Parsnip Complexion.
 It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffy circles under the eyes, the yellow, parsnip-colored complexion indicates it.
 A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is a unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.
 When these symptoms are present, no time should be lost in removing the cause.
 Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.
 Dr. Kilmer's Swamp Root, the great discovery of the eminent kidney and bladder specialist, is positive remedy for such diseases. Its reputation is world wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.
 However, if you prefer to first test its wonderful merits, mention THE MIDDLEBURGH POST and write to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and book telling all about it, both sent absolutely free by mail.
