#### SCENE IN A PORTUGAL WINERY

In the mountains, at the Quinto do Sexio, Portugal, a famous Port Wine district where the custom of treading the grapes for Port Wine Wine district where the custom of treading the graperior port wine is still in vogue. From ten to a dozen men or women for each gang in turn continue the treading, day and night, during the four or five weeks vintage. Some of the treading vats are large enough for three separate rows of n men each, who with their white breeches well tucked up, the. Ins on each other's shoulders, raise and tread their feet alternately h song and shouts to keep the lazier ones up to the work, and a band with string instruments enlivens the hours.

Speer, of New Jersey, Uses Rollers instead of eet It is from this district the vines were imported over forty years age that now fill the vineyards of the Speer Wine Co., at Passaic.

At Passaic the same kind of grapes are crushed between large rol lers of rubber, revolved by steam. This is the only place in this country where the real genuine Port Wine is made from the Oporto grape-and they are grown right in SPEER'S VINEYARDS.

These vineyards extend over 1/3 of a mile along one of the Main avenues of Passaic, and comprise fifty six acres. The soil being rich in iron makes the wine most valuable for Medical use.

## SPEER'S WINES

Are well known to be of the highest character, the oldest and most refined Wines in America, equal if not superior to any wines in the world. They consist of Port, Sherry, Burgundy, Claret, Sauterne Wines, and \* \* Climax Brandy. Mr. Speer has some Wine in his cellars that he made over thirty eight years ago. All of Speer's Wines and Brandy are very old, rich, well rounded, soft and delicate. Every family should have a bottle or two of each variety of Speer's Wines and Brandy always in the home, for sickness or family use.

forms of the Third cavalry men were in aring notes recently us to the suggest nights tiny had seen in Caba. The funniest thing I maw," said one of their, "was a man who went up and lown the line while the firing was hottest at Santiago and shouted; 'Here's our Chicago --- ;ten cents a copy!" e was selling a newspaper dated about 12 days earlier, and they sold like hot cakes, too, but the bullets fell around him like hall as he sold them.' This report goes to show what a journiverous (new word) lot we Americans are. It takes more than hot lead to stay our appetite for the news.

An exchange says that Ira McGonigal, of Ulrichsville, O., will undoubtedly owe the retention of one of his hands to three of Ulrichsville's and Dennison's best and handsomest girls. They alowed 103 pieces of skin to be taken from their arms, which were grafted apon McGonigal's hand. The skin of the young man's hand had been completely stripped off, and the injury would have necessitated amputation had the ladies not come forward with their contributions of cuticle. The inside of the hand will be grafted with frog skin.

Bridgeport (Ala.) girls are reported to have organized "The Anti-Chair-Warming Society of Marriageable Maidens" and propose to rebuke the young men who burn their father's gas and coal and never come to the popping point. One member of the organization says she lavished smiles upon young men for four winters without results, and now she wants the real business to begin.

A Manhattan (Kan.) exchange reports that a wagon went through that town the other day and on the wagon cover was painted this device: "Not bound for Missouri. Not busted. Not going to wife's folks. Just doin' this to beat the railroads."

A woman suffrage amendment has been defeated at the polls in South Dakota for the second time, and so the four states in which woman suffrage is allowed will not be increased at present.

It is reported that Gen. Wood, military governor of Santiago, before the war broke out was an army surgeon with a salary of \$2,400 and no prospects. Wallace & Co., New York City. War is not a bad thing for everybody.

STOP BEFORE YOU BEGIN.

The Only Safe Method of Heeping a Pare Mind and a Clean Body.

as upon doing; in other words, "step: before you begin" has saved many a boy from ruin.

From drinking and swearing and every sin, You are safe and secure if you never begin.

gin. Then, never begin, never begin; You can't be a smoker unless you begin.

If John, at that time a clerk in a warehouse, had only said when invited to stop at a saloon and have a glass: "No, I thank you," he would not now be the inmate of an inebriate asylum.

If James, a clerk in a store, when invited to spend his next Sabbath on a steamboat excursion, had said: "No, I thank you," he might to-day have been perhaps an honored officer in the church instead of occupying a cell in prison.

It is the "first glass" that brings the murderer to the gallows.

It is the "first cigarette" that produces the cancer on the tongue and "tobacco heart."

It is the "first bet" that results in the financial wreck of the gambler. It is the "first impure word" that makes the string of terrible oaths .-National Temperance Advocate.

#### GLEANINGS.

"Drink no wine" and you will not drink too much .- National Temperance Advocate.

The police commissioners of Kansas City, Mo., are a unit on the ruling that no saloons can be established near the rublic library.

During the world's fair there were over 7,000 saloons in Chicago. Since then they have been gradually declining, and the numbers are not much over 6,000. Over 200 have gone out of business during the last quarter.

The Catholic university of America, located at Washington, has a "Father Mathew chair," under the auspices of ance lectures in the university extension courses throughout the country.

It is reported that the Catholic Total Abstinence union, of Buffalo, N. Y., has appealed to the committees of the cardinals of Rome for some action on their part "to protect young Catholics from the indescribable ravages of alcobolic drinks."

The official returns of the recent pro-hibition plebiscite in Canada show that the provinces outside of Quebec gave a majority of 98,439 for prohibition. Que-bec gave 88,067 majority for anti-pro-hibition, leaving a total majority the other way of 10.372 other way, of 10,372.
