Women Should Know It. Many women suffer untold agony and misery because the nature of their disease is not carefully understood. They have been led to believe that would trouble or female weakness of some sort is responsible for the many ills that beset womanhood. Neuralgia, nervousness, headache, puffiness or dark circles under the eyes, rheumatism, a dragging pain or dull ache in the back, weakness or bearing down sensation, profuse or scanty supply of urine with strong odor, frequent desire to pass it with burning or scalding sensation, sediment in it after standing in bottle or common glass for twenty-four hours, are signs of kidney and bladder trouble. The above symptoms are often attributed by the patient herself or by her physician to female weakness or womb trouble. Hence, so many fail to obtain relief, because they are treating, not the disease itself, but a reflection of the primary cause, which is kidney trouble. In fact, women as well as men are made miserable with kidney and bladder trouble and both need the same remedy. Dr. Kilmer's Swamp Root is the great discovery of the eminent kidney and bladder specialist, and is easy to get at any drug store for fifty cents or one dollar. To prove its wonderful merits you may have a sample bottle and book telling all about it both sent absolutely free by mail. Kindly mention THE POST and send your address to Dr. Kilmer & Co., Binghamton, N. Y. HIS FIRST WASH. Weary Walks—Say, Grimes, what's Rusty Ruler been doin'? He looks like another feller. A Sure Sign of Croup. Hoarseness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves much trouble and worry. It can always be depended upon and is pleasant to take. For sale by all Druggists.
