

MORONG CAPTURED.

Troops in Possession of Another Philippine Town.

REBELS PUT TO FLIGHT.

Men of the Signal Service Display Bravery in Placing Wires in the Extreme Front—Twenty-nine Telegraph Offices Established.

Manila, June 5.—Two battalions of Washington troops, under Colonel Bailey, on board caïques, were towed into Pasig to Morong on Sunday and landed under cover of a well directed fire from the "tinian" army gunboats and the Covadonga.

The rebels, who were entrenched in the outskirts of the town, reserved their fire until the troops were ashore and in the open.

The American artillery opened fire on the insurgents and drove them from their positions, killing nine of them and wounding five.

The Washington troops then took the town, the insurgents fleeing to the hills.

While the Americans were on their way to Morong the insurgents opened fire from a shore battery at Ancona, their first shot striking the Covadonga's awning aft at a range of 3,500 yards.

The Napidan also was fired at. The original plan was to surround the forces of General Pio del Pilar, so that he must retreat to the Morong peninsula, where capture would have been inevitable. This was not a complete success, because General Hall's column found the country full of handicaps to marching.

Several streams to be bridged or forded, and the troops frequently floundered through morasses waist deep in mud, an experience which, under the terrific sun, exhausted the Americans quite beyond endurance.

Most of General Pio del Pilar's followers are supposed to have escaped northward, probably reaching Bosoboso, a stronghold in the mountains.

Reports from the chief signal officer at Manila and from Major A. G. Devoe, of the quartermaster's department, have been forwarded to Washington. The report of the signal officer sketches in considerable detail the work of the signal corps in the islands, and speaks in terms of high praise of the work of both officers and men.

There were many instances of rapid work, and distinguished bravery on the part of officers in the fight at Calocan, where the laying of a long line of wire was necessary. A signal office was set up at the extreme front, and was doing business in a few minutes after the action ceased.

In the fight at Tondo an office was opened and doing business in the heart of the burning town before any attempt was made to put out the fire.

Every command, depot or outpost of the army can now be reached from 29 different telegraph offices.

SPEAKER REED'S SUCCESSOR.

T. B. Henderson of Iowa Will Precede Over the National House. Chicago, June 5.—Congressman David B. Henderson, of Iowa, yesterday received enough pledges, by telegraph and mail, to give him 102 votes in the Republican caucus when it meets in

CONGRESSMAN D. B. HENDERSON.

Washington. As 93 votes constitute a majority of the Republican representation in the house, Colonel Henderson has a chance to the good, and more states to hear from. In addition there are 50 other votes which he has good reason to believe will be pledged to him in a short time, including 20 from Pennsylvania.

Baby Clark Safe at Home.

New York, June 3.—Marion Clark, the kidnapped New York baby, was found near Garnersville, N. Y., and returned to her New York home. Her abductors, C. B. Barrow and wife and the nurse, whose real name is Belle Anderson, are under arrest, the two former at Nyack, N. Y., and the latter at Elizabeth, N. J. The nurse has confessed, saying that she was drawn into the plot by Barrow and his wife. Barrow is the son of Judge J. C. Barrow, one of the oldest and wealthiest lawyers of Little Rock, Ark., and is himself a lawyer. Mrs. Barrow's father is a newspaper publisher at Goshen, N. Y. Baby Clark had been kindly treated by her abductors.

Denial From the Count and Countess.

Paris, June 5.—The count and Countess Boni de Castellane assure the correspondents of the American papers that there is no truth in the statement that the countess was mixed up in the rioting on the Auteuil race course on Sunday. The countess was disagreeably surprised to see her name connected with the affair. The story originally appeared in La Presse, of this city, which said it had received the information from a source usually reliable.

DREYFUS' HOME COMING.

The Prisoner Will Resume His Military Uniform at Once.

Fort de France, Martinique, June 5.—There is no truth in the report that Dreyfus has embarked on board the steamer Ville de Tanguier. The steamer which left here at 10 o'clock Sunday night to take Dreyfus on board, sailed quite unexpectedly. It was not until 1 o'clock in the afternoon that her commander was notified to sail, and the cruiser left as soon as she could get up steam and take on board the necessary provisions.

The authorities of Cayenne foresaw four days ago that the steamer would leave Fort de France on her present mission, and at 2 o'clock yesterday afternoon the dispatch boat Goodland, stationed in the waters of French Guiana left Cayenne, the capital, for Devil's Island, having on board the superintendent of the penitentiary and the commander of the marine artillery.

These officials are delegated by the French government to officially notify Dreyfus of the revision of his trial. Dreyfus received on Saturday, from his wife a cable message announcing the decision of the court of cassation. Dreyfus, however, will be under charges after being officially notified of the court's action in his case, but he will be able to resume wearing the military uniform of his rank, in order to go to appear before the new council of war.

