Middleburgh, lost control of his team, which went galloping out Market street and in front of Brosius Bros. store took to the pavement, breaking off several of the posts which support the awning. Commodore Moore, manager of Clement's Cash Store, seeing the accident, ran across the street and first flagging the team he then stopped them. The Commodore is an old hand at this business and deserves a medal.—Sunbury Item. Report of U. B. Pastor. Pastoral report for the year ending Oct. 6, 1898: Sermons preached 151; Pastoral visits 167; Collected for Missions \$19.62 and for conference collection \$12; Number of members received 31; Number of adults baptized 2; Number of children baptized 45; Marriages 7; Officiated at funerals 8; Amount of presents received \$51.28. S. B. BOUGHTER, Pastor of U. B. Church. The Rubber Band Cure. A simple remedy for headache worth trying is to put a rubber band around the head just above the ears. The band should not be tight enough to stop the circulation of the blood. The band known as the string band is generally sufficiently heavy for the purpose. It should be applied just as soon as it is noticed that the headache is setting in, and taken off the moment the pain ceases. In many cases the rubber band works nicely, though it affords no relief when the headache is the result of stomach trouble or biliousness. I find, also that a rubber band twisted about a toe between the corn and the foot is a handy remedy to stop the pain from a jumping corn. Corns are very liable to be troublesome when there is much humidity in the atmosphere. The rubber band seems to temporarily quiet the nerves in the toe, and in this way stop the pain. As in the case of a band around the head, the pressure should not be tight enough to stop the circulation of the blood.

Here is a treatment for typhoid fever which our informant says has, to his knowledge, never failed to cure: When the fever starts saturate a couple of sheets in as cold water as can be had, ice cold if obtainable; strip and wrap the patient in these water-soaked sheets and as soon as the sheets become warm from heat of body apply other cold ones until the fever breaks, which it will do after a few packings in these cold-watered cloths. All that is needed besides this treatment for the recovery of the patient is to administer remedies to overcome any costiveness in the case.—Saxton Herald. The 10th Ohio Regiment, the Champion Base Ball team of Camp Meade, will play at Selingsgrove, Saturday afternoon.
