The law recently enacted at Harrisburg, regulating barber shops will work quite an innovation in the shops all over the State. Under the law it will be necessary to subject the shaving brush to a steam bath every time it is used, while the razor used upon a customer must be dipped into an antiseptic solution before being applied to another man's face. Individual cups must be used, as no two persons to be shaved with lather from the same cup. A fresh towel will also be provided for each person shaved. Combs, brushes and other implements must be steamed and thoroughly cleaned and the shops must at all times be clean and tidy. In order to secure the enforcement of this law three inspectors are to be appointed, and it will be their duty to canvass their districts just as is done by the factory inspectors.

The services took place in the court house Sunday evening. Revs. Boyer and McLain assisted in the services. Rev. Shambach took for his text the words found in Joshua 4:21, "What mean these stones?" Farmers Have Telephones

The Greensburg Argus is authority for the surprising statement that fifty per cent. of the farmers in Greene county have telephones in their houses. The cheap service causes the general use. Some optimists assert that it will not be over three years before nearly every residence will be supplied with a telephone.

Helping the Town.

Our new industry, the cap factory, is bringing many new families to town, which have filled about all the vacant houses. New buildings must soon be erected to supply the demand. This is the way to build up our town. Let every citizen have a good word for his home and give the Board of Trade encouragement so we may secure more industries, which will keep the old town growing.

The above we clip from the Northumberland Press. This will serve the purpose of showing what industries do for a town.

School Directors' Meeting.

The semi-annual meeting of the School Directors' Association of Snyder County will convene in the P. O. S. of A. Hall, Middleburgh, Pa., on Tuesday, June 6th, at 1:15 o'clock P. M.

We sincerely trust that this meeting may excel all former efforts in this direction, and this can be easily accomplished if directors realize that their presence is required and their views should be given on the subjects presented.

No stiff, formal presentation or discussion is expected or desired, but rather an informal talk in which the humblest need have no fear of participating.

Let directors when assembled for organization on the 5th of June urge their board to attend this meeting and especially impress the new members with their propriety of coming. Let us have a full turnout.

The committee presents the following programme:

- 1. A School Director, His Chief Duties and Responsibilities, W. F. Sanders, Jacob Hetrick, J. S. Yearick, Edward Fisher, H. H. Horbster. 2. Seven-month Term, Geo. Long, Esq., A. H. Klingler, F. P. Kuster, A. M. Aurand, Irvin Boyer. 3. Proper and Improper Uses of the State Appropriation, C. M. Arbogast, John Ramer, J. A. Snyder, John S. Rine, Irvin Graybill.

The wife of Robert B. Hummel, who had been ill for some time with consumption at the residence of her father, Azariah Kreeger, in Franklin, died on Friday evening at 6 o'clock, aged almost forty years. She leaves a husband, an only son, a father, mother and a number of brothers and sisters to mourn her loss. Of her brothers there are M. L. Kreeger a miller of Selingsgrove; J. R. Kreeger, Assistant Cashier of the Middleburgh Bank; William Kreeger of Kalamazo, Mich. Of her sisters surviving there are Clara, wife of Chas. K. Fisher of Williamsport; Hattie, wife of Ira E. Ush of Millersburg; Gertrude, wife of H. Berte Rowe of Millersburg. The funeral services were held on Tuesday morning at the residence of her father in Franklin, conducted by Rev. D. E. McLain, pastor of the Lutheran church of this place. The corpse and the friends of the deceased were conveyed by train to Selingsgrove, and the interment took place at Hummel's private cemetery in Monroe township. The bereaved friends have the sympathy of their many friends in this sad hour of their affliction.

How Doodletown was Named.

About 40 years ago when there were only two or three houses where Doodletown now is, the town received its present name. A woman in one of the houses did so much singing that old Peter Deckard, now deceased, father of Reuben Deckard gave it the name Doodletown and the name will probably always stick to that locality.
