At a public test in Youngsville, Warren Co., Pa., as to the difference of the two kinds of oil, namely the Standard oil and Levi Smith's oil, the latter was victorious. Both tests made under the direction of the agent of the Standard Oil Co., H. Park. All those wishing the best oil will buy the Levi Smith oil. For sale by A. W. UNION TWP.

S. J. Stroub of Hummel's Wharf was visiting his old home last week..... A. L. Strawser bought two horses at Sunbury last week... Rev. D. L. Neitz moved to near our town last Thursday..... For a long time have we attended public sales, but none that will equal that of W. D. Brown held last Monday Mr. Brown sold everything and will work for his father-in-law near Northumberland... Our cook's rule for testing eggs: "Drop the egg in either hot or cold water; if it either sinks or swims it is either good or bad"..... We have, for a long distance telephone communication, our fact, but we have no good prospects for a wire connection with our sister towns..... Mrs. Rebecca Witmer was interred at Witmer's cemetery last Sunday. Services were conducted by Rev. W. E. Brillhard preached from Job 16-22. Age 87 years and 25 days..... When Death calls we all can (and must) answer, "Here" but can we all say, "Ready?"

Does Coffee Agree With You?

If not, drink Grain-O—made from pure grains. A lady writes: "The first time I make Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The children can drink it freely with great benefit. It is the strengthening substance of pure grains. Get a package today from your grocer, follow the directions in making it and you will have a delicious and healthful table beverage for old and young. 15c. and 25c.

WEST BEAVER.

The ground hog is still keeping his reputation up in regard to the weather..... Our weather prophets still claim a few more snows to have their number fulfilled..... P. W. Treuster is about buying a farm, and took a trip to Lewistown in regard to the same..... Jimmie and Harvey Treuster spent a few days at home from Juniata county where they have been engaged on a stove mill..... Wm. Kern's wife, (daughter of Joseph Snook of New Lancaster), died very suddenly. Cause not known..... The Lowell roller mill is about ready for operation. Since the new rollers have been put in, we can expect the best flour this side of Santiago de Cuba, so says George..... Squire Steely expects to start for Klondike to finish up his survey as soon as his term of school closes..... We are glad to hear that Jacob Erb is improving in health, if it should only continue so..... The report is McClure is to have a cigar factory shortly. McClure will be full of industry in course of time, (perhaps only in its mind)..... The sick are all improving at this writing. So the doctors report..... The schools in West Beaver are about all closed for this term.

Chamberlain's Cough Remedy.

This remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases, over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works, of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease from all dangerous consequences. For sale by all Druggists.

KREAMER.

Since my last writing, Ammon Gearhart and wife were visiting friends at Milton several days week before last.... Miss Olive Snyder of Uniontown, Northumberland Co., is the guest of Wm. Snyder and family of this place for several weeks..... Henry Groover and family of Lewisburg were visiting friends at this place last Wednesday.... Mrs. James Row and daughter, Ruth, of Selinsgrove were visiting relatives here several days last week..... Mrs. A. W. Smith and daughter, Edna, and Mrs. Murray Smith of Selinsgrove were the guests of Laphenus Walter's..... Ammon and Ralph Heintzelman and Charles Herman and Reuben Hummel, who are working in the ax factory at Lewistown, were home over Sunday.... Fisher Walter was visiting his sister, Mrs. S. A. App of Monroe township several days last week.... W. A. Hummel is at present working in Lewistown..... Rev. Shambaeh delivered his first sermon in this church on Saturday evening.... The public schools of this township closed on Monday.

I have been afflicted with rheumatism for fourteen years and nothing seemed to give any relief. I was able to be around all the time, but constantly suffering. I had tried everything I could hear of and at last was told to try Chamberlain's Pain Palm, which I did, and was immediately relieved and in a short time cured. I am happy to say that it has not since returned.—JOSH. EDGAR, Germantown, Cal. For sale by all druggists.

The Doctor Confesses.

