## FREEBURG.

Prof. D. S. Boyer came to Middleburg May 1 to be qualified as Justice of the Peace and left his commission issued by Gov. Stone. He served 35 years and has now entered on his eighth term. He was first commissioned by Gov. Curtin in May 1, 1854. He has two large dockets filled with cases which during his term he decided. Only several appeals from his docket were brought into our courts where he was sustained in his decision. He has studiously avoided stirring criminal actions, and succeeded in saving costs to the county, and unnecessary annoyance and detention of the court, by disposing of the cases by his decisions or compromises. He also presented to the Snyder County Historical Society two copies of the Practical Farmer of Feb. 20, 1886, that have articles of special interest, also a book on Chemistry edited by Justus Leibig, M. D., Ph. D., Professor of Chemistry in the University of Geissen.

He reports that prospects promise the largest and most important convention ever held in this county. Dr. Killmer of Port Royal is spending some time in this vicinity. The mountain fires were burning very fiercely last week. On Monday evening the smoke caused by them was so dense as to prevent one from seeing objects clearly situated a few yards away. The apple and cherry trees are blossoming profusely this year. Judging by these indications we will have a fine fruit crop

# The Greatest Place to Buy Furniture!

This is the place where every one comes to buy FURNITURE. If one is invited away from home they naturally anticipate not only pleasant company but other surroundings.

What a contrast between the methods of this Furniture Store and those of the usual furniture specialist. How much will it bring? is the all absorbing question there. How long can we afford to sell it? is our greatest problem. We are after profit, that's true enough, but we plan differently. We try to make a small margin on a large volume of business, where others figure on large profits from a small volume of trade. We are selling just now more furniture every day than any store in our county has ever sold. We say this boldly because we thoroughly believe it to be so, and that prices like this and nothing else are at the bottom of it:

Oak Rockers, worth \$2.75, reduced to \$1.98.  
Extension Tables, worth \$6.00, reduced to \$4.29.  
White Enameled Beds, worth \$7, reduced to \$4.67.

Antique Oak Sideboards, worth \$12, reduced to \$8.78.  
Velour Couches, 54 springs, worth \$15, reduced to \$11.29.  
Antique Oak Suits, worth \$20, reduced to \$15.78.
