**LaGrippe's Legacy.**

Worn out and exhausted in body and mind, with shattered nerves and a palpitating heart; no desire for food and no ability to digest it; unable to rest or sleep day or night—this is LaGrippe's legacy. Long after the grip germs have been driven out the poisons which they created remain in the blood, the heart, the lungs, the stomach, weakening the nerves and lowering the vitality of the system. There is one way of destroying the seeds of disease and death which are an inheritance from grip. Dr. Miles' Nerveine will do it. It gives the shattered nerves a rest and helps them to recover their strength. It stimulates the appetite, strengthens the stomach assists assimilation and fills the blood with the vital elements of life.

"Two years ago, after a vital attack of the grip, I was overcome with nervous prostration, heart trouble and nervous dyspepsia. I was so low that I could not bear to be spoken to, and during the nervous spasms which I frequently suffered, I had no control of any of my organs. Every remedy known to my physicians was tried without success and then my wife brought me a bottle of Dr. Miles' Nerveine. After using one bottle I could speak a few words. At the end of three months I could talk quite naturally and now I am completely cured of the trouble."  
GEO. A. ANDREWS,  
Great Barrington, Mass.

A trial package of Dr. Miles' favorite treatment for the grip, consisting of Dr. Miles' Nerveine, Dr. Miles' Nerve and Liver Pills, will be sent absolutely free to any person sending name and address on a postal card, requesting the samples and mentioning the name of the Post. Address, Dr. Miles Medical Co., Elkhart, Indiana.

**MT. PLEASANT MILLS.**

Lewis Minium bought a horse of T. G. Arbogast. . . C. A. Kepler spent a few days in Watsonow last week. . . **WEST BEAVER.**

Squire Steely says he has just one hundred and fifty miles yet, to go if it and then his school will come to a close for this term. . . Prof. Bowersox paid West Beaver a business call last week. . . Peter Riegler was seen at this end last week, looking up the insurance business. . . Bro. Joe and Bro. Bill seem to have a dispute as to who is the most capable of running the engine for the new roller mill. Have patience, boys, and wait until the engine is set up. . . He claims all the satisfaction he has, he can rub the advertising on his head and cut his hair once a day. . . I read in the Herald (Troxlville news) that Reuben Wagner and his son James have started a broom and basket factory in the suburb of Troxlville. There is no doubt but that they will give employment to all the idle men in and around the place. **The Greatest Place to Buy Furniture!**

**This is the place where every one comes to buy FURNITURE.**

If one is invited away from home they naturally anticipate not only pleasant company but other surroundings. What a contrast between the methods of this Furniture Store and those of the usual furniture specialist. How much will it bring? is the all absorbing question there. How long can we afford to sell it? is our greatest problem. We are after profit, that's true enough, but we plan differently. We try to make a small margin on a large volume of business, where others figure on large profits from a small volume of trade. We are selling just now more furniture every day than any store in our county has ever sold. We say this boldly because we thoroughly believe it to be so, and that prices like this and nothing else are at the bottom of it:

- Oak Rockers, worth \$2.75, reduced to \$1.98.
- Extension Tables, worth \$6.00, reduced to \$4.29.
- White Enamelled Beds, worth \$7, reduced to \$4.67.
- Antique Oak Sideboards, worth \$12, reduced to \$8.78.
- Velour Couches, 54 springs, worth \$15, reduced to \$11.29.
- Antique Oak Suits, worth \$20, reduced to \$15.78.
