### Regardless of Age.

The kidneys are responsible for more sickness, suffering and death than any other organ of the body.

A majority of the life-afflicting people today is traceable to kidney trouble. It prevails all classes of society, in all climates, regardless of age, sex or condition.

The symptoms of kidney trouble are unmistakable, such as rheumatism, neuralgia, sleeplessness, pain or dull ache in the back, a desire to urinate often day or night, profuse or scanty supply.

Uric acid or brick dust deposit in urine are signs of clogged kidneys, causing poisoned and germ filled blood. Sometimes the heart acts badly, and tube casts (wasting of the kidneys) are found in the urine, which if neglected will result in Bright's Disease, the most dangerous form of kidney trouble.

All these symptoms and conditions are promptly removed under the influence of Dr. Kiefer's Swamp Root. It has a world wide reputation for its wonderful cures of the most distressing cases.

No one need be long without it as it is so easy to get at any drug store at fifty cents or one dollar. You can have a sample bottle of this wonderful discovery, Swamp Root, and a book telling all about it, both sent to you absolutely free by mail. Send your address to Dr. Kiefer & Co., Binghamton, N. Y. and kindly mention that you see this liberal offer in THE POST.

I felt better from the very first one I took. I had taken them for about a month, and was feeling so much better that I had forgotten about the bad feelings I used to have. The doctors called my trouble dyspepsia. I had it for about seven years, and had never in all my life been able to eat rich food or a very hearty meal. I often wondered why I should have so much dyspepsia. I would have what I call waterbrash sometimes four or five times a day, when clean water that seemed hot would run out of my mouth and the pain was something terrible for a minute, or else I would have pains at times in my stomach that would fairly double me up or pains in my shoulders and legs and all over me so that I would wish I was dead. I would send for the doctor, and when he came in he would say: "Well what is the matter now?" The best way to describe how I felt was just to say that everything was the matter with me and I felt bad everywhere. I think everybody who is troubled with their stomach ought to just try Ripans Tablets and they will soon know how valuable they are. My age is fifty-one years.
