

# The Cruel Knife!

It is absolutely useless to expect a surgical operation to cure cancer, or any other blood disease. The cruelty of such treatment is illustrated in the alarming number of deaths which result from it. The disease is in the blood, and hence can not be cut out. Nine times out of ten the surgeon's knife only hastens death.

My son had a most malignant Cancer, for which the doctors said an operation was the only hope. The operation was a severe one, as it was necessary to cut down to the jaw bone and scrape it. Before a great while the Cancer returned, and began to grow rapidly. We gave him many remedies without relief, and finally, upon the advice of a friend, decided to try S. S. S. (Swiff's Specific), and with the second bottle he began to improve. After twenty bottles had been taken, the Cancer disappeared entirely and he was cured. The cure was a permanent one, for he is now seventeen years old, and has never had a sign of the dreadful disease to return.

Absolutely the only hope for Cancer is Swiff's Specific.

## S. S. S. For the Blood

as it is the only remedy which goes to the very bottom of the blood and forces out every trace of the disease. S. S. S. is guaranteed purely vegetable and contains no potash, mercury, or other mineral.

Books on Cancer will be mailed free to any address by the Swiff Specific Co., Atlanta, Ga.

## PENNSYLVANIA RAILROAD

Secretary & Lewistown Division

In effect Nov. 20, 1898.
