**How to Find Out.**  
Fill a bottle of common water glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desires to pass it or pain in the back is also a convincing proof that the kidneys and bladder are out of order.

**WHAT TO DO.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold water and sealding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. At druggists fifty cents or one dollar.

You may have a sample bottle and a book that tells more about it, both sent absolutely free by mail, if you send your address to Dr. Kilmer & Co., Binghamton, N. Y. When writing be sure and mention that you read this generous offer in THE POST.

**Two Pinned Questions Answered.**  
What is the use of making a better article than your competitor if you cannot get a better price for it?  
Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.

How can you get the public to know your make is the best?  
If both articles are brought prominently before the public both are certain to be tried and the public will quickly pass judgment upon them and only use the better one.

This explains the large sale on Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable novelty put forth with exaggerated claims, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing better than Chamberlain's Cough Remedy. For sale by all Druggists.
