LAGRIPPE IS CONTAGIOUS.

Atmosphere Impregnates the Germs.

Disease Proved Beyond Question to be Infectious.—Is Rapidly Conquering the Country.

LaGrippe is a contagious disease. Its specific germ has been positively identified, and it is transmitted from person to person either by direct contact or by inhaling the germs while they float in the air. It is a dangerous disease, lowering the vitality and wasting the resisting power so that pneumonia, heart disease, nervous prostration and insanity find easy victims. No specific is known that will kill the grip germ, but it may be driven out and its effects overcome by the prompt use of Dr. Miles' Restorative Nervine.

"LaGrippe left my nervous system so racked and shattered that I could not sleep and for two months was under the influence of narcotics. Physicians and friends gave me up to die; but in two days after I commenced taking Dr. Miles' Restorative Nervine I began to improve, and in a month I was entirely cured. It is the greatest health restorer on earth."
D. W. HILTON, Louisville, Ky.

All druggists are authorized to sell Dr. Miles' Nervine on a guarantee that first bottle benefits or money refunded. Booklet on heart and nerves sent free. Address

Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark, puffy circles under the eyes, sallow, parsnip-colored complexion indicates it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is a unratisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble

Dr. Kilmer's Swamp Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

Hower, if you prefer to first test its wonderful merits, mention THE MIDDLEBURG POST and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it, both sent absolutely free by mail.

I felt better from the very first one I took. I had taken them for about a month, and was feeling so much better that I had forgotten about the bad feelings I used to have. The doctors called my trouble dyspepsia. I had it for about seven years, and had never in all my life been able to eat rich food or a very hearty meal. I often wondered why I should have so much dyspepsia. I would have what I call waterbrash sometimes four or five times a day, when clean water that seemed hot would run out of my mouth and the pain was something terrible for a minute, or else I would have pains at times in my stomach that would fairly double me up or pains in my shoulders and legs and all over me so that I would wish I was dead. I would send for the doctor, and when he came in he would say: "Well what is the matter now?" The best way to describe how I felt was just to say that everything was the matter with me and I felt bad everywhere. I think everybody who is troubled with their stomach ought to just try Ripans Tabules and they will soon know how valuable they are. My age is fifty-one years.

WANTED:—A case of bad health that R·I·P·A·N·S will not benefit. Send five cents to Ripans Chemical Co., No. 10 Spruce Street, New York, for 10 samples and 1,000 testimonials. R·I·P·A·N·S, 10 for 5 cents, or 12 packets for 48 cents, may be had of all druggists who are willing to sell a standard medicine at a moderate profit. They banish pain and prolong life. One gives relief. Note the word R·I·P·A·N·S on the packet. Accept no substitute.
