A JOB WANTED.

The Editor of the Snyder County Tribune was flying in mid-air and flitting among the floating feathers when he attempted in last week's issue to endorse the support of Quay by our representative and senator. These men have done their duty to Senator Quay if they personally owed anything to him, and it is now time to leave him. No one in Snyder County will attempt to prove even for his own satisfaction that the vote on the U. S. Senatorial question in January, 1898 was an endorsement for Senator Quay. The primary was hurried through so it would be impossible to raise any opposition to appear against Quay and such a vote is anything but a test. Even the representative during the campaign was unwilling to acknowledge that the vote in January 1898 was a test, because he openly announced the "Was No Man's Man."

The large majority of Mr. Rothamel in Union County last Saturday can not be any panacea for a Quay official when Mr. Ginter does not deny that he did not vote the full Republican ticket last fall. The republicans have no reason to elect to party positions men who are willing to admit they are not straight-out republicans and hence the vote can not be safely taken as a criterion like the vote last fall.

In his issue last week the Editor of the Tribune says: "Senator Hummel always told us he was as good a Quay Man as his opponent." This will make interesting reading for the Hummel supporters who got the advice "Down with all rings including Quay, Lombard and Wagenseller." "This strange that Editor Lombard will lie down now and rub his early locks against the wolf's back. Who will a stricken and dying dog lick the hand of a man who slew him?"

The Country Newspaper.

The country newspaper is an important agency in the cultivation of public spirit, and however humble it may seem beside the metropolitan daily it has a place in popular education which is too little regarded. While the editor is not often above the rank of a practical printer there are many persons in most of the suburban towns—clergymen, lawyers, teachers and others—who have the leisure and ability to use the paper as the vehicle of influence over their fellow citizens.

The country newspaper is usually local in its news, and the very people who might make it fresh and suggestive are those who complain most loudly of its meagre character. Short articles pertaining to local interests are always welcomed in its columns, and the men and women who most desire to make home life in the country rich and influential can best do so by contributing freely to its columns of what they have in mind. In some places this has been done, and the result in the quickened life of the community has been gratifying.—Boston Herald.

Chamberlain's Cough Remedy.

This remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases, over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works, of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease from all dangerous consequences. For sale by all Druggists.

COUNTY GULLINGS.

Breezy Items Picked up Here and There about the County and Noted for Your Enlightenment.

N. O. Row of Globe Mills has not yet left for Nebraska as he intended to as one of his children is seriously ill with pneumonia.

C. W. Fisher & Son, the enterprising merchant and custom millers at Lowell, are having their mill remodeled with the latest improved machinery, thus enabling them to furnish their customers with flour excelled by none.

The Selingsgrove Times says: "Judge McClure reprimanded the lawyers at court last week for not having their cases prepared for trial, thus delaying the proceedings for almost half a day. It was a just reprimand as every lawyer had ample time in which to prepare their cases. We heard many of the taxpayers commend the Judge for his action."

A Troxville correspondent says: "Rumor has it that we are to have a licensed hotel at this place this spring. I hope the rumor is unfounded, as there is no necessity for a hotel at this place and the people of the town don't want to have it. If the rumor should turn out to be true, there should be a lively fight on hand for the fellow who wants to have the license. No stone will be left unturned to persuade the court from granting a license for this place, as the citizens of the town are opposed to a hotel for this place almost to a man."

WEST BEAVER.

P. W. Treaster was home over Sunday from Millin county.

Robert Middleswarth took hold of the McClure hotel on the 9th.

It has been reported that Mrs. Emanuel Waguer is improving slowly since Dr. Wagenseller's visit.

Fred Gundrum has been hauling timber to the ax factory at Lewis town, to be used in making hammer handles.

The McClure string band visited Crossgrove last Saturday evening and treated Merchant Long with some choice music.

T. F. Swinford is now at Coldwater, Michigan, visiting his mother and sister, the latter being dangerously ill with the consumption.

C. W. Fisher & Son are putting in their mill a new set of rollers of the latest improved pattern. George says they will keep it up to times if it takes the last button off his breeches.

The magic lantern and the man that swallowed the rat, amused quite a crowd at the Ridge school house on Friday evening. Prof. L. C. Wagner was appointed stage manager. Prof. Walborn, candidate for county superintendent, was also present and delivered an address.

BARRELS OF SAMPLES.

Over Two Hundred Thousand Trial Bottles Sent Free by Mail.

By special arrangement with the manufacturers of that justly famous Kidney Medicine, Dr. David Kennedy's Favorite Remedy, the readers of the Post are enabled to obtain a trial bottle absolutely free, by sending their full name and address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mention this paper.

Of course this involves enormous expense to the manufacturer, but they have received so many grateful letters from those who have been benefited and cured of the various diseases of the Kidney, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation, and all weaknesses peculiar to women, that they willingly send trial bottles to all sufferers.

Upon investigation it was found that 91 per cent. of those who had used the trial bottle had received such benefit from it that they purchased large sized bottles of their druggists.

It matters not how sick you are or how many physicians have failed to help you, send for a trial bottle of this great medicine, it costs you but a postal card, and benefit and cure will most certainly be the result.

Put some urine in a glass tumbler and let it stand 24 hours; if it has a sediment or if it is pale or discolored, milky or cloudy, stringy orropy, your Kidneys or Bladder are in a bad condition. Dr. David Kennedy's Favorite Remedy speedily cures such dangerous symptoms as pain in the back, inability to hold urine, a burning scalding pain in passing it, frequent desire to urinate, especially at night, the staining of linen by your urine and all the unpleasant and dangerous effects on the system produced by the use of whiskey, wine or beer. Dr. David Kennedy's Favorite Remedy is sold at all drug stores at \$1.00 for a large bottle; six bottles for \$5.00.

THE DIETZ DRIVING LAMP
Is about as near perfection as 50 years of Lamp-Making can attain to. It burns kerosene, and gives a powerful clear, white light, and will neither blow nor jar out. When out driving with it the darkness easily keeps about two hundred feet ahead of your smartest horse. When you want the very best Driving Lamp to be had, ask your dealer for the "Diets."
We issue a special Catalogue of this Lamp, and, if you ever prow around after night-fall, it will interest you. It's mailed free.
