Drink Grain-O

after you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich seal brown color and tastes like the finest grade of coffee and costs about 1/10 as much. Children like it and thrive on it because it is the genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15c and 25c.

Don't Experiment.

When grip attacks a person of nervous temperament there is usually a great depression of spirits, the patient is plunged in despair, and no amount of argument or railery has any effect on his misery. The man or woman whose nerves become so shattered that it is a torture to remain in bed, and the night is passed in a vain attempt to get a little sleep is on the down grade to nervous prostration, insanity and death. There is no time then to experiment with new and untried remedies. Neglect or delay in this respect may prove a fatal mistake.

Dr. Miles' Nerveine is the best of all medicines for the nervous, tired out and sleepless victim of the grip, just as it is the best remedy for all other weaknesses and disorders of the nervous system. It attacks the minute germs of impurity clustered in the blood and thoroughly routs them out of every hidden corner of the body.

"I was extremely nervous and although I doctored with several physicians I could not get strength. My nerves became so completely unstrung that I could scarcely sleep at all, and I thought I should surely die. I began taking Dr. Miles' Nerveine and in less than a week I was feeling very much better. After taking six bottles I was completely restored to health."

A trial package of Dr. Miles' favorite treatment for the grip, consisting of Dr. Miles' Nerveine, Dr. Miles' Nerve and Liver Pills, will be sent absolutely free to any person sending name and address on a postal card, requesting the samples and mentioning the name of the Post. Address, Dr. Miles Medical Co., Elkhart, Indiana.

Does Coffee Agree With You?

If not, drink Grain-O—made from pure grains. A lady writes: "The first time I made Grain-O I did not like it but after using it for one week nothing would induce me to go back to coffee." It nourishes and feeds the system. The children can drink it freely with great benefit. It is the strengthening substance of pure grains. Get a package today from your grocer, follow the directions in making it and you will have a delicious and healthful table beverage for old and young. 15c. and 25c.
