Regardless of Age.
The kidneys are responsible for more sickness, suffering and death than any other organ of the body.
A majority of the life-afflicting people today is traceable to kidney trouble. It prevails all classes of society in all climates, regardless of age, sex or condition.
The symptoms of kidney trouble are unmistakable, such as rheumatism, neuralgia, sleeplessness, pain or dull ache in the back, a desire to urinate often day or night, profuse or scanty supply.
Uric acid or brick dust deposits in urine are signs of clogged kidneys causing poisoned and germ filled blood. Sometimes the heart acts badly, and tube casts (wasting of the kidneys) are found in the urine, which if neglected will result in Bright's Disease, the most dangerous form of kidney trouble.
All these symptoms and conditions are promptly removed under the influence of Dr. Kimer's Swamp Root. It has a world wide reputation for its wonderful cures of the most distressing cases.
No one need be long without it as it is so easy to get at any drug store at fifty cents or one dollar. You can have a sample bottle of this wonderful discovery, Swamp Root, and a book telling all about it, both sent to you absolutely free by mail. Send your address to Dr. Kimer & Co., Binghamton, N. Y. and kindly mention that you seen this liberal offer in THE POST.
