The Greatest Place to Buy Furniture

This is the place where every one comes to buy FURNITURE. If one is invited away from home they naturally anticipate not only pleasant company but other surroundings.

What a contrast between the methods of this Furniture Store and those of the usual furniture specialist. How much will it bring? is the all absorbing question they ask. How long can we afford to sell it? is our greatest problem. We are after profit, that true enough, but we plan differently. We try to make a small margin on a large volume of business, where others figure on large profits from a small volume of trade.

"A word to the wise is sufficient" and a word from the wise should be sufficient, but you ask, who are the wise? Those who know. The oft repeated experiences of trustworthy persons may be taken for knowledge. Mr. W. M. Terry says Chamberlain's Cough Remedy gives better satisfaction than any other in the market. He has been in the drug business at Elkton, Ky., for twelve years; has sold hundreds of bottles of this remedy and nearly all other cough medicines manufactured, which shows conclusively that Chamberlain's is the most satisfactory to the people, and is the best.
