Women Should Know It.

Many women suffer untold agony and misery because the nature of their disease is not carefully understood. They have been led to believe that womb trouble or female weakness of some sort is responsible for the many ills that beset womanhood. Neuralgia, nervousness, headache, puffiness or dark circles under the eyes, rheumatism, a dragging pain or dull ache in the back, weakness or bearing down of uterus, profuse or scanty supply of menses with strong odor, frequent desire to pass it with burning or scalding sensation, sediment in it after standing in bottle or common glass for twenty-four hours, are signs of kidney and bladder trouble. The above symptoms are often attributed by the patient herself or by her physician to female weakness or womb trouble. Hence, so many fail to obtain relief, because they are treating, not the disease itself, but a reflection of the primary cause, which is kidney trouble. In fact, women as well as men are made miserable with kidney and bladder trouble and both need the same remedy. Dr. Kilmer's Swamp Root is the great discovery of the eminent kidney and bladder specialist, and is easy to get at any drug store for fifty cents or one dollar. To prove its wonderful merits you may have a simple bottle and book telling all about it both sent absolutely free by mail. Kindly mention THE POST and send your address to Dr. Kilmer & Co., Binghamton, N. Y.

Nearly Fifty-Eight Years Old!
 It's a long life, but devotion to the true interests and prosperity of the American People has won for the new friends as the years rolled by and the original members of its family passed to their reward, and their admirers are loyal and steadfast to day, with faith in its teachings, and confidence in the information which it brings to their homes and firesides.
 As a natural consequence it enjoys in its old age all the vitality and vigor of its youth, strengthened and ripened by the experiences of over half a century.
 It has lived on its merits, and on the cordial support of progressive Americans.
 It is the "New York Weekly Tribune," acknowledged the country over as the leading National Family Newspaper.
 Recognizing its value to those who desire all the news of the State and Nation, the publisher of THE POST, (your own favorite home paper), has entered into an alliance with "The New York Weekly Tribune" which enables him to furnish both papers at the trifling sum of \$1.25 per year.
 Every farmer and every village owes to himself, to his family, and to the community in which he lives a cordial support of his local newspaper as it works constantly and untiringly for his interests in every way brings to his home all the news and happenings of his neighborhood, the doings of his friends, the condition and prospects for different crops, the prices in home markets, and, in fact, is a weekly visitor which should be found in every wide-awake, progressive family.
 Just think of it! Both these papers for only \$1.25 a year.
