Drink Grain-O

after you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and tastes like the finest grade of coffee and costs about as much. Children like it and thrive on it because it is the genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15 and 25c.

How is Your Grip ?

Not getting along as well as you expected? That is the way grip acts when it is not taken in hand and driven out of the system at once. The poisons left by the grip germs keep right on destroying the vitality and undermining the health. You lose your appetite for food and what little you eat seems to do no good. Your nerves are unstrung, you become weak and exhausted and finally you are overpowered by some chronic disorder which takes you to an untimely grave.
 Why should you let the grip run until it gets such a hold on you when a few bottles of Dr. Miles' Nerve would fix you up all right? It is the greatest nerve medicine and health restorer ever known and thousands of grip's victims are finding in it a safe and sure means of regaining lost strength and vitality.
 "I found myself with a very weak stomach, and every time I tried to eat I would become nauseated, sometimes belching wind and frequently finding relief only after vomiting. My nerves became affected and I was almost blind for several months. Finally I began using Dr. Miles' Nerve, and when I had used one bottle I was greatly improved. After taking two more bottles my stomach trouble was entirely gone and I have had no return of the symptoms in over three years."
 MRS. L. L. WINTERS,
 Gwynneville, Ind.
 A trial package of Dr. Miles' favorite treatment for the grip, consisting of Dr. Miles' Nerve, Dr. Miles' Nerve and Liver Pills, will be sent absolutely free to any person sending name and address on a postal card, requesting the samples and mentioning the name of the Post. Address, Dr. Miles Medical Co., Elkhart, Indiana.

THE GREATEST PLACE TO BUY FURNITURE!

This is the place where every one comes to buy FURNITURE. Here is invited away from home they naturally anticipate not only pleasant company but other surroundings.

What a contrast between the method of this Furniture Store and those of the usual furniture specialist. How much will it bring? is the laboring question there. How long can we afford to sell it? is our greatest problem. We are after profit, that's true enough, but we plan differently. We try to make a small margin on a large volume of business, where others figure on large profits from a small volume of trade. We are selling just now more furniture every day than any store in our county has ever sold. We say this boldly because we thoroughly believe it to be so, and that prices like this and nothing else are at the bottom of it:

- Oak Rockers, worth \$2.75, reduced to \$1.98.
- Extension Tables, worth \$6.00, reduced to \$4.29.
- White Enameled Beds, worth \$7, reduced to \$4.67.
- Antique Oak Sideboards, worth \$12, reduced to \$8.78.
- Velour Couches, 51 springs, worth \$15, reduced to \$11.29.
- Antique Oak Suits, worth \$20, reduced to \$15.78.
