

WONDERFUL

OVERCOAT

AND
SUIT SELLING

BROSIOUS BROS.

We have never experienced such a rush for Overcoats as the past few days has brought forth. We have sold more Overcoats than was sold up to Christmas last year, and still it seems to make little impression on the immense lot we have in stock—a few more than five hundred to select from, that's the reason.

WE SELL MORE OVERCOATS EACH SEASON as the styles grow nobbier and the assortment larger.

When out driving with it the darkness easily keeps about two hundred feet ahead of your smartest horse. When you want the very best Driving Lamp to be had, ask your dealer for the "Dietz."

We issue a special Catalogue of this Lamp, and, if you ever prowled around after night-fall, it will interest you. 'Tis mailed free.

At this time of the year, when looking around for Xmas presents, people are often at a loss to know what to buy. This may be overcome at once by visiting Weis' Store, Selingsgrove, where you may find an extensive line of fancy articles, both useful and ornamental at prices to suit all.

December 13th was the thirty-sixth anniversary of the Battle of Fredericksburg, Va. This day—Tuesday last—the survivors of the 131st Regt. Pa. Vol., held their annual reunion in Lewisburg. They took a prominent part in the battle named. We understand the veterans had a very enjoyable reunion. Next year they will meet at Middleburg, Sept. 17. The officers elected for the ensuing year are as follows: President, Jas. P. Smith; 1st Vice President, M. L. Wagenseller; 2d Vice President, E. Minium; Sec'y, Benjamin Bachman.

The seems to be no doubt that Snyder County will eventually figure in the coal industry of Pennsylvania. The genuine material was found at Beavertown.