An honest physician realizes that no one man knows it all—that it is the combined effort of ages which produces the highest perfection in any field of research—and he will let no old fashioned scruples of professional etiquette nor prejudice of opinion stand in the way of his giving to his patients the very best service and advice which lies within his power. When such a physician finds that his own remedies and methods of treatment are faulty he does not hesitate to confess his error and to adopt the better remedies and better methods of those whose success has been fully proven.

It thus happens that hundreds of physicians throughout the country are today advising patients to use Dr. Miles' Nervine for the cure of LaGrippe and its terrible after effects, such as nervous prostration, dyspepsia, dizziness, weakness, heart trouble and all forms of exhausted vitality. An instance recorded in the following letter from Mrs. S. Morehouse, Phoenix, N. Y., who writes: "The fever left my stomach very weak and I could scarcely eat the lightest kind of food. I had a dreadful burning sensation at the base of the brain, but my greatest trouble was sleeplessness. My doctor said it was nervous prostration, and when he saw that the medicine had no effect whatever, he advised me to try a bottle of Dr. Miles' Nervine, as he knew it was a good remedy for nervous troubles. I followed this advice and in a short time I was restored to perfect health."

A trial package of Dr. Miles' favorite treatment for the grip, consisting of Dr. Miles' Nervine, Dr. Miles' Nerve and Liver Pills, will be sent absolutely free to any person sending name and address on a postal card, requesting the samples and mentioning the name of the Post. Address, Dr. Miles Medical Co., Elkhart, Indiana.

ECONOMICAL SHOE EMPORIUM.

To the General Public:
→ SATURDAY, APRIL 1, 1899 ←

The Grand Opening of the above will take place of No. 362 MARKET STREET, SUNBURY, near the Trust Bank. Introducing ourselves we wish to say our motto shall be "Live and help others to live well but economical." ECONOMY does not mean buying trash, but means buying the BEST FOOTWEAR and spending your money to the very best advantage. We have named our FOOT WEAR EMPORIUM THE ECONOMICAL because we will sell the highest grade first class foot wear at such prices that it will be economy to buy from us, and because your money will be spent to the very best advantage to you here rich or poor.

WE SHALL COURT NO SPECIAL CLASS, but make the Economical the store of the masses, and here will be found foot wear at prices to fit the pocket books of all classes, from the most inexpensive to the very best class of foot wear, and at prices unmatched by any of the largest cities' stores. Because we represent a large company controlling some of the largest shoe factories in this country. And the Economical will be the medium to distribute their manufactured stock to the consumer or the buying public. Sunbury has been selected from which to distribute because it is the centre of a large shoe buying district, most of whom can reach our city in a very short time by steam cars, trolley line, boats and conveyances.

We shall do no unwarranted boasting, but let our prices and the wearing quality of our stock boost and laud the fame of the "ECONOMICAL" from the centre to the remotest border of these surrounding counties. Buyers of foot wear, do you realize what it means to buy shoes from such a source the largest cities can not give a better choice or more perfect fit, and with their extravagant expenses can not nor do they sell at our low prices.

No cheap shoddy, auction, imperfect or factory "seconds" will be found in the ECONOMICAL. With eighteen years of shoe experience and being in close touch with the fountain head of the shoe business, we offer you the benefit of this experience and valuable association, which makes it possible to sell

The Very Best at the Very Lowest Cash Prices

Because of such sources of supply we will sell absolutely for cash to friend or stranger, and will have no losses and need not in marking our selling prices add anything extra to make up losses from bad accounts. Cash buyers, then buy for cash from the only absolute cash store in these five counties. We wish to announce our rules, every one of which will be strictly lived up to:

- We buy only for cash and sell for money.
- One price to all.
- Everything marked in plain figures.
- Satisfaction guaranteed to all but cranks.
- Money returned or shoes exchanged when not damaged if purchases are not satisfactory.

Watch our advertisement weekly. We shall always have something of value to attract and offer you. Nothing but the strictest truth will ever be told or advertised. We place on sale for grand opening day,

a large number of Ladies' Fine Shoes in Tans and Blacks, with Fine Cloth or Kid Tops, in all sizes. Grand Opening Price per pair, \$1.19—one pair only to a customer. As to quality it will be a graceful and fitting finish to your most elegant Easter outfit.
