## SNYDER COUNTY MARRIAGES,

1835-1899,

—COMPILED BY—

GEO. W. WAGENSELLER, A. M.,

—AUTHOR OF—

"HISTORY OF THE WAGENSELLER FAMILY IN AMERICA," FERRY AND ORWIG GENEALOGIES.

The record of the marriages published in this book have been carefully gathered from various sources and represent those who were married in Snyder County, Penna., during the time specified, but also many from adjacent counties. It is the first volume of this character published in any county in the Commonwealth of Pennsylvania. There is a record of more than

**7,500 Marriages or 15,000 Names,**

of persons who resided in this county and who are now residing here. It is not represented to contain every marriage solemnized in this county during that period, but only such whose records could be secured, but for the greater period the record is nearly complete. The records consulted are as follows:

1. From 1868 to Oct. 1, 1885, the marriages are taken from the files of the Middleburg Post.
2. From Oct. 1, 1885, when the license law went into effect, to April 16, 1899, the record was taken from the license docket of Snyder County, Pa.
3. Rev. Adolf B. Casper's Marriage Record.
4. Rev. John Peter Shindel's (Jr.) Marriage Record.
5. Rev. Charles Gustavus Erlenmeyer's Marriage Record.

### An Index of Surnames.

has been made and published in the book enabling easy access to any name in the volume. There are represented 1813 different surnames.

### Points to be Considered.

There are a great many points to be considered which demonstrate the value of having this publication at your finger's ends. We can name only a few at this time:

1. It is a ready reference book of marriages which recalls many pleasant events and also places a permanent record in the hands of your posterity with which they will never be willing to part.
2. It is a very useful guide to assist you in fixing the dates of collateral events.
3. It is an indispensable book for the genealogist and the historian.
4. It is of incalculable value to the politician who should be thoroughly posted concerning the "dear" people.
5. The Lawyer, Doctor, Clergyman, Editor and Teacher will find it a convenience, and, in time, almost a necessity, nearly every day of his life.
6. Not a store, hotel, nor a business place of any kind in Snyder County should be without a copy of this book.
7. No historical or genealogical, nor any other public library is complete without a copy of this work.

### Special Offer.

This book like many others that will be called for only by a limited number of people will of necessity cost more per volume than those whose circulation run into tens and even hundreds of thousands of copies. There will be only about three hundred copies of this work and those who wish a copy should not delay placing an order early. The preparation of this book has entailed a great deal of labor and expense and so far as the remuneration is concerned, we should have at least Five Dollars per volume for it. We do not, however, desire to make the price a barrier, and imbued with the idea of placing the book within the reach of all, we have decided to offer it for

**Only Three Dollars a Copy.**

Orders by mail will have our prompt attention. An agent is wanted in every district of the county to solicit orders. Address all communications to the compiler,

**GEO. W. WAGENSELLER, A. M.  
DEPT. A, MIDDLEBURG, PA.**

### PIT SCHWEFELBRENNER.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by all Druggists.

## Does Your Head Ache?

Are your nerves weak? Can't you sleep well? Pain in your back? Lack energy? Appetite poor? Digestion bad? Boils or pimples? These are sure signs of poisoning.

From what poisons? From poisons that are always found in constipated bowels. If the contents of the bowels are not removed from the body each day, as nature intended, these poisonous substances are sure to be absorbed into the blood, always causing suffering and frequently causing severe disease. There is a common sense cure.

## AYER'S PILLS

They daily insure an easy and natural movement of the bowels. You will find that the use of

## Ayer's Sarsaparilla

with the pills will hasten recovery. It cleanses the blood from all impurities and is a great tonic to the nerves.
