### CORRESPONDENCE.

#### WEST BEAVER.

The election passed off quietly on Saturday. Every one was well pleased, especially those who came out victorious. The grip has caught almost every one in this end of the county. The greater number are slowly improving. James Peter now moved his saw mill to Lowell and will soon be ready to saw all kinds of lumber, for Salt river delegates. Henry Kahley is taking on lumber for a new house which he expects to put up in the spring. E. B. Middleswarth, the landlord at McClure, purchased the interest of Wm. Herlster at McClure and expects to go in the store business in the spring. It is reported that Henry Herlster expects to put up a roller mill at McClure in the spring. James Steady made a business trip to Lewistown last week to have his teeth extracted without pain. He claims it was a success. A. D. Shirey bought out the confectionery store of C. A. Wagner at McClure and expects to go into business in the spring on a large scale. By looking over the roll of honor in last week's Post it is easily seen the community is taking advantage of the liberal offer made by the editor, one dollar for a paper that contains all the latest news—the Post. Fred Gundrum filled his ice house last week with ice 11 inches thick. Hon. Alexander Knepp has now the position as assistant mail carrier from Bannerville to McClure.

#### MT. PLEASANT MILLS.

John M. Steffen spent several days in Sunbury and Hummel's Wharf, visiting friends. H. C. Haas and wife and W. W. Womer attended the inauguration of W. A. Stone at Harrisburg on Tuesday. W. A. Harding spent Sunday at Hoffer. John Shaeffer and family and John W. Teats and family of near Grnb's church were the guests of Mrs. Snyder on Sunday. H. J. Heiser and wife of Shadle were the guests of J. I. Yergler on Sunday. The Democrats and Republicans of Perry township will hold their nominations on Saturday next, the 28th inst. The Fremont Orchestra furnished music for the institute at Richfield on Saturday evening. Alvin Snyder will move on a farm near Selinsgrove this spring. Rev. Rock

of Shamokin delivered a lecture in the U. B. church at this place on Wednesday evening. Subject, "Better than Gold." It was pretty well attended. C. A. Schnee, who is employed at Scranton, spent a few days at home last week.

Quite a number of candidates have already announced themselves for the various township offices. The primaries for both parties will be held on Saturday, the 28th inst. The Fremont orchestra furnished music for the Saturday evening session of the joint institute held at Richfield, Jan. 29th and 31st. John F. Boyer delivered an interesting lecture to state horticulture society which convened at Harrisburg last week. Albert Schnee intends to build a magnificent dwelling next summer. John F. Setzler of Middleburg is to be the architect. The lecture entitled "Better than Gold" by Rev. Rock of Shamokin, delivered in the U. B. church was greatly appreciated by all who heard it. The doctor is an able lecturer and knows how to handle his subject.

#### What Do the Children Drink?

Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicate and nourishing and takes the place of coffee. The more GRAIN-O you give the children the more health you distribute through their system. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/4 as much. All grocers sell it. 15c. and 25c.

#### SELINGSGROVE.

The Sophomore and Freshmen classes of the University banqueted on Friday evening last, the former at the Washington House of your place, the latter by special car at Hotel Haag, Milton. They had banners on each side of the car "U. S. Freshmen" and in rear "Class of 1902." Both parties report having had a good time. Rev. S. E. Ochsenford, D. D., was elected to the chair (at Allentown College) made vacant by the death of Dr. Richards. It is reported he will accept. Amos Gemberling, a brother of Mrs. Jno. Laudenslager, is visiting his sister and other friends in this place. He says it has been nine years since he left here. His business is bridge-building. Hannah Dietrich, who has been at the Danville Hospital for some time, died last week. Her remains were brought here on Saturday

for burial. Clarence Hummel and wife of Omaha who have been visiting friends here the last three months, left for their home on Friday last. Post 148 cleared \$89 at the chicken and waffle supper on Saturday evening, 14th. Miss Edna Leiser of Watsonown is being entertained at A. W. Potter's. Miss Eda Hendricks is visiting at Geo. C. Wagenseil's. The body of Samuel Holmes, (son of W. O. Holmes, who died suddenly at Buffalo) was brought to this place for burial on Tuesday of this week. Harry Weis gave a banquet to his class (Junior of the University) on Wednesday evening.

#### UNION TWP.

Sylvester Swartz of near South Bend, Ind., is at present visiting among friends. Miss Lizzie Shrey is spending the week with friends at Northumberland. Geo. Foltz and wife spent Sunday at Strontown. Mrs. I. W. Longacre is visiting friends at Shamokin Dam this week. Protracted meeting is in progress at Witmer's United Evangelical church. Mrs. Ann Lenig received a stroke of apoplexy on Sunday evening. Squire Sechrist is nursing an aching tooth. A. C. Strawser of Herndon will move across the river and will farm for D. S. Sholly, Esq. After warmer weather sets in John Krebs intends to have his barn raised. He says he needs more room on the ground floor. On account of the numerous candidates for township offices, travel in the public road is very slow at present and many blockades are reported. It is a blessing that there are no snow drifts just now to help impede travel. Success to everybody.

#### BEAVERTOWN.

Mrs. Agler, Mrs. Freed and Mrs. Kern were to Sunbury last week. Charles Gilbert and wife of near Shamokin were the guests of Mrs. William Herlster. Lawrence Middleswarth, who was working at Poe Mills, is home on account of injuries sustained by a log rolling against his leg. Alfred Specht, the Associate Judge, was at Middleburg on Saturday. The Evangelical church began their protracted meeting on Monday. Prof. Milmer R. Kearns purchased a harp last week. We hope the professor may become an expert on that instrument as he is on others.

#### MIDDLECREEK.

Much warm weather causes a great deal of la grippe in our section. James Goss of Millin Co. was here looking for some one to saw staves for him. Solomon Steininger spent last week at Fremont and other places repairing pianos and organs. Nathan Mauback has secured a job on the Sunbury & Lewistown division of the P. R. R. as Brakesman. Chas. Herlster sold his horse to Elmer Smith of Lewistown. We predict it won't be so long ere he has another. Mrs. Peter Riegle is making preparations to build a new barn the coming spring. Goss & Klingler's saw mill laid idle several days last week on account of all the boys having the grip. Mr. Dunn and wife of Adamsburg were visitors at Wm. Goss' over Sunday. Henry Goss made a business trip to Middleburg last Saturday. Judging by some late acts, it would seem as if some of our smart (?) people believe in a revised version of an old adage (inconsistency thou art a jewel). Josiah Long of Centre Co. and Wm. Biekle of Musser's Valley were the guests of Robert Knepp the beginning of the week. Chas. A. Ush accompanied by Mrs. Mollie Smith left on Monday for Millin Co. where they will spend a few days.

#### PAXTONVILLE.

Edwin H. Gift, a young man of Hampshire, Ills., visited friends at this place during the last two weeks. He left for Sunbury, Shamokin and Carlisle last Saturday to see his many friends. On his way home he will go by way of Washington, D. C., and take in the sights at our nation's capitol. Solomon Knouse and wife of Juniata Co. visited the latter's sister, Mrs. Sarah Mitchell, west of town. Arthur Dobson of Sunbury visited his mother, Mrs. Sarah Dobson, over Sunday. Miss Kate Bowersox of Centre Co. visited relatives here on Monday and Tuesday of this week. Revival services are in progress in the United Evangelical church. The meetings thus far have been spirited, and our pastor, Rev. Hertz, has been preaching with power. Rev. W. E. Detweiler of Williamsport was in town on Monday. He gave us an excellent talk in the church in the evening. Ralph E. Gift made a trip to Harrisburg and Philadelphia last week.
