Headache for Forty Years.
For forty years I suffered from sick headache. A year ago I began using Celery King. The result was gratifying and surprising, my headaches leaving at once. The headaches used to return every seventh day, but thanks to Celery King, I have had but one headache in the last eleven months. I know that what cured me will help others.—Mrs. John D. Women Should Know It.
Many women suffer untold agony and misery because the nature of their disease is not carefully understood. They have been led to believe that womb trouble or female weakness of some sort is responsible for the many ills that beset womanhood. Neuralgia, nervousness, headache, puffiness or dark circles under the eyes, rheumatism, a dragging pain or dull ache in the back, weakness or bearing down sensation, profuse or scanty supply of urine with strong odor, frequent desire to pass it with burning or scalding sensation, sediment in it after standing in bottle or common glass for twenty-four hours, are signs of kidney and bladder trouble.
The above symptoms are often attributed by the patient herself or by her physician to female weakness or womb trouble. Hence, so many fail to obtain relief, because they are treating, not the disease itself, but a reflection of the primary cause, which is kidney trouble.
In fact, women as well as men are made miserable with kidney and bladder trouble and both need the same remedy.
Dr. Kilmer's Swamp Root is the great discovery of the eminent kidney and bladder specialist, and is easy to get at any drug store for fifty cents or one dollar.
To prove its wonderful merits you may have a sample bottle and book telling all about it both sent absolutely free by mail. Kindly mention THE POST and send your address to Dr. Kilmer & Co., Binghamton, N. Y.

RIPANS

I felt better from the very first one I took. I had taken them for about a month, and was feeling so much better that I had forgotten about the bad feelings I used to have. The doctors called my trouble dyspepsia. I had it for about seven years, and had never in all my life been able to eat rich food or a very hearty meal. I often wondered why I should have so much dyspepsia. I would have what I call waterbrash sometimes four or five times a day, when clean water that seemed hot would run out of my mouth and the pain was something terrible for a minute, or else I would have pains at times in my stomach that would fairly double me up or pains in my shoulders and legs and all over me so that I would wish I was dead. I would send for the doctor, and when he came in he would say: "Well what is the matter now?" The best way to describe how I felt was just to say that everything was the matter with me and I felt bad everywhere. I think everybody who is troubled with their stomach ought to just try Ripans Tablets and they will soon know how valuable they are. My age is fifty-one years.

WANTED: A case of bad health that RIPPANS will not benefit. Send five cents to Ripans Chemical Co., No. 39 Prince Street, New York, for 10 samples and 100 testimonials.
