On Monday, April 10th, the spirit of Miss Carrie E. Guss passed into life eternal, aged 32 years, 7 months and 25 days. She was a daughter of William Guss and her mother was Mary Ann, a daughter of the late David Moyer of Freeburg. The deceased had fitted herself for teaching, and followed her chosen vocation successfully for many years, until her health began to fail. In hope of regaining her health she went to North Dakota and then to Colorado Springs, Col., where she spent a year. Even that health-giving climate had no power to check the dread disease, consumption. She was brought to her home near Patterson, Pa., where she received every attention that a loving family could give. A father and mother, two sisters and four brothers remain to mourn their loss. The family have the sympathy of their friends in this locality.—*Courier.*

The Greatest Place to Buy Furniture

This is the place where every one comes to buy FURNITURE. If one is invited away from home they naturally anticipate not only pleasant company but other surroundings.

What a contrast between the methods of this Furniture Store and those of the usual furniture specialist. How much will it bring? is the all-absorbing question there. How long can we afford to sell it? is our greatest problem. We are after profit, that's true enough, but we plan differently. We try to make a small margin on a large volume of business, where others figure on large profits from a small volume of trade. We are selling just now more furniture every day than any store in our county has ever sold. We say this boldly because we thoroughly believe it to be so, and that prices like this and nothing else are at the bottom of it:

Oak Rockers, worth \$2.75, reduced to \$1.98. Antique Oak Sideboards, worth \$12, reduced to \$8.78
Extension Tables, worth \$6.00, reduced to \$4.29. Velour Couches, 54 springs, worth \$15, reduced to \$11.29
White Enameled Beds, worth \$7, reduced to \$4.67. Antique Oak Suits, worth \$20, reduced to \$15.78.
