BROSIOUS BROTHERS,

Market Square,

SUNBURY, PA.

CORRESPONDENCE.

SELINGSGROVE.

Rev. Dr. Pischau of Greensburg, Pa., delivered two excellent lectures, one on the "Catechism of the Sea," and the other on "Sunny South Sketches." They were very entertaining and instructive. Post 148 held a chicken and waffle supper on Saturday evening last and were very well patronized clearing quite a nice sum. Efforts are being made to secure the Herndon Plowing Mill. We hope it will be successful. Word was received from Chambersburg on Thursday that Rev. J. E. Honeycutt had died. He was a former resident of this county. Immense quantities of ice were put up into the various ice houses and upwards of thirty carloads shipped to different points, the ice is of excellent quality. Rev. Barb, pastor of the college church, preached last Sunday at Hughesville, Pa. His pulpit was filled in the morning by C. B. Harman and in the evening by S. N. Carpenter, both students in the Theological department. Dr. Dimm, President of the University, who took grippe while in Philadelphia two weeks ago, has about recovered his health and began his usual duties at the University on Monday morning. Miss Daisy Bessler of Williamsport is being entertained at the home of G. R. Hendricks. Several sleighing parties were out on Saturday evening last.

Communion services were held in the Lutheran Church on Sunday Morning by Rev. Schoch and in the U. B. Church in the evening where Rev. Stapleton, P. E. officiated.

Some of our people were filling their ice houses last week. A surprise party was given for P. A. Schme on Wednesday evening. A large number of our townspeople attended. H. C. Stellen of Hummel's Wharf moves near this place this spring. Wm. I. Yerger moves his saw mill near Pallas in the near future on Jacob Gangler's land. Mr. Neitz of near Shadel will move to our town in the spring. A sled load of our young folks enjoyed a drive near the Danville church. They were the guests of James Leitze's. The protracted meeting at Ebenezer church is still in progress. Solomon Steininger of McClure was in town on Sunday. H. J. Heiser and wife of Shadel were the guests of Tobias Reitz's on Sunday.

FREEBURG.

H. B. Moyer, W. L. Bassler, H. C. Fisher and John Miller attended the inauguration. Our soldier and tall constable, L. Keeler, presented to the Grand Army Camp at Selinggrove his heavy 13-pound rooster which they used at their recent public supper. Your correspondent has no knowledge of the age of the bird. Those who consumed it are in a position to give this information. J. Wesley Reichenbach, of Rebeck, Northumberland Co., is visiting his friends in this locality. He is the guest of his sister, Mrs. Henry Steffen. Our watchmaker, S. D. Kauffman married Miss Weaver of near Thompsonstown and is now on his wedding trip to Lancaster Co. Dr. Wolf of Lancaster county has located here and occupied the office vacated by Dr. D. G. Smith.

There is a Class of People

Who are injured by the use of coffee. Recently there has been placed in all grocery stores a new preparation called GRAIN-O, made of pure grains, that takes the place of coffee. The most delicate stomach receives it without distress, and but few can tell it from coffee. It does not cost over 1¢ as much. Children may drink it with great benefit. 15c. and 25c. per package. Try it. Ask for Grain-O.

UNION TWP.

R. S. Aucker of Shamokin was here looking after his stock farm last week. Dr. R. S. Gaugler, after spending his honeymoon here, left last Thursday for Dayton, O. where he will start up in business for himself. S. J. Stroub will move to Hummel's Wharf in the spring and will embark in the mercantile business. John Ulrich of Stroutstown will move east this spring and farm for Mrs. Annie Longacre. E. Longacre and Enoch Aucker were shelving up the new restaurant at Pallas last week for R. L. Shaffer. Mrs. W. H. Thomas is confined to her bed on account of sickness.

Many People Cannot Drink

Coffee at night. It spoils their sleep. You can drink Grain-O when you please and sleep like a top. For Grain-O does not stimulate; it nourishes, cheers and feeds. Yet it looks and tastes like the best coffee. For nervous persons, young people and children Grain-O is the perfect drink. Made from pure grains. Get a package from your grocer 10-day. Try it in place of coffee. 15 and 25 cents.

KREAMER.

James Magee was confined to his bed with sickness the forepart of the week. Tuesday evening of last week at about 7 o'clock Charlie, son of Frank Thomas and wife, passed from life to eternity. Deceased was suffering for some time with membranous croup. Charlie was liked by everybody. The funeral was held on Friday afternoon at one o'clock. Aged 4 years, 5 months and 5 days. Oscar Thomas, a brother of Charlie, died on Sunday night of the same cause. The funeral took place on Wednesday. The deceased was one year and several months of age. We extend our heartfelt sympathies to the doubly bereaved family. J. J. Mitchell and wife returned from a few weeks' sojourn to Philadelphia. N. P. Hummel drove to Paxtonville last Saturday evening. Mrs. Annie Hottenstein of Middleburg was visiting friends in this locality last week. John Mitchell of Renova visited his parents over Sunday. His wife and son have been here for some time. The show on Saturday evening was a great event. It took place in the hotel instead of the hall. We would advise these great actors to leave their revolvers and shooting arms at home the next time they come to this place. Prof. George Fisher and wife visited J. F. Walter's on Sunday. Miss Ida Fields entertained a sled load of young folks from Selinggrove on Tuesday evening of last week.

Will Examine Blood Spots

The county authorities have arranged with Prof. Joseph McPharland, who occupies the chair of pathology at the Medical-Chirurgical College at Philadelphia, for the examination of the blood spots on clothes worn by Edward Criss when he was arrested by Col. Shindel. Prof. McPharland is one of the leading scientists of the country and his testimony upon the examination of blood spots in the maker tragedy at Philadelphia short time ago, was the leading testimony offered by the Commonwealth. The county officials take the clothes to Philadelphia to deliver them in person to Prof. McPharland, who will make the test and then give his testimony to the court when the case is brought up for trial. Notwithstanding extensive preparations of the county in the case it is the opinion of many that the defense has some up their sleeves and that Criss will never be convicted.