A Woman Handit Captured. Phoenix, A. T., June 5.—The two robbers who held up the Globe and Florence stage last Tuesday have been captured by Sheriff Truman, of Pima county, near Benson. One of them turned out to be a woman named Pearl Hart. She made a strong fight. Both were asleep with their guns beside them. When they awakened the woman seemed paralyzed with fright, but the man, reaching for the guns, which had been removed, sprang to her feet and fought vigorously. All the money, about \$50, three revolvers and a gold watch which were taken from passengers on the stage were recovered.

The Samoans Disarming. Washington, June 5.—The navy department yesterday made public the following cable from Admiral Kautz, in charge of the American navy in Samoa waters, the cablegram having been forwarded to it from San Francisco. Both native factions, the Malietans and the Matafians, are disarming. Matafa has surrendered 1,800 guns. Will instruct the commander of the Badger to send the Brutus to Honolulu as soon as she can be spared. Expect to sail from here on the 21st with the remains of Lieutenant Lansdale and Ensign Monaghan. Will probably reach San Francisco June 25.

Congressman Bland's Condition. Lebanon, Mo., June 5.—Congressman Richard P. Bland's condition is very critical, and grave fears are entertained for his recovery. While he has rallied somewhat from the apparent collapse of Sunday, there is great anxiety on the part of his immediate friends and the attending physicians. All the members of his family are at the congressman's bedside, the absent ones having been summoned by telegraph. The patient is suffering from nervous prostration, the result of an attack of the grip.

Baron and Baroness Convicted. Chicago, June 5.—The jury in the case of the Baron and Baroness DeBara, charged with using the mails to conduct a fraudulent business, brought in a verdict late yesterday afternoon finding both defendants guilty.

The maximum penalty is 12 years and six months' imprisonment and a fine of \$12,000. A motion for a new trial was made, and pending the decision sentence was deferred.

Speedy Justice in Georgia. Vienna, Ga., June 5.—John Hanaway, who attempted to outrage the little daughter of N. L. Christmas last week, pleaded guilty in the special session of the county court here yesterday. He was given the limit of the law, being sentenced to 30 years by Judge Littlejohn. Two hours later he was on his way to Macon, where he will be kept until assigned to a convict camp.

FRANK THOMSON DEAD.

Pennsylvania Railroad President a Victim of Indigestion.

HIS DEATH WHOLLY UNEXPECTED.

He Had Been Confined to His Bed Since His Recent Tour of Inspection—Over Forty Years in the Pennsylvania Railroad Service.

Philadelphia, June 5.—Frank Thomson, president of the Pennsylvania Railroad company, died at 7:30 o'clock last evening at his home at Merion, a few miles out of the city. Mr. Thomson had been ill about two weeks. He returned to his home on May 20 from a tour of inspection, which he, with other officials of the company, had made over the main and leased lines of the Pennsylvania railroad system.

The trip had occupied about a week. Upon his return home he was suffering from acute indigestion, and at once took to his bed and placed himself in the hands of his physician. Mr. Thomson had enjoyed extraordinary good health and his relatives and friends believed he would soon rally and recover from his indisposition. His death was rather sudden and was wholly unexpected. Mr. Thomson was 53 years of age, and since he reached the age of 18 years had been in the service of the great railroad company of which he had been the head during the last two years of his life, he having succeeded to the presidency in 1897, upon the death of George B. Roberts.

In the early years of his service promotions came rapidly to Frank Thomson, and as responsibilities became constantly heavier he met them and carried them, and was rewarded with increasing rewards. As general manager he introduced notable reforms in

the administration, management and maintenance of the road, and the same spirit characterized his career as vice president and president.

He developed the high grade of discipline which marks the administration of the Pennsylvania railroad in every department, and a widely different talent was shown in the diplomatic and delicate relations with other trunk lines and systems when he was second vice president. His "many sidedness" is shown also by his works left in the superior standard of equipment, the adoption of the block signal system and other safety appliances, the building of picturesque stations, the standard track and solid roadbed.

Since his youth Mr. Thomson was noted for his tact and ability to win the regard of all with whom he came in contact. He had always loyal support from his employes and co-workers. During the term of the late President George B. Roberts he was regarded as the diplomat of the system, and trying and vexatious questions were deftly and satisfactorily settled by Mr. Thomson. He had a wide acquaintance among the public men of this country, and perhaps no other American was so widely known among foreign men of affairs.

Mr. Thomson was one of the most popular men of prominence in Philadelphia. His social life was the most attractive side of his peculiarly attractive character. He was a lover of books and a patron of art, literature and music. His beautiful home at "Conkerhill" was a delightful resort for his large circle of friends, and contains many choice and valuable paintings and other works of art.

Spain Cedes Islands to Germany. Washington, June 5.—The announcement at Madrid in the speech from the throne to the cortes that Spain had ceded the Caroline islands and Palaos and the Marianas was received with surprise here. The cession marks the relinquishment of Spanish possessions in the far east save the island of Fernando Po and dependencies on the African coast.

General Carlos Esteta, ex-president of Salvador, is dangerously ill in Oakland, Cal. George Ray, aged 102 years, is suing his wife, aged 37, for divorce at Columbus, Mo.
